Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 143.010 is amended to read as follows:

As used in this chapter unless the context requires otherwise:

(1) "Department" means "department of revenue."

(2) "Coal" means and includes any material composed predominantly of hydrocarbons in a solid state.

(3) "Severed," "severing," or "severance" means the physical removal of coal from the earth in this state.

(4) "Ton" means a short ton of 2,000 pounds. The number of tons shall be determined at the first point at which the coal is weighed.

(5) "Taxpayer" shall mean and include any individual, partnership, joint venture, association, or corporation engaged in severing *and/or processing* coal in this state. *In instances where contracts, either oral or written, are entered into whereby persons, organizations, or businesses are engaged to mine or process the coal but do not obtain title to or do not have an economic interest therein, the party who owns the coal or has an economic interest is the taxpayer.*

(6) "Gross value" is *synonymous with gross income from property as defined in section 613 (c) of the internal revenue code and regulations 1.613-3 and 1.613-4 in effect on December 31, 1977, with the exception that in all instances transportation expense (whether or not by common carrier) incurred in transporting coal shall not be considered as gross income from the property. Gross value is to be reported* [defined] as follows:

(a) For coal severed *and/or processed* and sold during a reporting period, gross value is the amount received or receivable by the taxpayer.

(b) For coal severed *and/or processed,* but not sold during a reporting period, gross value shall be determined as follows:

1. If the coal is to be sold under the terms of an existing contract, the contract price shall be used in computing gross value.

2. If there is no existing contract, the fair market value for that grade and quality of coal shall be used in computing gross value.

(c) In a transaction involving related parties, gross value shall not be less than the fair market value for coal of similar grade and quality.

(d) In the absence of a sale, gross value shall be the fair market value for coal of similar grade and quality.

(e) If severed coal is purchased for the purpose of processing and resale, the gross value is the amount received or receivable during the reporting period reduced by the amount paid or payable to the taxpayer actually severing the coal.

(f) If severed coal is purchased for the purpose of processing and consumption, the gross value is the fair market value of processed coal of similar grade and quality reduced by the amount paid or payable to the taxpayer actually severing the coal.

(g) In all instances, the gross value shall not be reduced by any taxes including the tax levied by KRS 143.020, royalties, sales commissions, or any other expense.

(7) "Reporting period" means the period for which each taxpayer must compute his tax liability and remit the tax due to the department. The reporting period shall be monthly. However, the department may, under certain conditions, authorize a quarterly reporting period.

(8) "Processing" includes cleaning, breaking, sizing, dust allaying, treating to prevent freezing, or loading for shipment.

(9) "Related party" means two (2) or more persons, organizations, or businesses owned or controlled directly or indirectly by the same interest. Control exists if a contract or lease, either written or oral, is entered into whereby one party mines or processes coal owned or held by another party and the owner or lessor participates in the mining, processing, or marketing of the coal or receives any value other than an arm's length passive royalty interest. In the case of related parties, the department may apportion or allocate the receipts between or among such persons, organizations, or businesses if it determines that such apportionment or allocation is necessary in order to more clearly reflect gross value.

(10) "Economic interest" for the purposes of this chapter is synonymous with the economic interest ownership required by internal revenue code section 611 in effect on December 31, 1977, entitling the taxpayer to a depletion deduction for income tax purposes with the exception that a party who only receives an arm's length royalty shall not be considered as having an economic interest.

(11) Transportation expense shall mean:

(a) The amount paid by a taxpayer to a third party for transporting coal from the mine mouth or pit to a processing plant, tipple, loading dock or customer provided that the transaction is at arm's length.

(b) The cost incurred by a taxpayer using his own facilities in transporting coal from the mine mouth or pit to a processing plant, tipple, loading dock, or customer.

(c) The cost incurred in transporting the coal for purpose of marketing.

(d) In no case shall transportation expenses include the cost of acquisition, improvements, or maintenance of real property; the cost of loading or unloading facilities.

Section 2. KRS 143.020 is amended to read as follows:

For the privilege of severing or processing coal, in addition to all other taxes imposed by law, a tax is hereby levied on every taxpayer engaged in severing and/or processing coal within this Commonwealth at the rate of four and one-half percent (4.50%) of the gross value of all coal severed and/or processed during the reporting period; except that the minimum tax for a reporting period shall be an amount determined by applying a rate of fifty cents (50¢) per ton to the total number of tons severed during the reporting period. The minimum tax shall not apply to a taxpayer who only processes coal [On and after July 1, 1976, in addition to all other taxes imposed by law, a severance tax is hereby levied on every taxpayer measured by the coal severed. The tax shall be four and one-half percent (4 1/2 %) of the gross value of all coal severed during the reporting period; except that the minimum severance tax liability for a reporting period shall be an amount determined by applying a rate of fifty cents (50¢) per ton to the total number of tons severed during the reporting period].

Section 3. KRS 143.030 is amended to read as follows:

(1) Every individual, partnership, joint venture, association, or corporation engaged in severing and/or processing coal shall, prior to July 1, 1978, or prior to severing and/or processing coal in this Commonwealth, file an application for a certificate of registration in such form as the department may prescribe. Every application shall be signed by the owner if a natural person; in the case of an association or partnership, by a member or partner; in the case of a corporation, by an executive officer or some person specifically authorized by the corporation to sign the application [Prior to April 1, 1972, or prior to beginning coal severing operations in this state, each taxpayer shall file with the department an identification statement listing such information as the department may require].

(2) On or before the twentieth day of the month following the reporting period in which any coal is severed *and/or processed*, the taxpayer severing *and/or processing* such coal shall file with the department a tax return in such form as the department may require and remit the amount of the tax due. A tax return is required for each reporting period even though there may be no tax liability.

(3) Whenever any taxpayer fails to comply with any provisions of this chapter, or any rule or regulation of the department relating thereto, the department may order the suspension or revocation of the certificate of registration held by such taxpayer.

(4) Any taxpayer, including any officer of a corporation, who conducts a coal severing and/or processing operation in this state without obtaining a certificate of registration or after a certificate of registration has been suspended or revoked, shall be guilty of a misdemeanor and upon conviction therefor, shall be fined an amount not less than one hundred dollars ($100) nor more than one thousand dollars ($1,000) or imprisoned for a period not to exceed six (6) months or both such fine and imprisonment.

Section 4. KRS 143.060 is amended to read as follows:

(1) As soon as practicable after each return is received, the department shall examine and audit it. If the amount of tax computed by the department is greater than the amount returned by the taxpayer, the excess shall be assessed within four years from the date the return was filed, except as provided in subsection (2), and except that in the case of a failure to file a return or of a fraudulent return, the excess may be assessed at any time. A notice of such assessment shall be mailed to the taxpayer. The time herein provided may be extended by agreement between the taxpayer and the department.

(2) For the purpose of *subsections* [subsection] (1) *and (4)*, a return filed before the last day prescribed by law for the filing thereof shall be considered as filed on such last day.

(3) Any final ruling, order or determination of the department with regard to the administration of this chapter may be reviewed only in the manner provided in KRS 131.110 and 131.310 to 131.370.

(4) Notwithstanding the four (4) year time limitation of subsection (1), in the case of a return where the taxpayer understates the gross value by twenty-five percent (25%) or more, the excess shall be assessed by the department within six (6) years from the date the return was filed.

Section 5. KRS 143.090 is amended to read as follows:

The department of transportation shall certify to the commissioner of the department of revenue by October 1 of each fiscal year the amount required for lease rental payments to the Kentucky turnpike authority for resource recovery road projects. Upon receiving such certification, the commissioner of the department of revenue shall cause said amount to be deposited from [severance tax] proceeds *of the tax levied by KRS 143.020* to the credit of the transportation fund (road fund). All [severance] tax *levied by KRS 143.020* collected in excess of the amount required to be deposited to the transportation fund (road fund) shall be deposited by the department of revenue to the credit of the general fund.

SECTION 6. A NEW SECTION OF KRS CHAPTER 143 IS CREATED TO READ AS FOLLOWS:

Notwithstanding any other provisions of this chapter to the contrary, where the department finds that it would facilitate and expedite the collection of the tax imposed by this chapter, the department may authorize the taxpayer processing the coal to report and pay the tax which would be due from the taxpayer severing the coal. Authorization from the department shall be in the form of an agreement executed by the taxpayer processing the coal, the taxpayer severing the coal and the department. The agreement shall be in such form as the department may prescribe. The agreement must be signed by the owners if the taxpayers are natural persons; in the case of a partnership or association by a partner or member; in the case of a corporation, by an executive officer or some person specifically authorized by the corporation to sign the application. The director of the sales and severance tax division shall sign for the department. The agreement may be terminated by any party to the agreement upon giving thirty (30) days written notice to the other parties to the agreement; however, the department may terminate the agreement immediately upon written notice to the other parties when either the taxpayer processing the coal or the taxpayer severing the coal fails to comply with the terms of the agreement.

Section 7. The provisions of this Act shall become effective July 1, 1978.

2. In the case of a gift, or any deed with nominal consideration or without stated consideration, the estimated price the property would bring in an open market and under the then prevailing market conditions in a sale between a willing seller and a willing buyer, both conversant with the property and with prevailing general price levels.

(2) A tax upon the grantor named in the deed is imposed at the rate of fifty cents (50¢) for each $500 of value or fraction thereof, which value is declared in the deed upon the privilege of transferring title to real property.

(3) The provisions of this section shall be computed on the 1976 assessment and on each annual assessment thereafter.

(4) Each property valuation administrator shall upon taking office for the first time be placed in the first step in grade and shall annually, effective January 1 after serving no less than twelve months, be advanced one step in grade; except, that any person appointed or elected to fill a vacancy in the office of property valuation administrator shall be eligible for advancement one step in grade effective January 1 following completion of at least six months service. The department of revenue is authorized to make grade classification changes corresponding to any approved for department employes in comparable positions so long as such changes do not violate the integrity of the classification system and, except further, subject to availability of funds, that the department may extend cost-of-living increases approved for department employes to the property valuation administrators by advancement in grade.

Each property valuation administrator may appoint any persons approved by the department of revenue to assist him in the discharge of his duties. Each deputy must be more than twenty-one years of age and may be removed at the pleasure of the property valuation administrator. The property valuation administrator shall maintain a payroll record of all employes compensated from local funds derived from any taxing jurisdiction, file such record with the department of revenue and pay all funds withheld from employes compensation for federal FICA taxes, federal income taxes, state income taxes, state employes retirement, and all other required deductions, by the fifth day following the end of each month. During county election years the property valuation administrator shall not be allowed to expend in excess of forty percent of the allowances available to his office from county funds during the first five months of the fiscal year in which the general election is held.

(10) Any county funds appropriated under the provisions of this section but unexpended by the close of each fiscal year for which such funds are appropriated shall carry over and be added to the amount required to be appropriated for the next fiscal year except that the department of revenue may release such funds or any part thereof that the department deems not necessary for operations of the property valuation administrator's office.

(11) The provisions of this section shall apply to urban-county governments. In an urban-county government, all the rights and obligations conferred on fiscal courts by the provisions of this section, shall be exercised by the urban-county government.

(12) When an urban-county form of government is established through merger of existing city and county governments as provided in KRS Chapter 67A, the annual county assessment shall be presumed to have been adopted as if the city had exercised the option to adopt as provided in KRS 132.285, and the annual amount to be appropriated to the property valuation administrator's office shall be the combined amount that is required of the county under this section and that required of the city under KRS 132.285, except that the total shall not exceed one hundred thousand dollars ($100,000) for any urban-county government with an assessment subject to county wide tax of less than three billion dollars ($3,000,000,000), one hundred twenty-five thousand dollars ($125,000) for an urban-county government with an assessment subject to county-wide tax between three billion dollars ($3,000,000,000) and five billion dollars ($5,000,000,000) and two hundred thousand dollars ($200,000) for an urban-county government with an assessment subject to county-wide tax in excess of five billion dollars ($5,000,000,000). The bond of the regular or special tax collector shall be made to cover his duties as the tax collector of the school district or districts for which he collects taxes. The tax collector shall be entitled to a fee equal to his expense but not to exceed the rate of four per cent (4%) for the collection of school taxes, which fee may be charged only for collecting or receiving school taxes or school funds received from the local school levy. No allowance shall be made for the collection of school taxes to any collecting officer who continues to collect taxes after his term that would not be allowed him had he collected the taxes during his term.

(2) An independent school district may select a special tax collector to collect its school taxes, and in the event such independent school district does so select a special tax collector, a majority of the members of the independent school district board of education shall fix a fee for such special tax collector at a rate of not more than four per cent (4%) of the school taxes or school funds collected by such special tax collector from the local school levy in such independent school district. The action shall be brought on the relation of the commissioner of revenue, who shall publish notice on the courthouse door for fourteen (14) days before instituting the action, notifying all delinquents that actions will be instituted unless the delinquent taxes against land subject to such actions are paid at once. If the property is redeemed after action is instituted, the fee shall become a part of the redemption price. The commissioner may, if he deems necessary, institute action without giving the notice provided in this section, in which event the fifteen per cent (15%) fee shall not apply.

(2) The county attorney shall assist the department of revenue in filing and prosecuting the actions. *For these services he shall be entitled to twenty percent (20%) of the taxes, penalties and interest. If he fails or refuses to assist in filing and prosecuting the actions, he shall not be entitled to this fee.*

HCR 83, A CONCURRENT RESOLUTION directing a study of the fiscal impact of the Kentucky coal industry.

WHEREAS, coal is one of Kentucky's major industries in terms of income produced, employment created and tax revenue generated; and

WHEREAS, effective planning and policy decision making requires an understanding of the mechanics and implications of coal production as it affects state and county revenues and expenditures; and

WHEREAS, previous financial studies of the Kentucky coal industry have focused primarily pure economic aspects without seriously considering the fiscal impact on state and local governments; and

WHEREAS, the General Assembly repeatedly faces difficult policy decision on the coal industry and is in great need of detailed fiscal knowledge of the industry to better understand the implications of various policy options; and

WHEREAS, it can be anticipated that the 1980 General Assembly, in view of the planned expansion of the coal industry, not only have reviewed previous policy decisions but also will be faced with new problems and decisions;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky, the Senate concurring therein:

Section 1. The Legislative Research Commission is directed to conduct a detailed analysis of the fiscal impact of the coal industry in Kentucky. This analysis shall include, but not necessarily be limited to, the following:

Section 2. The Commission shall report its findings and recommendations to the appropriate interim committee no later than June 30, 1979.

Section 3. Staff services to be utilized in completing this study are estimated to cost $30,000. These staff services shall be provided from the regular Commission budget and are subject to the limitations and other research responsiblities of the Commission.

HCR 99, A CONCURRENT RESOLUTION directing the Legislative Research Commission to study the feasibility of eliminating local property taxes in the financing of elementary and secondary education in the Commonwealth.

WHEREAS, a portion of the financing of elementary and secondary education in the Commonwealth of Kentucky is derived from local property taxes; and

WHEREAS, property owners receive no more benefits from education than those who do not own property; and

WHEREAS, therefore, the burden of financing elementary and secondary education in the Commonwealth falls inequitably on the property owner; and

WHEREAS, local property taxes as a means of financing elementary and secondary education has been declared unconstitutional in several states;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky, the Senate concurring therein:

Section 1. The Legislative Research Commission is directed to conduct a study of the feasibility of eliminating local property taxes as a means of financing elementary and secondary education.

SB 184, AN ACT relating to revenue and taxation.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 96.820 is amended to read as follows:

(1) For the purposes of this section, unless the context requires otherwise:

(a) "Taxing jurisdiction" shall mean each county, each school district, each municipality, and each other special taxing district located within the state.

(b) "State" shall mean the Commonwealth of Kentucky.

(c) "Tax equivalent" shall mean the amount in lieu of taxes computed according to this section which is required to be paid by each board to the state and to each taxing jurisdiction in which the board operates and required by subsection (11) of KRS 96.570 to be included in resale rates.

(d) "Tax year" shall mean the twelve-calendar-month period ending with December 31.

(e) "Current tax rate" shall mean the actual levied ad valorem property tax rate of the state and of each taxing jurisdiction which is applicable to all property of the same class as a board's property subject to taxation for the tax year involved.

(f) "Book value of property" or "book value of property owned by the board" shall mean the sum of

1. The orginal cost (less reasonable depreciation or retirement reserve) of a board's electric plant in service on December 31 of the immediately preceding calendar year located within the state, used and held for use in the transmission, distribution, and generation of electric energy, and

2. The cost of the material and supplies owned by a board on December 31 of the immediately preceding calendar year. For the purpose of this definition, "electric plant in service" shall mean those items included in the "electric plant in service" account prescribed by the federal power commission uniform system of accounts for electric utilities, and "material and supplies" shall mean those items included in the accounts grouped under the heading "material and supplies" in the said system of accounts.

(g) "Adjusted book value of property" or "adjusted book value of property owned by the board" shall mean the book value of property owned by the board excluding manufacturing machinery as interpreted by the department of revenue for franchise tax determination purposes.

(h) The "adjustment factor" shall be 125 per cent for the tax year 1970. For each tax year thereafter, it shall be the duty of the department of revenue to compute the adjustment factor for that tax year as follows: For each 5 percentage points or major fraction thereof by which the adjustment ratio for electric utility property for the immediately preceding tax year exceeded or was less than 116 per cent, 5 percentage points shall be added to or subtracted from 125 per cent. For the purposes of this computation, "adjustment ratio for electric utility property" shall mean the ratio of total assessed value to total property value for all public service corporations distributing electric energy to more than 50,000 retail electric customers within the state. "Total assessed value" shall mean the total actual cash value assigned by the department of revenue for ad valorem property tax purposes to the property of such corporations located within the state (properly adjusted for property under construction). "Total property value" shall mean the sum of

1. The depreciated original cost of the total utility plant in service of such corporations within the state, and

2. The book value of material and supplies of such corporations located within the state, both as derived from published reports of the federal power commission, or in the absence thereof, from information provided to the department of revenue by such corporations.

(i) "Electric operations" shall mean all activities associated with the establishment, development, administration, and operation of any electric system and the supplying of electric energy and associated services to the public, including without limitation the generation, purchase, sale, and resale of electric energy and the purchase, use, and consumption thereof by ultimate consumers.

(2) It shall be the duty of each board, on or before April 29, 1970, and on or before March 31 of each succeeding tax year, to certify to the department of revenue the book value of property owned by the board and the adjusted book value of property owned by the board and located within the state and within each taxing jurisdiction in which the board operates. A copy of such certification shall also be sent by the board to each such taxing jurisdiction. Said book value of property and adjusted book value of property shall be determined, and the books and records of the board shall be kept in accordance with standard accounting practices, and the books and records of each board shall be subject to inspection by the department of revenue and by representatives of the affected taxing jurisdictions and to adjustment by the department of revenue if

found not to comply with the provisions of this sentence. Upon the receipt of the required certification from a board, the department of revenue shall make such inspection and adjustment, hereinabove authorized, as it deems necessary, and no earlier than September 1 of each year the department of revenue shall certify to the board and to the county court clerk of each county in which the board operates the book value of property owned by the board and the adjusted book value of property owned by the board, located within each taxing jurisdiction in which the board operates and within the state. At the same time, the department of revenue shall certify to the board and to the said county court clerk the adjustment factor for the tax year. The said county court clerk shall promptly certify the book value of property, the adjusted book value of property, and the adjustment factor certified by the department of revenue, to the respective taxing jurisdiction in which the board operates.

(3)(a) Each board shall pay for each tax year, beginning with the tax year 1970, to the state and to each taxing jurisdiction in which the board operates, a tax equivalent from the revenues derived from the board's electric operations for that tax year, computed according to this subsection.

(b) The tax equivalent for each tax year payable to the state shall be the total of

1. The book value of the property owned by the board within the state, multiplied by the adjustment factor, multiplied by the current tax rate of the state, *less thirty cents ($.30)* plus

2. The state's portion of the amount payable under paragraph (d) of this subsection.

(c) The tax equivalent for each tax year payable to each taxing jurisdiction in which the board operates shall be the total of

1. The adjusted book value of property owned by the board within the taxing jurisdiction, multiplied by the adjustment factor, multiplied by the current tax rate of the taxing jurisdiction, *provided however, for the purpose of this calculation the tax rate for school districts shall be increased by thirty cents ($.30),* plus

2. The taxing jurisdiction's portion of the amount payable under paragraph (d) of this subsection.

(d) For purposes of this subsection, "amount payable" shall mean four-tenths of one per cent (.4%) of the book value of property owned by the board located within the state. The state shall be paid the same proportion of the amount payable as the payment to the state under subparagraph 1 of paragraph (b) of this subsection represents of the total payments to the state and all taxing jurisdictions in which the board operates required by subparagraph 1 of paragraph (b) and subparagraph 1 of paragraph (c) of this subsection. Each taxing jurisdiction in which the board operates shall be paid the same proportion of the amount payable as the payment to the taxing jurisdiction under subparagraph 1 of paragraph (c) of this subsection represents of the total payments to the state and all taxing jurisdictions in which the board operates required by subparagraph 1 of paragraph (b) and subparagraph 1 of paragraph (c) of this subsection. Under such regulations as the department of revenue may prescribe, upon the board's receipt from the state and taxing jurisdictions of notice of the amount due under subparagraph 1 of paragraph (b) and subparagraph 1 of paragraph (c) of this subsection, the board shall compute the portion of the amount payable which is due the state and each taxing jurisdiction in which the board operates.

(e) Payment of the tax equivalent under this section for each tax year shall be made by each board to the state within thirty (30) days after receipt by the board of the certification from the department of revenue required by subsection (2) of this section and shall be made directly to each taxing jurisdiction in which the board operates within thirty (30) days from the date of the certifications by the county court clerk required by subsection (2) of this section. The state and each taxing jurisdiction in which a board operates shall have a superior lien upon the proceeds of the sale of electric energy by that board for the amounts required by this section to be paid to it.

(4) Except as hereinafter provided the tax equivalents computed under this section shall be in lieu of all state, municipal, county, school district, special taxing district, other taxing district, and other state and local taxes or charges on the tangible and intangible property, the income, franchises, rights, and resources of every kind and description of any municipal electric system operating under KRS 96.550 to 96.900 and on the electric operations of any board established pursuant thereto, and the tax equivalent for any tax year computed and payable under this section to the state or to any taxing jurisdiction in which any board operates shall be reduced by the aggregate amount of any tax or charge within the meaning of this sentence which is imposed by the state, or by any taxing jurisdiction in which a board operates, on the board, the electric system, or the board's electric operations. Provided, however, that if any school district in which property of a board is located has elected, or does hereafter elect, to apply the utility gross receipts license tax for schools to all utility services as provided by KRS 160.613 through KRS 160.617, or as may hereafter be provided by other statutes, the amount of such utility gross receipts license tax shall not reduce, or in any manner affect, the amount payable to any such board or boards under the provisions of this section. It is the intent and purpose of this provision to eliminate all sums received by any such board or boards by reason of the utility gross receipts license tax from any computation of the amount payable under this section to any such board or boards, irrespective of the manner in which such payment is computed, so that, in no event, shall any sum received by any school district by reason of the utility gross receipts license tax reduce, directly or indirectly, the amount payable to such district under this chapter. Provided, further, That if the state shall levy a

statewide retail sales or use tax on electric power or energy, collected by retailers of such energy from the vendees or users thereof, and imposed at the same rate or rates as are generally applicable to the sale or use of personal property or services, including natural or artificial gas, fuel oil, and coal as well as electric power or energy, such retail sales or use tax shall not be deemed to be a tax or charge within the meaning of the first sentence of this subsection, and the tax equivalent payable for the tax year to the state under this section shall not be reduced on account of such retail sales or use tax.

(5)(a) Notwithstanding subsection (3) of this section, until the first tax year in which the total of

1. The tax equivalent payable to the state, or to any taxing jurisdiction in which the board operates, computed under subsection (3) of this section, plus

2. The additional amounts permitted to be paid to the state or taxing jurisdiction without deduction under the second and third sentences of subsection (4) of this section, exceeds the minimum payment to the state or taxing jurisdiction specified in paragraph (b) of this subsection, the tax equivalent for each tax year payable to the state or taxing jurisdiction shall be an amount equal to the minimum payment computed under paragraph (b) of this subsection.

(b) For purposes of this subsection, the minimum payment to the state or to any taxing jurisdiction in which the board operates shall mean an amount equal to the total of

1. The largest actual payment made by the board pursuant to KRS 96.820 to the state or to the taxing jurisdiction for any of the tax years 1964, 1965, or 1966, plus

2. The state's or taxing jurisdiction's pro rata share of an amount equal to four-tenths of one per cent (.4%) of the increase since July 1, 1964, in the book value of property owned by the board within the state. For the purposes of this paragraph "pro rata share" shall mean the same proportion of the amount computed under subparagraph 2. of this paragraph as the largest actual payment in lieu of taxes made by the board to the state or taxing jurisdiction for the applicable tax year under subparagraph 1. of this paragraph represents of the total amount of the largest actual payments in lieu of taxes made by the board to the state and to all taxing jurisdictions in which it operated for any of such applicable tax years.

(c) The provisions of paragraph (e) of subsection (3) of this section shall apply to all payments required under this subsection.

(d) This subsection shall not be applicable for the first tax year specified in paragraph (a) of this subsection or for any tax year thereafter, *except however, that tax year 1977 shall not be deemed as the "first tax year" as specified in paragraph (a) and this subsection shall continue to apply in such cases.*

(6) The general assembly hereby recognizes that a dispute has arisen concerning the validity, terms, and effects of the amendments to KRS 96.820 in the 1968 regular session of the general assembly and that this dispute has resulted in litigation concerning tax equivalents due for the tax years 1968 and 1969.

(7) The general assembly hereby declares its intention that any taxing jurisdiction and any board, whether or not a party to such litigation, may enter into a binding compromise settlement agreement under which the board may pay and the taxing jurisdiction may accept in full discharge of the board's tax equivalent payment obligations for each of the tax years 1968 and 1969 such amount as they may agree upon, not less than the payment made by the board to the taxing jurisdiction for the tax year 1965, and not more than 120 per cent of the largest payment made by the board to the taxing jurisdiction for any one (1) of the tax years 1964, 1965, or 1966. All amounts heretofore paid for the tax years 1968 and 1969 by the respective boards shall be credited against and deducted from the amounts payable under any such agreements.

Section 2. KRS 96.895 is amended to read as follows:

(1) Except for payments made directly by the Tennessee Valley Authority to counties, the total fiscal year payment received by the Commonwealth of Kentucky from the Tennessee Valley Authority, as authorized by section 13 of the Tennessee Valley Authority Act as amended, shall be prorated thirty per cent (30%) to the general fund of the commonwealth and seventy per cent (70%) among counties, cities, and school districts as provided in subsection (2) of this section.

(2) The payment to each county, city, and school district shall be determined by the proportion that the book value of Tennessee Valley Authority property in such taxing district, multiplied by the current tax rate, bears to the total of the book values of Tennessee Valley Authority property in all such taxing districts in the commonwealth, multiplied by their respective tax rates, *provided, however, each public school district for the purposes of this calculation shall have their tax rate increased by thirty (30) cents.*

(3) As soon as practicable after the amount of payment to be made to the Commonwealth of Kentucky is finally determined by the Tennessee Valley Authority, the Kentucky department of revenue shall determine the book value of Tennessee Valley Authority property in each county, city, and school district and shall prorate the total payments received from the Tennessee Valley Authority, except payments received directly from the Tennessee Valley Authority, among the distributees as provided in subsection (2) of this section. The department of revenue shall certify the payment due each taxing district to the executive department for finance and administration which shall make the payment to such district.

(4) As used in subsections (2) and (3) of this section, "Tennessee Valley Authority Property" means land owned by the United States and in the custody of the Tennessee Valley Authority, together with such improvements (including work in progress but excluding temporary construction facilities) as have a fixed situs thereon if and to the extent that such improvements either: (a) were in existence when title to the land on which they are situated was acquired by the United States; or (b) are allocated by the Tennessee Valley Authority or determined by it to be allocable to power; Provided, however, That manufacturing machinery as interpreted by the department of revenue for franchise tax determination shall be excluded. As used in said subsections "book value" means original cost less accrued depreciation as reflected in Tennessee Valley Authority's books of account. "Book value" shall be determined, for purposes of applying said subsections, as of the June 30 used by the Tennessee Valley Authority in computing the annual payment to the commonwealth which is subject to redistribution by the commonwealth.

(5) This section shall be applicable to all payments received after June 30, 1954 from the Tennessee Valley Authority under section 13 of the Tennessee Valley Authority Act as amended.

Section 3. The secretary of the executive department for finance and administration is authorized and directed to pay from surpluses in the current foundation program fund appropriation an amount to each affected district equal to the loss suffered by the district based upon warrants prepared by the department of education whose aggregate shall not exceed $108,200.

Section 4. The General Assembly recognizing that school districts budgets were prepared for the current school year based upon this anticipated revenue does hereby declare an emergency to exist, and this Act shall become effective upon its passage and approval by the Governor.

Report of Committees

HB 766, AN ACT relating to an authority having power to acquire, maintain, improve, expand, develop and operate Churchill Downs.

WHEREAS, for over one hundred years, Churchill Downs Incorporated and its predecessors have developed and staged at Louisville, Kentucky, the now world-famous Kentucky Derby, which has contributed largely to development in Kentucky of the finest thoroughbred horses and the racing thereof; and

WHEREAS, in 1977 an exhaustive study was made of the economic impact of Churchill Downs upon the Louisville metropolitan area and it was found to add over $74 million to that economy; and, obviously, the economic impact upon Kentucky as a whole, with its outstanding horse farms, its Thoroughbred State Park and its superb state parks, was substantially greater, as many of the people who came to the Derby came early or remained late to explore and enjoy Kentucky's other attractions; and

WHEREAS, only a few years ago a large corporate conglomerate undertook to take over Churchill Downs, which effort was defeated only through the expenditure of some $5 million in purchasing Churchill Downs stock by a small group dedicated to racing as a sport, some of the members of which are becoming advanced in age and upon their death or incapacity, the future of Churchill Downs might be affected; and,

WHEREAS, the ownership of Churchill Downs by an authority of the Commonwealth of Kentucky would prevent any conglomerate from ever acquiring and using Churchill Downs and the Kentucky Derby primarily as a business venture without consideration of its value to the Commonwealth as a whole; and

WHEREAS, the civic-minded people of Louisville have contributed many thousands of hours of time and thousands of dollars to creating a gala week in Louisville known as the Kentucky Derby Festival for the attraction of foreign guests and for the entertainment of all; and

WHEREAS, the Chairman of the Kentucky State Racing Commission, through his great familiarity with racing here and throughout the world, has concluded that the Kentucky Derby, which during the past four years was attended by an average of 128,744 persons, is so much an integral part of the sporting and economic life of Kentucky as a whole, that last year, at the "They're Off Luncheon" (the initial event of the Kentucky Derby Festival), attended by some 1,200 civic leaders, he publicly recommended that Churchill Downs be acquired by the Commonwealth of Kentucky in order to preserve it as the preeminent sporting event of the world—number one in the Triple Crown of Racing, consisting of the Kentucky Derby, the Preakness and the Belmont; and

WHEREAS, to make possible the acquisition and development of Churchill Downs and its museum which annually attracts 150,000 to 200,000 visitors, and the perpetuation of the Kentucky Derby as the world's preeminent horse race, it is desirable that a state authority be created with the power to acquire, operate, expand and develop Churchill Downs and maintain the Kentucky Derby as the world's preeminent horse racing event;

NOW, THEREFORE,

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 58 IS CREATED TO READ AS FOLLOWS:

(1)(a) A Churchill Downs Authority is hereby created, initially consisting of three (3) prominent citizens and residents of Kentucky to be appointed by the governor, one (1) of whom is an owner and breeder of thoroughbred horses, and all of whom have no official connection with the government of the Commonwealth or Churchill Downs. The foregoing members shall serve as such until the acquisition of Churchill Downs, its real estate, franchises, rights, privileges and other properties by the Authority as an agency of the Commonwealth.

(b) Upon the completion of such acquisition, the then members of the authority shall be replaced by other members thereof as follows: Nine (9) persons to be appointed by the governor, who are residents or owners of real estate located in the Commonwealth and who are of outstanding character, business experience and at least six (6) of whom have knowledge of racing and the affairs of Churchill Downs, and not less than three (3) of whom shall be residents of Jefferson County. The governor shall initially appoint nine (9) persons having such qualifications, two (2) each for staggered terms ranging from one (1) to four (4) years as he may designate and one (1) person for a term of four (4) years.

(c) As such terms expire, the then remaining members of the authority, by majority vote, shall select and submit to the governor for his consideration the names of three (3) qualified nominees to fill each vacancy, one (1) of whom may be a member whose term has expired, from which the governor shall appoint, for a four (4) year term, a member to fill the vacancy.

After all members of the authority appointed as aforesaid have been appointed for a four (4) year term following the expiration of their initial staggered terms, the procedure outlined above shall be continued in filling vacancies of members of the authority as they occur through the expiration of terms.

(d) When and if any member dies, resigns or becomes incapacitated, the then remaining members of the authority, by majority vote, shall select and submit to the governor for his consideration the names of three (3) qualified nominees to fill such vacancy, from which the governor shall appoint a member to fill the vacancy for the unexpired term.

(e) The member shall be a body corporate constituting a public corporation, governmental agency and instrumentality of the Commonwealth by the name of "The Churchill Downs Authority" (herein sometimes referred to as the "authority"), with the perpetual succession and with power in that name to contract and be contracted with, to acquire and convey property, sue and be sued, to have and use a corporate seal, and exercise, in addition to the powers and functions specifically stated in this Act, all of the usual powers of private corporations to the extent that the same are not inconsistent with specifically enumerated powers or limitations upon public corporations.

(2) The members of the authority shall receive no compensation for their services in that capacity, but shall be entitled to reimbursement for all reasonable expenses necessarily incurred in the performance of their duties.

(3) A majority of the members of the authority shall constitute a quorum for the transaction of business, and in the absence of a quorum, one (1) or more members may adjourn from time to time until a quorum is convened.

(4) From among its members, the authority shall annually elect a chairman and a vice-chairman, each to serve for a term of one (1) year and until his successor is elected and accepts his election.

(5) The authority shall elect a president, a secretary and a treasurer, each of whom shall serve for a term of years fixed by contract or an annual term, all terminable for cause deemed sufficient by the authority, and each of whom shall receive such compensation as may be determined by the authority. These officers shall not be members of the authority, but the president and the secretary shall attend all meetings of the authority. The treasurer shall give bond to the authority and the Commonwealth conditioned upon his faithful accounting for all funds coming into his custody from time to time, the same to be in such amount as the authority may prescribe, with corporate surety given by a surety company qualified to do business in the Commonwealth, the premium therefor to be paid by the authority. The authority shall establish and maintain an office at Churchill Downs, and the secretary of the authority shall at all times maintain therein complete records of all of the authority's actions and proceedings, which shall constitute public records open to inspection at reasonable times.

SECTION 2. A NEW SECTION OF KRS CHAPTER 58 IS CREATED TO READ AS FOLLOWS:

The authority may:

(1) Purchase Churchill Downs, its real estate, franchises, rights, privileges and other properties, and acquire such additional real estate as may become desirable in connection with the activities of Churchill Downs, and may construct, reconstruct, maintain and repair improvements on Chruchill Downs, and operate the same for appropriate purposes, including, but not limited to, holding and conducting horse race meetings for stake, purse or reward, and providing and operating a pari-mutuel system of wagering in accordance with the provisions of KRS Chapter 230 or as may otherwise be authorized by law.

(2) Lease properties and concessions at Churchill Downs not needed by the authority for its current operations and sell such property as is not needed for the future operation of Churchill Downs at its present site.

(3) Make and enter into such contracts and agreements with the Commonwealth of Kentucky or any federal, city or county government, or other person or corporation, as may be necessary or incidental to the performance of its duties and the execution of its powers under this Act.

(4) Employ consulting engineers, attorneys, accountants, construction and financial experts, superintendents, managers and such other employes and agents as may be necessary in the judgment of the authority, and fix their compensation.

(5) Receive and accept from the Commonwealth or any of its departments, any federal agency and the city or county, grants for or in aid of the construction or operation of any project, and receive and accept aid or contributions from any source of either money, property, labor or other things of value, to be held, used and applied for the purposes for which such grants and contributions may be made in furtherance of the business of the authority.

(6) Expend any funds provided under the authority of this Act in advertising the facilities, services and projects of the authority.

(7) Do all acts necessary and proper to carry out the powers expressly or impliedly granted in this Act.

SECTION 3. A NEW SECTION OF KRS CHAPTER 58 IS CREATED TO READ AS FOLLOWS:

If the authority deems it advisable, it may further develop the museum at Churchill Downs and, in connection therewith, establish a facility and devices through which prior Kentucky Derby and other important races run at Churchill Downs may be exhibited to patrons of Churchill Downs during race meetings and to off-season tourist visitors.

SECTION 4. A NEW SECTION OF KRS CHAPTER 58 IS CREATED TO READ AS FOLLOWS:

The authority may also conduct or permit the conduct of other athletic and entertainment events at Churchill Downs and the use of its facilities in connection therewith, provided such activities or events do not conflict with or impinge upon the proper operation thereof primarily as a racetrack.

SECTION 5. A NEW SECTION OF KRS CHAPTER 58 IS CREATED TO READ AS FOLLOWS:

(1) The authority may provide for the issuance of revenue bonds to pay all or any part of the cost of the acquisition of the properties of Churchill Downs or expenses incident thereto referred to in Section 2 of this Act, or any part thereof or interest therein, and secure the payment thereof by a lien on the properties

acquired with the proceeds of the bonds. The bonds shall bear interest at such rate not exceeding ten percent (10%) per annum and shall mature at such time not exceeding fifteen (15) years from their date, as may be provided by the authority, and may be made redeemable before maturity, at the option of the authority, at a price not less than the face amount thereof and accrued interest thereon. The proceeds of the bonds shall be used solely for the payment of the cost of the acquisition of Churchill Downs or expenses incident thereto, and shall be disbursed in such manner and under such restrictions, if any, as the authority may provide in the proceedings authorizing the issuance of the bonds or in the trust indenture securing the same.

(2) Notwithstanding KRS Chapter 56, the authority, in addition to the revenue bonds originally issued for the acquisition of Churchill Downs or expenses incident thereto as provided for in subsection (1) of this section, may issue revenue bonds payable solely from the charges, revenues, rentals and other funds pledged for their payment, for the purpose of paying all or any part of the cost of the acquisition of additional property, the reconstruction of improvements or the erection of additional improvements, but such revenue bonds shall be subordinate to the revenue bonds issued for the original acquisition of Churchill Downs or expenses incident thereto.

(3) Notwithstanding KRS Chapter 56, the authority, in addition to the revenue bonds originally issued for the acquisition of Churchill Downs or expenses incident thereto as provided for in subsection (1) of this section, and for the acquisition of additional property, the reconstruction of improvements or the erection of additional improvements provided for in subsection (2) of this section, may issue revenue bonds payable solely from the charges, revenues, rentals and other funds pledged for their payment, for the purpose of paying all or any part of the cost of further developing the museum at Churchill Downs and establishing a facility for the exhibition of prior Kentucky Derby and other important races held at Churchill Downs as aforesaid, but such revenue bonds shall be subordinate to any then outstanding previously issued revenue bonds.

(4) The authority may agree to or establish any method of interim financing by the authority during the acquisition of additional property, the reconstruction of improvements or the erection of additional improvements hereinbefore provided for and in developing the museum at Churchill Downs and establishing a facility for the exhibition of prior Kentucky Derby and other important races held at Churchill Downs as aforesaid, with borrowed funds from any bank, trust company, or banking institution, such borrowings to be paid from earnings or through the sale of revenue bonds before, during or at completion of such project, but such revenue bonds shall be subordinate to any then outstanding previously issued revenue bonds; and the interest rates, maturities and other provisions shall be such as the authority may at the time of issuance deem to be proper.

(5) If the proceeds of the bonds of any issue, by error of estimates or otherwise, shall be less than the cost for which issued, additional bonds may in like manner be issued to provide the amount of the deficit, and, unless otherwise provided in the proceedings authorizing the issuance of the bonds or in the trust indenture securing the same, shall be deemed to be of the same issue and shall be entitled to payment from the same fund without preference or priority of the bonds first issued. If the proceeds of the bonds of any issue exceed such cost, the surplus shall be deposited to the credit of the sinking fund for such bonds or any account therein as the authority shall have provided in the proceedings or trust indenture authorizing and securing the bonds.

(6) Prior to the preparation of definitive bonds, the authority may, under like restrictions, issue interim receipts or temporary bonds, with or without coupons, exchangeable for definitive bonds when such bonds have been executed and are available for delivery. The authority may also provide for the replacement of any bonds that become mutilated or are destroyed or lost.

SECTION 6. A NEW SECTION OF KRS CHAPTER 58 IS CREATED TO READ AS FOLLOWS:

The issuance of revenue bonds by the authority under the provisions of this Act need not comply with the requirements of any other law applicable to the issuance of bonds. Bonds may be issued under the provisions of this Act without obtaining the consent of any department, division, commission, board, bureau or agency of the Commonwealth, and without any proceedings or any other conditions or things, except as specifically required by this Act. The provisions of this Act will supersede KRS 56.450 in regard to the sale of revenue bonds by this authority. Utilization may be made by the authority, however, of the provisions of sections of KRS Chapter 58 relating to issuance of revenue bonds for public projects generally in respect to: Form, coupons, denominations, place of payment, signing, facsimile signatures, negotiability and method of sale.

SECTION 7. A NEW SECTION OF KRS CHAPTER 58 IS CREATED TO READ AS FOLLOWS:

Bonds issued by the authority under the provisions of this Act do not constitute a debt of the Commonwealth or of any political subdivision thereof, or a pledge of the faith and credit of the Commonwealth or of any such political subdivision, but such bonds and the interest thereon shall be payable solely from the funds and security provided therefor under the provisions of this Act, and all such bonds shall contain on the face thereof a statement to that effect.

SECTION 8. A NEW SECTION OF KRS CHAPTER 58 IS CREATED TO READ AS FOLLOWS:

In the discretion of the authority, any bonds issued under the provisions of this Act may be secured by a trust indenture by and between the authority and a corporate trustee, which may be any trust company or bank having the powers of a trust company in the Commonwealth. If obtainable, insurance adequate to cover the unpaid amount of outstanding revenue bonds shall be carried on the improvements of Churchill Downs. All expenses incurred in carrying out the provisions of such trust indenture or proceedings may be treated as a part of the cost of the operation of the project.

SECTION 9. A NEW SECTION OF KRS CHAPTER 58 IS CREATED TO READ AS FOLLOWS:

All projects and other property of the authority are hereby declared to be public property devoted to an essential public and governmental function and purpose, and shall be exempt from all taxes and special assessments of the Commonwealth or any political subdivision thereof. All bonds or notes issued pursuant to this Act are hereby declared to be issued by a body corporate and public of the Commonwealth and for an essential public and governmental purpose and such bonds and notes, and the interest thereon and the income therefrom, and all funds, revenues, income and other moneys received or to be received by the authority and pledged or available to pay or secure the payment of such bonds or notes, or interest thereon, shall at all times be exempt from taxation except for transfer, inheritance and estate taxes.

SECTION 10. A NEW SECTION OF KRS CHAPTER 58 IS CREATED TO READ AS FOLLOWS:

By January 30 each year, the authority shall make an annual report of its activities for the preceding calendar year to the governor and to the general assembly. Each such report shall set forth a complete operating and financial statement covering its operations during the year. The authority shall provide for an audit of its books and accounts to be made at least once in each year by certified public accountants, and the cost thereof may be treated as a part of the cost of acquisition or operation of the project. Such audits shall be public records within the meaning of KRS 61.870.

SECTION 1. A NEW SECTION OF KRS CHAPTER 422 IS CREATED TO READ AS FOLLOWS:

Medical charts or records of any hospital licensed under KRS 216.430 (or exempt from licensure as provided in that section) that are susceptible to photostatic reproduction may be proved as to foundation, identity and authenticity without any preliminary testimony, by use of legible and durable copies, certified in the manner provided herein by the employe of the hospital charged with the responsibility of being custodian of the originals thereof. Said copies may be used in any trial, hearing, deposition or any other judicial or administrative action or proceeding, whether civil or criminal, in lieu of the original charts or records which, however, the hospital shall hold available during the pendency of the action or proceeding for inspection and comparison by the court, tribunal or hearing officer and by the parties and their attorneys of record.

SECTION 2. A NEW SECTION OF KRS CHAPTER 422 IS CREATED TO READ AS FOLLOWS:

(1) When a subpoena duces tecum is served upon any employe of any hospital, requiring the production of any such medical charts or records at any action or proceeding, it is sufficient if the employe of the hospital charged with the responsibility of being custodian of the original thereof promptly notifies, in writing, the attorney for the party causing service of the subpoena, of the hospital's election to proceed under the provisions of this Act and of the estimated actual and reasonable expenses of reproducing such charts or records. Upon such notification, the attorney causing the service of the subpoena shall notify all other attorneys of record or other parties if they are not represented by attorneys of the hospital's election.

Following such election, the employe of the hospital charged with the responsibility of being custodian of the original charts or records specified in the subpoena shall hold the originals available at the hospital, and upon payment to the hospital of the estimated reproduction expenses by the party causing service of the subpoena, or by any other party, shall promptly deliver, by certified mail or by personal delivery, legible and durable copies, certified by said hospital employe, of all medical charts or records specified in such subpoena to the person specified in the subpoena.

(2) The certification shall be signed before a notary public by the employe of the hospital charged with the responsibility of being custodian of the records and shall include the full name of the patient, the patient's medical record number, the number of pages in the medical record, and a legend substantially to the following effect: "The copies of records for which this certification is made are true and complete reproductions of the original or microfilmed medical records which are housed in (name of hospital). The original records were made in the regular course of business, and it was the regular course of (name of hospital) to make such records at or near the time of the matter recorded. This certification is given pursuant to KRS ---- by the custodian of the records in lieu of his or her personal appearance." The board shall have the power to hear and decide applications for conditional use permits to allow the proper integration into the community of uses which are specifically named in the zoning regulations which may be suitable only in specific locations in the zone only if certain conditions are met:

(1) The board may approve, modify, or deny any application for a conditional use permit. If it approves such permit it may attach necessary conditions such as time limitations, requirements that one or more things be done before the request can be initiated, or conditions of a continuing nature. Any such conditions shall be recorded in the board's minutes and on the conditional use permit, along with a reference to the specific section in the zoning regulation listing the conditional use under consideration. The board shall have power to revoke conditional use permits, or variances for noncompliance with the condition thereof. Furthermore, the board shall have a right of action to compel offending structures or uses removed at the cost of the violator and may have judgment in personam for such cost.

(2) Granting of a conditional use permit does not exempt the applicant from complying with all of the requirements of building, housing and other regulations.

(3) In any case where a conditional use permit has not been exercised within the time limit set by the board, or within one (1) year, if no specific time limit has been set, such conditional use permit shall not revert to its original designation unless there has been a public hearing. "Exercised," as set forth in this section, shall mean that binding contracts for the construction of the main building or other improvement have been let; or in the absence of contracts that the main building or other improvement is under construction to a substantial degree, or that prerequisite conditions involving substantial investment under contract, in development, *are* [or] completed. When construction is not a part of the use, "exercised" shall mean that the use is in operation in compliance with the conditions as set forth in the permit.

(4) The administrative official shall review all conditional use permits, except those for which all conditions have been permanently satisfied, at least once annually and shall have the power to inspect the land or structure where the conditional use is located in order to ascertain that the landowner is complying with all of the conditions which are listed on the conditional use permit. If the landowner is not complying with all of the conditions listed on the conditional use permit, the administrative official shall report the fact in writing to the chairman of the board of adjustments. The report shall state specifically the manner in which the landowner is not complying with the conditions on the conditional use permit, and a copy of the report shall be furnished to the landowner at the same time that it is furnished to the chairman of the board of adjustments. The board shall hold a hearing on the report within a reasonable time, and notice of the time and place of the hearing shall be furnished to the landowner at least one (1) week prior to the hearing. If the board of adjustments finds that the facts alleged in the report of the administrative official are true and that the landowner has taken no steps to comply with them between the date of the report and the date of the hearing, the board of adjustments may authorize the administrative official to revoke the conditional use permit and take the necessary legal action to cause the termination of the activity on the land which the conditional use permit authorizes.

(5) Once the board of adjustments has completed a conditional use permit and all the conditions required are of such type that they can be completely and permanently satisfied, the administrative official, upon request of the applicant, may, if the facts warrant, make a determination that the conditions have been satisfied, and enter the facts which indicate that the conditions have been satisfied and the conclusion in the margin of the copy of the conditional use permit which is on file with the county clerk, as required in KRS 100.344. Thereafter said use, if it continues to meet the other requirements of the regulations, will be treated as a permitted use.

Section 39. KRS 151.110 is amended to read as follows:

The conservation, development and proper use of the water resources of the Commonwealth of Kentucky has become of vital importance as a result of population expansion and concentration, industrial growth, technological advances and an ever increasing demand *for* [on] water for varied industrial, municipal and recreational uses. It is recognized by the general assembly that excessive rainfall during certain seasons of the year causes *damage* [damages] from overflowing streams. However, prolonged droughts at other seasons curtail industrial, municipal, agricultural and recreational uses of water and seriously threaten the continued growth and economic well-being of the Commonwealth. The advancement of the safety, happiness and welfare of the people and the protection of property require that the power inherent in the people be utilized to promote and to regulate the conservation, development and most beneficial use of the water resources. It is hereby declared that the general welfare requires that the water resources of the Commonwealth be put to the beneficial use to the fullest extent of which they are capable, that the waste or nonbeneficial use of water be prevented, and that the conservation and beneficial use of water be exercised in the interest of the people. Therefor, it is declared the policy of the Commonwealth to actively encourage and to provide financial, technical or other support for projects that will control and store our water resources in order that the continued growth and development of the Commonwealth might be assured. To that end, it is declared to be the purpose of KRS chapters 146, 149, 151, 262 and 350.029 and 433.750 to 433.757 for the Commonwealth to permit, regulate, and participate in the construction or financing of facilities to store surplus surface water for future use; to conserve and develop the ground water resources of the Commonwealth; to protect the rights of all persons equitably and reasonably interested in the use and availability of water; to prohibit the pollution of water resources and to maintain the normal flow of all streams so that the proper quantity and quality of water will be available at all times to the people of the Commonwealth; to provide for the adequate disposition of water among the people of the Commonwealth entitled to its use during severe droughts or times of emergency; to prevent harmful overflows and flooding; to regulate the construction, maintenance and operation of all dams and other barriers of streams; to prevent the obstruction of streams and floodways by the dumping of substances therein; to keep accurate records on the amount of water withdrawal from streams and watercourses and reasonably regulate the amount of withdrawal of public water; and to engage in other activities as may be necessary to conserve and develop the water resources of the Commonwealth of Kentucky.

The legal representative of a custodian who dies or becomes legally incapacitated shall promptly do all things within his power to put each item of the custodial property in the possession and control of the successor custodian named in an instrument of designation executed as provided in subsection (1) by the custodian or, if none, by the minor if he has no guardian and has attained the age of fourteen (14) years, or in the possession and control of the guardian of the minor if he has a guardian. If the custodian has executed as provided in subsection (1) more than one instrument of designation, his legal representative shall treat the instrument dated on an earlier date as having been revoked by the instrument dated on a later date.

(4) If a person designated as custodian or as successor custodian as provided in subsection (1) is not eligible, dies or becomes legally incapacitated before the minor attains the age of *eighteen (18)* [twenty-one (21)] years and if the minor has a guardian, the guardian of the minor shall be successor custodian. The person from whom the land is taken by condemnation may reacquire the land as aforementioned by application to a court of competent jurisdiction, if such procedure is necessary and may recover his costs and reasonable attorneys' fees necessary to reacquire the land. (3) If the conditions of release have been performed and the defendant has been discharged from all obligations in the action the clerk of the court shall return to the defendant, unless the court orders otherwise, 90% of the sum deposited and shall retain as bail costs 10% of the amount deposited; provided, however, in no event shall the amount retained by the clerk as bail costs be less than $5. At the request of the defendant the court may order the amount repayable to defendant from such deposit to be paid to defendant's attorney of record.

A fee of twenty dollars ($20.00) shall be allowed the *county judge/executive* [court] for hearing the petition and entering *the* [its] order.

(3) The *county judge/executive* [court] may in this order strike off any part of the territory that the testimony shows will not be benefited by the creation of the district. Either party may thereupon appeal *the order* to the circuit court [for a retrial, and from the circuit court to the Court of Appeals as provided by law].

Section 180. KRS 74.012 is amended to read as follows:

(1) Prior to the establishment of any water district as provided by KRS 74.010, and prior to the incorporation or formation of any non-profit corporation, association or cooperative corporation having as its

purpose the furnishing of a public water supply (herein referred to as a "water association"), a committee of not less than five (5) resident freeholders of the geographical area sought to be served with water facilities by the proposed district or the proposed water association shall formally make application to the public service commission of Kentucky in such manner and following such procedures as the public service commission may by regulation prescribe, seeking from the commission the authority to petition the appropriate county *judge/executive* [court] for establishment of a water district, or proceed to incorporate or otherwise create a water association. The commission shall thereupon set the application for formal public hearing, and shall give notice to all other water suppliers, whether publicly owned or privately owned, and whether or not regulated by the commission, rendering services in the general area proposed to be served by said water district or water association, and to any planning and zoning or other regulatory agency or agencies with authority in the general area having concern with the application. The commission may subpoena and summon for hearing purposes any persons deemed necessary by the commission in order to enable the commission to evaluate the application of the proponents of said proposed water district or water association, and reach a decision in the best interests of the general public. Intervention by any interested parties, water suppliers, municipal corporations, and governmental agencies shall be freely permitted at such hearing.

(2) The public hearing shall be conducted by the commission pursuant to the provisions of KRS 278.020. At the time of the hearing, no employment of counsel or of engineering services shall have been made to be paid from water district funds, water association funds, or made a charge in futuro against water district or water association funds, if formation of such water district or water association is permitted by the commission.

(3) Before the public service commission shall approve any application for creation of a water district or water association, the commission must make a finding and determination of fact that the geographical area sought to be served by such proposed water district or water association cannot be feasibly served by any existing water supplier, whether publicly or privately owned, and whether or not subject to the regulatory jurisdiction of the commission. If it shall be determined that the geographical area sought to be served by the proposed water district or water association can be served more feasibly by any other water supplier, the commission shall deny the application and shall hold such further hearings and make such further determinations as may in the circumstances be appropriate in the interests of the public health, safety and general welfare.

(4) Any order entered by the commission in connection with an application for creation of a water district or water association shall be appealable to the Franklin Circuit Court as provided by KRS 278.410.

Section 181. KRS 74.020 is amended to read as follows:

(1) A water district shall be administered by a board of commissioners which shall control and manage the affairs of the district. The term of each commissioner is four (4) years, except as provided in this section:

(a) If a district lies wholly within a single county, or operates as a single county district as provided in paragraph (c) of this subsection, the board of commissioners shall consist of three (3) residents of the district, or of any incorporated or unincorporated area served by the district in the county in which the district was originally established, who shall be appointed by the county judge/executive with the approval of the fiscal court. Initial appointments shall be for terms of two (2), three (3) and four (4) years, as designated by the court. Commissioners serving under appointments June 16, 1966 shall continue to serve until the end of their respective terms.

(b) Except as provided in paragraph (c) of this subsection, if a district formed in a single county extends its area to include territory in an adjacent county as provided by KRS 74.115, the board of commissioners shall be appointed by the county judge/executives with the approval of the fiscal courts of the concerned counties as follows: in two (2) county districts, three (3) members from the original district and two (2) members from the extended portion of the district; for extensions into three (3) or more counties, the respective county judge/executives, with the approval of the fiscal courts, shall appoint, in addition to the existing membership of the commission, two (2) members from the original one-county district and two (2) members from the newly extended portion of the district. Orders establishing the extension shall provide for the staggering of initial terms in an equitable manner.

(c) If a single county district administered as provided in paragraph (a) hereof shall acquire an existing water or gas distribution system serving an area which extends beyond the boundaries of the district into another county, or if a district formed in a single county extends its area to include territory in an adjacent county as provided by KRS 74.115, it may operate the distribution system so acquired, or extended, provided the area served outside the county shall be deemed to be a minor portion of the total area served by the district, and provided the fiscal court of the county containing such minor portion of the total area shall have agreed to the acquisition or to the extension of the distribution system. If less than twenty-five per cent (25%) of the total assets of the distribution system are located within the county outside of the boundaries of the district, it will be conclusively presumed that said district comes within the terms of this subsection.

(2) Vacancies shall be filled by the same appointing authority which is empowered to make the original appointment. Vacancies resulting from cause other than expiration of the term shall be filled for the unexpired term only.

(3) The commission shall elect a chairman, secretary and treasurer. Each commissioner shall execute a bond, approved by the county *judge/executive* [court], conditioned on the faithful performance of the duties of his position.

(4) Each commissioner shall receive an annual salary of not more than thirty-six hundred dollars ($3600), which shall be paid out of the water district fund. In the case of single-county districts, which shall be deemed to include districts described in paragraph (c) of subsection (1) of this section, the salary shall be fixed by the county judge/executive with the approval of the fiscal court; in multi-county districts it shall be fixed by the agreement between the county judge/executives with the approval of their fiscal courts. In fixing and approving the salary of the commissioners, the county judge/executive and the fiscal court shall take into consideration the financial condition of the district, and its ability to meet its obligations as they mature.

Section 182. KRS 74.110 is amended to read as follows:

The territorial limits of an established water district may be enlarged or diminished in the following way:

(1) The commission shall file a petition with the county *judge/executive* [court], describing the territory to be annexed or stricken off, and setting out the reasons therefor.

(2) Notice of the petition shall be given. Within thirty (30) days after the notice, any resident of the water district or the territory proposed to be annexed may file objections and exceptions.

(3) The county *judge/executive* [court] shall set the matter for hearing, and if the *county judge/executive* [court] finds that it is reasonably necessary, *he* [the court] shall enter an order annexing or striking off the proposed territory. If the *county judge/executive* [court] finds that the proposed change is unnecessary, *he* [the court] shall dismiss the petition. Either party may appeal *the order* to the circuit court [, where the matter shall be reheard, and from the circuit court to the Court of Appeals in the manner provided by law].

(4) If any of the territory stricken off has been assessed to pay the costs of any improvements, the commission shall strike the assessments from the assessment roll and refund to the respective owners any assessments collected on the land which has been stricken off.

(5) If a deficit is incurred by striking off part of a water district, or by striking assessments from the assessment roll, so that the assessment roll is insufficient to pay the bonded indebtedness of the district, the deficit shall be paid out of the general fund of the district, realized from all other resources in the district.

Section 183. KRS 74.115 is amended to read as follows:

(1) Upon written request of two (2) or more freeholders in a county or counties adjacent to a county containing a water district, the board of commissioners of the district may petition the county *judge/executive* [court] of the adjoining county or counties for addition of proposed territory. The procedure for such extension shall be the same as prescribed in KRS 74.110 and the county judge/executive of the adjoining county may make such order as is therein provided.

(2) Water districts may be established and extended regardless of whether the entire territory of the district is continuous, provided that such territory lies in a county or counties in which the district has been authorized to serve.

Section 184. KRS 74.140 is amended to read as follows:

When the final report is completed and filed, it shall be examined by the *county judge/executive* [court], and if it is found to be sufficient it shall be accepted. If it is not sufficient, it may be referred back to the commission with instructions to secure further information, to be reported at a subsequent date fixed by the *county judge/executive* [court]. When the report is fully completed and accepted by the *county judge/executive* [court], a date not less than twenty (20) days thereafter shall be fixed by the *county judge/executive* [court] for the final hearing upon the report, and notice of the hearing shall be given by publication pursuant to KRS chapter 424. During the time, a copy of the report shall be on file in the office of the *county* clerk [of the county court], and shall be open to the inspection of any landowner or person interested within the district. Any landowner assessed therein may file exception to the report. The *county judge/executive* [court] upon final hearing shall confirm or reject the report.

Section 185. KRS 74.150 is amended to read as follows:

(1) After the classification of the land and the ratio of assessment of the different classes to be made has been confirmed by the *county judge/executive* [court], the commission shall prepare an assessment roll in duplicate, signed by the chairman and secretary of the commission, giving a description of all the land in the water district, the name of the owner, and the amount of assessment against each of the several tracts of land. In preparing this assessment roll the commission shall ascertain the total cost of the improvement, the cost of

the proceedings and all wages paid or to be paid, and the total shall be the amount to be paid by the lands benefited. Attached to this water-assessment roll and filed with it, shall be a statement of all the costs of the work to be done, and five per cent (5%) in addition to meet any unforeseen contingencies. This statement of costs shall also be made in duplicate and signed by the chairman and secretary of the commission. One (1) copy of the assessment roll and statement of costs shall be filed with the *county* clerk [of the county court] in which the proceeding is pending, and he shall then give at least ten (10) days' notice of the time of the hearing on the assessment roll and statement of costs.

(2) At the time fixed for the hearing, the *county judge/executive* [court] shall hear in a summary way all objections to the cost of the improvement, as set out in the statement made by the commission and filed with the assessment roll, and all objections to the assessments of lands therein set forth, and shall enter an order confirming the assessment roll, or directing the commission to change the assessments in accordance with the finding of the *county judge/executive* [court]. The order of the *county judge/executive* [court] confirming or modifying the assessment roll and statement of costs may be appealed from. The *county judge/executive* [court] shall also direct the clerk to certify to the treasurer of the commission a copy of the assessment roll as filed by the commission or changed by the *county judge/executive* [court]. One (1) copy of the assessment roll shall be retained by the clerk and recorded as part of the record.

Section 186. KRS 74.160 is amended to read as follows:

After the assessment roll has been confirmed or modified by the *county judge/executive* [court], if the commission is unable to furnish water to the owner of any land in the district, or if the land in any part of the district is so sparsely populated that in the opinion of the commission water could not be furnished to the owners thereof without incurring an unreasonable burden of additional assessment against the lands or an unreasonable burden of indebtedness against the water district without receiving any corresponding return in the profits realized from the sale of water in the territory, the commission may strike the assessments on land not receiving water from the assessment roll, or may reduce the assessments to conform with the benefits received, and refund to the respective owners any assessments collected that have been stricken off or reduced. After striking or reducing such assessments, the commission shall file a petition with the county *judge/executive* [court] setting out the reasons why the assessments should be stricken off or reduced, with a certified copy of the assessments so stricken off or reduced. The county *judge/executive* [court] shall then set the proceeding for a hearing, and after giving at least ten (10) days' notice of the time of the hearing, the *county judge/executive* [court] shall hear all objections to the order of the commission striking or reducing the assessment, and shall enter an order confirming the action of the commission or directing them to change the assessment roll in accordance with the finding of the *county judge/executive* [court]. The order of the *county judge/executive* [court] confirming or modifying the order of the commission striking off or reducing the assessment may be appealed from. If a deficit is incurred by striking or reducing any assessment so as to make the assessments insufficient to pay any bonded indebtedness of the water district, the deficit shall be paid out of the general fund of the district realized from all other revenues collected or to be collected in the district.

Section 187. KRS 74.190 is amended to read as follows:

(1) Upon the first Monday after an instalment is due, the commission shall meet and ascertain the parties whose instalments are in default and shall within sixty (60) days issue warrants directing the sheriff or other collecting officer to collect the instalments that are in default. The collecting officer shall collect the instalments, with interest due on them and deferred instalments, together with a penalty of six per cent (6%), in the same way state and county taxes are collected, and the collecting officer shall settle with the commission within sixty (60) days from the time the instalments were certified to him.

(2) All lands upon which the instalments have not been collected at the end of sixty (60) days shall be advertised and sold by the collecting officer in the same manner as in the case of state and county taxes. The sale so made shall be subject to the future instalments of the assessments, and at the expiration of ninety (90) days from the date of the original certification of the instalments to the collecting officer, the collecting officer shall make final settlement with the commission and pay to them all the moneys in his hands. If the collecting officer fails to make a settlement, the commission may compel him to make the settlement by order against him issued by the district court, after giving him five (5) days' notice in writing. In case any land is not purchased at the sale, the collecting officer shall bid in the land for the district and in his final settlement with the commission shall take credit therefor. The collecting officer shall certify each of the sales to the county [court] clerk as required in the sale of lands for state and county taxes, and the clerk shall record each sale in a book kept by him. For collecting the assessments certified to him the collecting officer shall be paid by the water commission the same fees allowed him for collecting state and county taxes and in the same manner. For recording the certificate of sale the clerk shall be allowed and paid the same fees allowed him by law for similar work in reference to state and county taxes.

(3) The owner of such real estate, or his representatives, heirs or assigns, shall have the right to redeem the land from the sale as is provided for the redemption of lands sold for state and county taxes, but only upon the same terms and conditions and within the same time as allowed in such case.

Section 188. KRS 74.200 is amended to read as follows:

When the *county judge/executive* [court] has confirmed an assessment for the construction of a water system and the assessment has been modified by a court [of superior jurisdiction], or for some unforeseen cause it cannot be collected, the commission may modify the assessment as originally confirmed to conform to the judgment of the court and to cover any deficit caused by the order of the *county judge/executive* [court] or unforeseen occurrence. The relevy shall be made for the additional sum required, in the same ratio as in the original assessment. In any other case where it is ascertained that the amount assessed against the property in the water district is not sufficient to complete the improvements provided for, such deficit may be paid out of current reserve, or the county *judge/executive* [court] may order a relevy upon the petition of the commission, or any three (3) or more petitioners. The petition must set forth the amount of the deficit, the causes thereof, and the amount necessary to be raised in order to complete the work. The county *judge/executive* [court] shall give notice of the filing and purpose of the petition and fix a time, not less than ten (10) nor more than twenty (20) days from the giving of the notice, when the petition shall be acted upon. If upon hearing the *county judge/executive* [court] finds that the relevy asked for in the petition is necessary in order to complete the work, the *county judge/executive* [court] shall direct such relevy to be made by the commission. The relevy shall be made in the same ratio as the original assessment was made and shall be collected in the same way.

Section 189. KRS 74.361 is amended to read as follows:

(1) The general assembly of the Commonwealth of Kentucky determines as a legislative finding of fact that reduction of the number of operating water districts in the Commonwealth will be in the public interest, in that mergers of such districts will tend to eliminate wasteful duplication of costs and efforts, result in a sounder and more businesslike degree of management, and ultimately result in greater economies, less cost, and a higher degree of service to the general public; and that the public policy favors the merger of water districts wherever feasible.

(2) The public service commission of Kentucky is authorized and empowered to initiate, carry out, and complete such investigations, inquiries, and studies as may be reasonably necessary to determine the advisability as to the merger of water districts. Prior to ordering a hearing with reference to the merger of any water district into one or more additional water districts, the public service commission shall cause to be prepared in writing a feasibility report and study regarding the proposed merger, containing such studies, investigations, facts, historical data, and projections as in the circumstances may be required in order to enable the commission to formulate a proper decision regarding such merger.

(3) Based upon the written report and study required to be made incident to any water district merger, the public service commission may propose by order that a merger of water districts be accomplished, and, upon the issuance of such order, shall give actual notice to all water districts proposed to be merged. Said order shall provide for a formal public hearing to be held before the public service commission on the subject of such proposed merger. Actual notice of such merger hearing shall also be furnished to the county judges */executive* of each county containing a water district proposed to be merged, and each water commissioner of a water district proposed to be merged, and notice of such public hearing shall be afforded to the public served by the respective water districts sought to be merged, by newspaper notice in accordance with the provisions of KRS Chapter 424.

(4) A formal hearing before the public service commission shall be held with reference to such merger proposal, and, upon such occasion, all water districts which are sought to be merged into a single entity shall be afforded the right to appear, to present evidence, to examine all exhibits and testimony, to cross-examine all witnesses, and to submit such memoranda, written evidence, and briefs as may be desired. Such public hearing may be adjourned from time to time by the public service commission, and notice of such adjournments may, but need not, be afforded as with reference to the initial public hearing. At the conclusion of such proceedings, the public service commission shall enter its order, either merging the water districts which are the subject of the merger proceedings into a single water district, or abandoning the merger proposal.

(5) Outstanding obligations of any water district merged in accordance with the provisions of this section which are secured by the right to levy an assessment as provided by KRS 74.130 to 74.230, inclusive, or secured by a pledge of the income and revenues of the systems operated by any such merged water district, shall continue to be retired from such moneys and funds as shall be collected from the users of facilities operated by such merged water districts in the original water district area in accordance with the terms and provisions of the enabling laws and the authorizing resolutions or indentures under which the outstanding obligations were issued, until all such obligations have been retired.

(6) In any order ordering the merger of water districts, the public service commission shall make such additional orders as may be required in connection with the schedule of rates, rentals and charges for services rendered to be levied by the water district which remains in existence following such merger, having due regard to contractual commitments made and entered into by the constituent merged water districts in connection with the issuance of obligations by such districts.

(7) Upon the effective date of any merger of water districts, the water commissioners of the merged water districts shall continue to serve as water commissioners for the remainder of the terms for which they were appointed, and, following the expiration of the terms of such water commissioners, the appropriate county *judge/executive or county judges/executive* [court or county courts] shall appoint and reappoint water commissioners to manage the business and affairs of the resultant water district, in the manner provided by KRS 74.020.

(8) Any order of merger entered by the public service commission in accordance with this section shall be subject to all of the provisions of KRS Chapter 278, with reference to petitions for rehearing, and appeal.

(9) Using the authority of this section the public service commission can also cause mergers of water associations into water associations or mergers of water associations into water districts.

(10) Nothing contained herein shall be construed to prohibit or limit in any respect the acquisition by water utilities subject to the jurisdiction of the commission or by municipally owned water utilities of the assets of water districts or water associations or the merger of water districts or water associations and water utilities subject to the jurisdiction of the commission or municipally owned water utilities.

Section 190. KRS 74.367 is amended to read as follows:

(1) At any time after the organization of a water district, and after approval by the public service commission in a proceeding similar to that provided by KRS 74.015, more than fifty per cent (50%) of the freeholders within the district and a majority of the commissioners of the district may file a petition with the county *judge/executive who* [court which] had jurisdiction over the organization of the district requesting discontinuance of the water district. The petition shall state the reasons for discontinuance and that all obligations of the district have been met and that approval of the public service commission has been obtained.

(2) After giving notice as provided in KRS chapter 424 the county *judge/executive* [court] may conduct such hearings on the petition as may be necessary to assist in making a determination.

(3) If, after hearings on the petition for discontinuance of the district the county *judge/executive* [court] determines that a discontinuance is in the best interest of the residents of the district, the water district shall be dissolved by order of the county *judge/executive* [court] and a copy of the order shall be forwarded to the public service commission.

Section 191. KRS 74.400 is amended to read as follows:

(1) Any county *judge/executive* [court], except in counties containing a city of the first class, upon petition of seventy-five (75) resident freeholders of a water district organized under the provisions of KRS 74.010, may authorize said water district to acquire, develop, maintain, and operate a system for the distribution of gas to the citizens of the county. The petition shall describe the territory intended to be included in the area to be served and shall set out the reasons a gas distribution system is needed.

(2) When the petition is filed, the *county judge/executive* [court] shall give notice of the filing by publication as provided in KRS chapter 424. Within thirty (30) days after the publication, any resident of the district may file objections, and the *county judge/executive* [court] shall set the *matter* [case] for hearing within ten (10) days. If the *county judge/executive* [court] finds the establishment of a gas distributing system by such district reasonably necessary for the public health, convenience, and comfort of the residents, *he* [it] shall make an order authorizing the establishment or acquisition of the gas distributing system.

(3) The *county judge/executive* [court] may in *his* [its] order strike off any part of the territory that the testimony shows will not be benefited by the creation of the distribution system. If the *county judge/executive* [court] does not find that the gas distribution system is necessary *he* [it] shall dismiss the petition. Either party may appeal *the order* to the circuit court [for a retrial, and from the circuit to the Court of Appeals, as provided by law].

Section 192. KRS 74.440 is amended to read as follows:

(1) Upon the adoption of such an ordinance or resolution by the governing body of each such city or water district a certified copy thereof shall be filed with the county *judge/executive* [court] of the county in which the cities or water districts proposing the creation of the commission having the greatest aggregate population are situated and upon such filing the *county judge/executive* [court] shall by appropriate order set a date for a public hearing on the creation of such commission and shall give reasonable notice of such public hearing which notice may be given in the manner as provided by KRS chapter 424. Any resident of the cities or water districts proposing the creation of the commission may file objections and at the public hearing if the *county judge/executive* [court] finds that the establishment of such a commission is reasonably necessary or

advantageous for the public health, convenience and comfort of the residents of all such cities and water districts which proposed the creation of the commission *he* [it] shall make an order establishing the commission and designating it by name which name shall include the words "water commission."

(2) If the *county judge/executive* [court] does not find that the creation of a commission is reasonably necessary or advantageous *he* [it] shall make an appropriate order in this regard. Any party in interest may thereupon appeal *the order* to the circuit court [for a retrial, and from the circuit court to the Court of Appeals as provided by law] or the cities and water districts may revise and readopt such ordinances or resolutions.

Section 193. KRS 74.450 is amended to read as follows:

(1) After the county *judge/executive* [court] has made an order creating a water commission the presiding officer of each of the cities or water districts which proposed the creation of said commission with the approval of the governing body thereof shall appoint one (1) commissioner and if the number of commissioners so appointed by the presiding officers of such cities or water districts shall equal or exceed five (5), then no further commissioners shall be appointed and such commissioners shall be and constitute the water commission.

(2) If the number of commissioners appointed by the presiding officers of such cities or water districts shall be less than five (5), then the county judge/executive *who* [of the county which] entered the order creating the commission shall appoint such additional commissioners to said commission as shall be necessary to make the number of commissioners equal five (5). The commissioners so appointed shall constitute the commission which shall be a public corporation and a public body corporate and politic with the powers and duties specified in KRS 74.420 to 74.520 and which commission shall be a joint agency and instrumentality of the respective cities or water districts represented by said commission. The commission may in its corporate name contract and be contracted with, sue and be sued, adopt and alter at its pleasure a corporate seal and purchase, own, hold and dispose of all real and personal property as may be necessary for carrying out its corporate purpose under KRS 74.420 to 74.520.

(3) The commissioners originally appointed shall meet and select by lot their respective terms of office so that approximately one-third (1/3) of the commissioners shall serve for a term of two (2) years, a like number for a term of three (3) years and the remaining commissioner or commissioners for a term of four (4) years. Such terms shall be deemed to commence from the first day of the month during which the order of the county *judge/executive* [court] creating the commission was entered.

(4) Upon the expiration of the term of office of each of the commissioners a successor shall be appointed to succeed him for a term of four (4) years and such appointment to be made in the same manner as the original appointment.

(5) Each commissioner so appointed shall serve until their successors have been appointed and have qualified. Each commissioner shall be a resident of the cities or water districts which are represented by the commission. However, no person shall be eligible for appointment, if he has held an elective office in the state, any county or city, until one (1) year after the expiration of the term for which he was last elected, and no officer or employe of any city, water district, political subdivision or other public body whether holding a paid or unpaid position shall be eligible for appointment as a commissioner. A commissioner is eligible for reappointment upon the expiration of his term. A vacancy shall be filled for the balance of the unexpired term in the same manner as that prescribed for the appointment of the person who has ceased to hold office. Each commissioner shall receive the same compensation which shall not be more than $500 per year, to be fixed by the commission and to be paid out of commission funds. Each commissioner shall furnish a bond for faithful performance of his official duties. This bond shall not be less than $5,000 and the amount thereof shall be fixed by the commission and its cost shall be paid by the commission.

(6) Each commissioner may be removed by the official by whom he was appointed, for cause, after hearing by the appointing official and after at least ten (10) days' notice in writing shall have been given to such commissioner, which notice shall embrace the charges preferred against him. At the hearing he may be represented by counsel. The finding of the appointing official shall be final and removal results in vacancy in such office.

Section 194. KRS 74.500 is amended to read as follows:

After the creation of a water commission provided for by KRS 74.420 to 74.520 a city or water district which did not participate in the creation of said commission may participate in its operation and appoint a commissioner to serve on said commission in the following manner:

(1) The governing body of such city or water district shall adopt and file *with the county judge/executive who* [in the county court which] entered the order creating said commission an ordinance or resolution electing and requesting that it be permitted to be included in and represented by said commission in the same manner and to the same extent as if said city or water district had originally participated in the creation of said commission.

(2) Upon such filing the *county judge/executive* [court] shall by appropriate order set a date for a public hearing on the inclusion of such a city or water district in said commission, and shall give notice of such public hearing in the manner as provided by KRS 74.440. Any resident of the city or water district at the time represented by said commission, and any resident of the city or water district requesting to be included in and represented by said commission and to participate in its operation, may file objections, and at the public hearing if the *county judge/executive* [court] finds that the inclusion of such city or water district in said commission is reasonably necessary or advantageous for the public health, convenience and comfort of the residents of all cities and water districts represented by said commission, including the city or water district requesting to be included in said commission, and Provided further, That there shall be on file *with the county judge/executive* [at the county court] a resolution adopted by said commission evidencing its willingness to have such city or water district included in and represented by said commission the *county judge/executive* [court] shall make an order authorizing the inclusion of such city or water district in the commission. If the *county judge/executive* [court] does not find that the inclusion of such city or water district is reasonably necessary or advantageous *he* [it] shall make an appropriate order in this regard. Any party in interest may thereupon appeal to the circuit court [for a retrial and from the circuit court to the Court of Appeals as provided by law].

(3) Upon the entering of the order by the county *judge/executive* [court] authorizing the inclusion of such city or water district in said commission the number of commissioners, if any, to be appointed to said commission by the county *judge/executive* [court] shall be reduced by one (1) and the presiding officer, with the approval of the governing body of the city or water district which shall by virtue of said proceedings be included in and represented by said commission, shall appoint a commissioner whose term shall begin at the expiration of the term of the commissioner appointed by the county *judge/executive* [court] whose term shall first expire. In the event there is no commissioner on said commission appointed by the county *judge/executive* [court] the term of the commissioner appointed by the presiding officer of such city or water district shall be fixed so that the terms of approximately one-third (1/3) of the commissioners will expire in each year.

Section 195. KRS 75.010 is amended to read as follows:

(1) A petition for the establishment of a fire protection district or a volunteer fire department district signed by at least fifty-one per cent (51%) of the voters, as determined by the registration books covering the territory, and living within the boundary of the proposed fire protection district or volunteer fire department district may be filed in the county [court] clerk's office of the county in which the greater part of the territory is located. The petition shall set out the metes and bounds of the proposed fire protection district or volunteer fire department district, the number of voters thereof, and other facts thought proper. Notice of the filing of the petition, the object thereof, and the date set for a hearing thereon shall be given by publication pursuant to KRS chapter 424, and by notices posted for at least ten (10) days prior to the hearing, one (1) at the courthouse door, and three (3) others at public places within the bounds of the proposed fire protection district or volunteer fire department district. On the day provided for in the notice, the *county judge/executive* [court] shall, if the proper notice has been given and publication made, and no written objection or remonstrance is interposed, enter an order establishing a fire protection district or a volunteer fire department district in accordance with the prayer of the petition, naming it, and describing the boundary thereof by metes and bounds. Objection or remonstrance may be made to the petition by any inhabitant of the proposed fire protection district or a volunteer fire department district, or any person owning property therein, and if objection or remonstrance is made, the *county judge/executive* [court] shall hear and determine the same, and enter an order establishing, or refusing to establish the fire protection district or volunteer fire department district as may seem proper. Any aggrieved person may *appeal the order* [bring an action] in circuit court [to contest the decision] of the county *judge/executive* [court].

(2) In no event shall any fire protection district or any volunteer fire department district include within its metes and bounds any territory at that time or thereafter included in any city of this Commonwealth which maintains a "regular fire department," and which city has paid its proportionate share of the indebtedness incurred while such territory was a part of that district.

Section 196. KRS 75.020 is amended to read as follows:

(1) The territorial limits of an established fire protection district, or a volunteer fire department district, as established under KRS 75.010 to 75.080, may be enlarged or diminished in the following way: The trustees of the fire protection district or of the volunteer fire department districts shall file a petition in the county [court] clerk's office of the county in which that district and the territory to be annexed or stricken off, or the greater part thereof, is located, describing the territory to be annexed or stricken and setting out the reasons therefor. Notice of the filing of such petition shall be given by publication and posting in the same manner as provided for in KRS 75.010. On the day fixed in the notice, the *county judge/executive* [court] shall, if the proper notice has been given, and the publication made, and no written objection or remonstrance is

interposed enter an order annexing or striking off the territory described in the petition. Fifty-one per cent (51%) or more of the freeholders of the territory sought to be annexed or stricken off may, at any time before the date fixed in the notice, remonstrate in writing, filed in the clerk's office, to the action proposed. If such written remonstrance be filed said clerk shall promptly give notice to the trustees of the fire protection district, or of the volunteer fire department district, and the *county judge/executive* [court] shall hear and determine the same. If upon such hearing, the *county judge/executive* [court] finds from the evidence that a failure to annex or strike off such territory will materially retard the functioning of the fire protection district or the volunteer fire department district and materially affect adversely the owners and the inhabitants of the territory sought to be annexed or stricken off, *he* [it] shall enter an order, granting the annexation or striking off the territory. In the latter event, no new petition to annex or strike off all or any part of the same territory shall be entertained for a period of two (2) years. Any aggrieved person may bring an action in circuit court to contest the decision of the county *judge/executive* [court].

(2) The property in any territory annexed to a fire protection district or to a volunteer fire department district shall not be liable to taxation for the purpose of paying any indebtedness incurred by the fire protection district or the volunteer fire department district prior to the date of the annexation of such territory, except such indebtedness as represents balance owing on purchase price of fire fighting equipment. The property in any territory stricken off from a fire protection district or a volunteer fire department district by the incorporation of or annexation by a city of this Commonwealth shall not be relieved of liability of such taxes as may be necessary to pay its proportionate share of the indebtedness incurred while such territory was a part of that district. Territories stricken by action of the *county judge/executive* [court] under the provisions of subsection (1) shall be relieved of liability for all indebtedness incurred by the fire protection district or the volunteer fire department district.

(3) Any city that maintains a "regular fire department," and has either by incorporation or annexation caused property to be stricken from a fire protection district or a volunteer fire department district, may assume the liability of such taxes as may be necessary to pay the proportional share of the indebtedness incurred while such territory was a part of said district.

Section 197. KRS 75.255 is amended to read as follows:

(1) At the end of each fiscal year, the board of trustees of fire protection districts and volunteer fire department districts shall employ a certified public accountant to audit the books and records of the district. The certified public accountant selected shall have no personal interest in the financial affairs of the board of trustees or in the financial affairs of the officers or employes of the district.

(2) Immediately upon completion of each audit, the accountant shall prepare a report of his findings and recommendations. Two copies of this report shall be transmitted to the board of trustees and one copy shall be transmitted to each county [court] clerk within the fire protection or volunteer fire department district for the purpose of having the audit as part of the public records which shall, be open for public inspection. A copy shall be posted for not less than thirty days.

(3) The actual expense of the audit report and the expense of the audit conducted shall be paid from the funds of the fire protection or volunteer fire department district.

(4) Fire protection and volunteer fire department districts not exercising their taxing authority pursuant to KRS 75.040 shall be exempt from the provisions of this section.

(5) This section shall not relieve any fire protection or volunteer fire department district from complying with the provisions of KRS 424.220.

Section 198. KRS 76.241 is amended to read as follows:

(1) The district may establish a construction subdistrict when twenty-five per cent (25%) or more of the freeholders of land sought to be included in the construction subdistrict file their petition with the district. The petition shall describe the territory intended to be included in the construction subdistrict and the sewer and drainage conditions and facilities existing in this territory. The territory of the construction subdistrict may be noncontiguous to other territory of the district. Tenants in common, joint tenants with or without right of survivorship, and tenants by the entireties shall be deemed one (1) freeholder or property owner.

(2) When the petition is filed with the district, said district shall give notice of the filing by publication pursuant to KRS chapter 424. Within thirty (30) days after the publication, any resident or freeholder of the proposed construction subdistrict may file objections and the district shall set the case for hearing within thirty (30) days. If the district finds that the establishment of the construction subdistrict is reasonably necessary for the public health, convenience and comfort of the residents of the subdistrict, it shall make an order establishing the construction subdistrict and designating it by name and number.

(3) If the district finds that the construction subdistrict is not necessary, it may dismiss the petition. If the district finds that any part of the proposed territory will not be benefited, it may strike such part. If the district strikes a certain portion of the area, the signature of the freeholders of that portion shall not be counted in determining whether the necessary twenty-five per cent (25%) have petitioned for the creation of

the subdistrict. A copy of the order of the board establishing a construction subdistrict shall be published in accordance with KRS chapter 424.

(4) An order of the district rejecting or dismissing the petition shall be deemed a final order of the district appealable to the circuit court under the procedure set forth in KRS 76.247 within sixty (60) days. Appeals to the circuit court from the order establishing a construction subdistrict or striking or refusing to strike any territory from a construction subdistrict shall be made only as provided in KRS 76.247 and only after following the procedures required in KRS 76.247.

(5) In the event the owner or owners of all property or properties proposed to be included within the territorial boundaries of a construction subdistrict shall tender to the district their written request or requests that the district proceed immediately with the creation of a construction subdistrict, and the construction and installation therein of sewer facilities as provided in KRS 76.241 to 76.273, inclusive, and shall unqualifiedly waive all formalities and substantive rights contained in:

(a) KRS 76.241, concerning the affording of notice as to creation of a construction subdistrict, the time for filing objections to the creation thereof, and the time for appealing from an order establishing a construction subdistrict;

(b) KRS 76.243, concerning the affording of notice as to proposed assessments; and

(c) KRS 76.246, concerning the holding of a public hearing, and permitting litigation following the making and publication of an order concerning the construction plan in general.

(6) The district may thereupon make and publish an order creating such construction subdistrict, and its order as provided in KRS 76.246 (2), without further action being required, and may thereupon proceed to carry out said plan for improvements without further recourse to said identified statutory provisions and formalities; but in all such instances the written request or requests of the owner or owners of all properties proposed to be included within the territorial boundaries of such construction subdistrict shall be in recordable form and shall be recorded in the office of the *county* clerk [of the county court] of the county wherein the properties are situated, and said clerk is authorized to record such instruments as in the case of mortgages and may charge and receive fees therefor as in the case of mortgages. Each resolution of the district, by which an improvement is undertaken according to this section, shall contain a recitation of the receiving of written requests and waivers from the owners of all properties included within the territorial boundaries of the construction subdistrict. In the event the district proceeds pursuant to KRS chapter 107, as authorized by KRS 76.251, the lien for which provision is made in KRS 107.160 shall attach upon publication of the resolution (equivalent to the "third ordinance") which authorizes issuance of improvement assessment bonds.

Section 199. KRS 76.261 is amended to read as follows:

(1) The holders in aggregate principal amount of twenty per cent (20%) of any class of construction subdistrict bonds authorized by KRS 76.254 may ex parte move a judge of the circuit court of the county containing the construction subdistrict to appoint a trustee to represent all of the holders of the same class of bonds when the facts described in paragraph (b) of subsection (2) have occurred.

(2) The judge shall appoint a trustee (which may be corporate) upon a showing that:

(a) movants in fact are holders of twenty per cent (20%) or more of the aggregate principal amount of the affected class of the bonds;

(b) movants claim that there has been a default exceeding thirty (30) days in the payment of interest or principal on the bonds, that the district has failed to comply with the provisions of KRS 76.005 to 76.281 relating to construction subdistrict bonds, or that the district has breached a contract with the holders of the bonds; and

(c) movants have filed in the office of the county [court] clerk of the county containing the district an instrument in the nature of a notice of action against the district which instrument states that movants have applied to have a trustee appointed pursuant to this section and which names the affected construction subdistrict.

(3) The trustee may, or upon written request of any twenty per cent (20%) in aggregate principal amount of his bondholder beneficiaries shall, file an action in his name against the district; the action shall seek all remedies, including but not limited to mandamus, prohibition, judgment against a special fund or funds, injunction, and declaratory judgment, needed to preserve and enforce the rights of the bondholders. The action shall be filed in the circuit court of the county containing the district.

(4) The rights of bondholders include, but are not limited to, the right to:

(a) require the district to collect from the construction subdistrict rates, rentals, and charges adequate to pay principal and interest on the bonds;

(b) require the district to perform all lawful agreements with the bondholders;

(c) require the district to account to the bondholders as if it were trustee of an express trust for their benefit;

(d) have the district enjoined from doing any acts or things which may be unlawful or in violation of the rights of the bondholders;

(e) have all bonds of the affected class declared due and payable.

(5) Any trustee, whether or not all bonds have been declared due and payable, shall be entitled as of right, upon application to the circuit court, to the appointment of a receiver, who may enter upon and take possession of the construction subdistrict facilities, or any part thereof, and operate and maintain the same, and collect and receive all rentals, rates, other charges, and revenues of the construction subdistrict payable after commencement of the receivership. The receiver shall deposit such moneys in a separate account and apply them as the court directs. In any suit, action, or proceeding, by the trustee, the fees, counsel fees, and expenses of the trustee and of the receiver, if any, shall constitute disbursements taxable as costs. All costs and disbursements allowed by the court shall be a first charge on any revenue derived from the construction subdistrict facilities. Such trustee shall, in addition to the foregoing, have and possess all the powers necessary or appropriate for the exercise of any functions specifically set forth herein or incident to the general representation of the bondholders in the enforcement and protection of their rights.

Section 200. KRS 76.268 is amended to read as follows:

Annexation to subdistricts may be accomplished by any of the following procedures, as the board may elect:

(1)(a) After the creation of a construction subdistrict under the provisions of KRS 76.241 to 76.246, the board may, if it deems it advisable, use the authority and procedures granted to sanitation districts by KRS 220.535 to 220.537 to annex territory to a subdistrict, the words "board of directors" being read as "metropolitan sewer district board."

(b) Language in KRS 220.535 limiting the powers of annexation to a sanitation district in a county not containing a city of the first class, shall not be applicable to a metropolitan sewer district which might use this method of annexation to a construction subdistrict even if it is located in a county containing a city of the first class, and the director of sanitary engineering of the department of health shall function in regard to annexation by it in the same manner and under the same procedures, as set out in KRS 220.535 to 220.537, as he would in his capacity as commissioner of sanitation districts for any sanitation district.

(2) After the creation of a construction subdistrict under the provisions of KRS 76.241 to 76.246, the board may annex any area, contiguous or noncontiguous, subject to the limitations of KRS 76.242, to the construction subdistrict by making a preliminary order describing the area to be annexed and causing said order to be published pursuant to KRS chapter 424. The notice so published shall state that objections in writing to the proposed annexation may be filed with the district within thirty (30) days of the date of said notice. The district shall examine and hear all such complaints. It may modify or amend the areas proposed to be annexed; and it shall make a final order, within sixty (60) days of the date of publication of said notice, describing the areas to be annexed and shall cause the same to be published, pursuant to KRS chapter 424. A freeholder of land within the area proposed to be annexed may appeal such final order in the manner described in KRS 76.247. In referring to KRS 76.247, this section is not intended to provide for de novo trial.

(3) In the event the owner or owners of all the property or properties proposed to be annexed to a construction subdistrict shall tender to the district their written request or requests that the district proceed immediately with the annexation of said property or properties, and shall unqualifiedly waive all formalities and substantive rights contained in subsection (2) of this section, the district may thereupon make and publish a final order annexing said property or properties to the construction subdistrict. Said order shall contain a recitation of the receiving of waivers from the owners of all properties to be annexed thereunder. Provided, however, That in all such instances the written request or requests of the owner or owners of all properties proposed to be annexed to a construction subdistrict shall be in recordable form and shall be recorded in the office of the *county* clerk [of the county court] of the county wherein the property is located; and said clerk is authorized to record such instruments as in the case of mortgages and may charge and receive fees therefor as in the case of mortgages.

(4) The provisions of subsections (1), (2) and (3) of this section shall not repeal or reduce any existing rights or duties of metropolitan sewer districts, but shall constitute merely a procedure for annexation to construction subdistricts by a metropolitan sewer district.

Section 201. KRS 76.276 is amended to read as follows:

Whenever by resolution of the fiscal court acting upon its own initiative or upon petition from the metropolitan sewer district, it is declared for the best interests of such county and the inhabitants thereof that such sanitation tax district or districts be created under the provisions of KRS 76.005 to 76.281, the fiscal court of such county shall file a certified copy of such resolution with the county [court] clerk [of the county]. The county judge/executive shall notify the board of the sanitation tax district of the receipt of the petition or of the suspension of the resolution or both. If the resolution is not repealed by the board, the board shall submit to the voters of the area to be taxed, at a regularly scheduled election or at an election held for that purpose, the question as to whether the tax shall be levied. The question shall be so framed that the voter may by his vote answer "for" or "against." Section 223. KRS 96.820 is amended to read as follows:

(1) For the purposes of this section, unless the context requires otherwise:

(a) "Taxing jurisdiction" shall mean each county, each school district, each municipality, and each other special taxing district located within the state.

(b) "State" shall mean the Commonwealth of Kentucky.

(c) "Tax equivalent" shall mean the amount in lieu of taxes computed according to this section which is required to be paid by each board to the state and to each taxing jurisdiction in which the board operates and required by subsection (11) of KRS 96.570 to be included in resale rates.

(d) "Tax year" shall mean the twelve-calendar-month period ending with December 31.

(e) "Current tax rate" shall mean the actual levied ad valorem property tax rate of the state and of each taxing jurisdiction which is applicable to all property of the same class as a board's property subject to taxation for the tax year involved.

(f) "Book value of property" or "book value of property owned by the board" shall mean the sum of

1. The orginal cost (less reasonable depreciation or retirement reserve) of a board's electric plant in service on December 31 of the immediately preceding calendar year located within the state, used and held for use in the transmission, distribution, and generation of electric energy, and

2. The cost of the material and supplies owned by a board on December 31 of the immediately preceding calendar year. For the purpose of this definition, "electric plant in service" shall mean those items included in the "electric plant in service" account prescribed by the federal power commission uniform system of accounts for electric utilities, and "material and supplies" shall mean those items included in the accounts grouped under the heading "material and supplies" in the said system of accounts.

(g) "Adjusted book value of property" or "adjusted book value of property owned by the board" shall mean the book value of property owned by the board excluding manufacturing machinery as interpreted by the department of revenue for franchise tax determination purposes.

For each tax year thereafter, it shall be the duty of the department of revenue to compute the adjustment factor for that tax year as follows: For each 5 percentage points or major fraction thereof by which the adjustment ratio for electric utility property for the immediately preceding tax year exceeded or was less than 116 per cent, 5 percentage points shall be added to or subtracted from 125 per cent. For the purposes of this computation, "adjustment ratio for electric utility property" shall mean the ratio of total assessed value to total property value for all public service corporations distributing electric energy to more than 50,000 retail electric customers within the state. "Total assessed value" shall mean the total actual cash value assigned by the department of revenue for ad valorem property tax purposes to the property of such corporations located within the state (properly adjusted for property under construction). "Total property value" shall mean the sum of

1. The depreciated original cost of the total utility plant in service of such corporations within the state, and

(2) It shall be the duty of each board, on or before April 29, 1970, and on or before March 31 of each succeeding tax year, to certify to the department of revenue the book value of property owned by the board

and the adjusted book value of property owned by the board and located within the state and within each taxing jurisdiction in which the board operates. A copy of such certification shall also be sent by the board to each such taxing jurisdiction. Said book value of property and adjusted book value of property shall be determined, and the books and records of the board shall be kept in accordance with standard accounting practices, and the books and records of each board shall be subject to inspection by the department of revenue and by representatives of the affected taxing jurisdictions and to adjustment by the department of revenue if found not to comply with the provisions of this sentence. Upon the receipt of the required certification from a board, the department of revenue shall make such inspection and adjustment, hereinabove authorized, as it deems necessary, and no earlier than September 1 of each year the department of revenue shall certify to the board and to the county [court] clerk of each county in which the board operates the book value of property owned by the board and the adjusted book value of property owned by the board, located within each taxing jurisdiction in which the board operates and within the state. At the same time, the department of revenue shall certify to the board and to the said county [court] clerk the adjustment factor for the tax year. The said county [court] clerk shall promptly certify the book value of property, the adjusted book value of property, and the adjustment factor certified by the department of revenue, to the respective taxing jurisdiction in which the board operates.

(3)(a) Each board shall pay for each tax year, beginning with the tax year 1970, to the state and to each taxing jurisdiction in which the board operates, a tax equivalent from the revenues derived from the board's electric operations for that tax year, computed according to this subsection.

(b) The tax equivalent for each tax year payable to the state shall be the total of

1. The book value of the property owned by the board within the state, multiplied by the adjustment factor, multiplied by the current tax rate of the state, plus

2. The state's portion of the amount payable under paragraph (d) of this subsection.

(c) The tax equivalent for each tax year payable to each taxing jurisdiction in which the board operates shall be the total of

1. The adjusted book value of property owned by the board within the taxing jurisdiction, multiplied by the adjustment factor, multiplied by the current tax rate of the taxing jurisdiction, plus

2. The taxing jurisdiction's portion of the amount payable under paragraph (d) of this subsection.

(d) For purposes of this subsection, "amount payable" shall mean four-tenths of one per cent (.4%) of the book value of property owned by the board located within the state. The state shall be paid the same proportion of the amount payable as the payment to the state under subparagraph 1 of paragraph (b) of this subsection represents of the total payments to the state and all taxing jurisdictions in which the board operates required by subparagraph 1 of paragraph (b) and subparagraph 1 of paragraph (c) of this subsection. Each taxing jurisdiction in which the board operates shall be paid the same proportion of the amount payable as the payment to the taxing jurisdiction under subparagraph 1 of paragraph (c) of this subsection represents of the total payments to the state and all taxing jurisdictions in which the board operates required by subparagraph 1 of paragraph (b) and subparagraph 1 of paragraph (c) of this subsection. Under such regulations as the department of revenue may prescribe, upon the board's receipt from the state and taxing jurisdictions of notice of the amount due under subparagraph 1 of paragraph (b) and subparagraph 1 of paragraph (c) of this subsection, the board shall compute the portion of the amount payable which is due the state and each taxing jurisdiction in which the board operates.

(e) Payment of the tax equivalent under this section for each tax year shall be made by each board to the state within thirty (30) days after receipt by the board of the certification from the department of revenue required by subsection (2) of this section and shall be made directly to each taxing jurisdiction in which the board operates within thirty (30) days from the date of the certifications by the county [court] clerk required by subsection (2) of this section. The state and each taxing jurisdiction in which a board operates shall have a superior lien upon the proceeds of the sale of electric energy by that board for the amounts required by this section to be paid to it.

(4) Except as hereinafter provided the tax equivalents computed under this section shall be in lieu of all state, municipal, county, school district, special taxing district, other taxing district, and other state and local taxes or charges on the tangible and intangible property, the income, franchises, rights, and resources of every kind and description of any municipal electric system operating under KRS 96.550 to 96.900 and on the electric operations of any board established pursuant thereto, and the tax equivalent for any tax year computed and payable under this section to the state or to any taxing jurisdiction in which any board operates shall be reduced by the aggregate amount of any tax or charge within the meaning of this sentence which is imposed by the state, or by any taxing jurisdiction in which a board operates, on the board, the electric system, or the board's electric operations. Provided, however, that if any school district in which property of a board is located has elected, or does hereafter elect, to apply the utility gross receipts license tax for schools to all utility services as provided by KRS 160.613 through KRS 160.617, or as may hereafter be provided by other statutes, the amount of such utility gross receipts license tax shall not reduce, or in any manner affect, the amount payable to any such board or boards under the provisions of this section. It is the intent and purpose

of this provision to eliminate all sums received by any such board or boards by reason of the utility gross receipts license tax from any computation of the amount payable under this section to any such board or boards, irrespective of the manner in which such payment is computed, so that, in no event, shall any sum received by any school district by reason of the utility gross receipts license tax reduce, directly or indirectly, the amount payable to such district under this chapter. Provided, further, That if the state shall levy a statewide retail sales or use tax on electric power or energy, collected by retailers of such energy from the vendees or users thereof, and imposed at the same rate or rates as are generally applicable to the sale or use of personal property or services, including natural or artificial gas, fuel oil, and coal as well as electric power or energy, such retail sales or use tax shall not be deemed to be a tax or charge within the meaning of the first sentence of this subsection, and the tax equivalent payable for the tax year to the state under this section shall not be reduced on account of such retail sales or use tax.

(5)(a) Notwithstanding subsection (3) of this section, until the first tax year in which the total of

1. The tax equivalent payable to the state, or to any taxing jurisdiction in which the board operates, computed under subsection (3) of this section, plus

2. The additional amounts permitted to be paid to the state or taxing jurisdiction without deduction under the second and third sentences of subsection (4) of this section, exceeds the minimum payment to the state or taxing jurisdiction specified in paragraph (b) of this subsection, the tax equivalent for each tax year payable to the state or taxing jurisdiction shall be an amount equal to the minimum payment computed under paragraph (b) of this subsection.

(b) For purposes of this subsection, the minimum payment to the state or to any taxing jurisdiction in which the board operates shall mean an amount equal to the total of

1. The largest actual payment made by the board pursuant to KRS 96.820 to the state or to the taxing jurisdiction for any of the tax years 1964, 1965, or 1966, plus

2. The state's or taxing jurisdiction's pro rata share of an amount equal to four-tenths of one per cent (.4%) of the increase since July 1, 1964, in the book value of property owned by the board within the state. For the purposes of this paragraph "pro rata share" shall mean the same proportion of the amount computed under subparagraph 2. of this paragraph as the largest actual payment in lieu of taxes made by the board to the state or taxing jurisdiction for the applicable tax year under subparagraph 1. of this paragraph represents of the total amount of the largest actual payments in lieu of taxes made by the board to the state and to all taxing jurisdictions in which it operated for any of such applicable tax years.

(c) The provisions of paragraph (e) of subsection (3) of this section shall apply to all payments required under this subsection.

(d) This subsection shall not be applicable for the first tax year specified in paragraph (a) of this subsection or for any tax year thereafter.

(6) The general assembly hereby recognizes that a dispute has arisen concerning the validity, terms, and effects of the amendments to KRS 96.820 in the 1968 regular session of the general assembly and that this dispute has resulted in litigation concerning tax equivalents due for the tax years 1968 and 1969.

(7) The general assembly hereby declares its intention that any taxing jurisdiction and any board, whether or not a party to such litigation, may enter into a binding compromise settlement agreement under which the board may pay and the taxing jurisdiction may accept in full discharge of the board's tax equivalent payment obligations for each of the tax years 1968 and 1969 such amount as they may agree upon, not less than the payment made by the board to the taxing jurisdiction for the tax year 1965, and not more than 120 per cent of the largest payment made by the board to the taxing jurisdiction for any one (1) of the tax years 1964, 1965, or 1966. All amounts heretofore paid for the tax years 1968 and 1969 by the respective boards shall be credited against and deducted from the amounts payable under any such agreements.

Section 224. KRS 96.919 is amended to read as follows:

The first ordinance shall be published pursuant to KRS chapter 424. A certified copy of the first ordinance shall be delivered to the county judge/executive or county [court] clerk of each county in which any area affected by the ordinance outside the city may be situated, and the county judge/executive, or county [court] clerk, shall, upon receiving the same, cause it to be posted at the county courthouse door, as in the case of notices of judicial sales of real property.

All ad valorem tax receipts, occupational tax receipts and public transportation sales tax receipts derived in respect of any such elections shall be collected or received by the proper public officials of such county or counties statutorily responsible for such collection or receipt, and shall pending disbursement be held in a separate and special trust fund identified as the mass transit trust fund to be used solely and only for purposes of the mass transportation program approved by the electorate of such transit area, as hereinafter provided. The lien shall continue until it is satisfied, or becomes unenforceable.

(2) The lien shall not be effectual as against any mortgage, purchaser, or judgment creditor without actual notice until notice thereof has been filed by the director of public welfare of the city in the office of the *county* clerk [of the county court] of the county in which the property is located. Such notice shall be filed by the director of public welfare in those cases in which it is discovered that the recipient has sufficient real estate to justify the filing of such a notice.

(3) The director of public welfare shall file an adequate notice of the existence of the lien provided for by this section which notice shall not specify the amount of assistance paid but the director of public welfare shall furnish to any authorized person upon proper request the total amount of the lien as of the date of the inquiry.

(5) The clerk shall be entitled to a fee of one dollar ($1.00) for filing and indexing the lien. The department of public welfare of the city shall pay the fee but the fee shall become a part of the lien as an added cost to the recipient to be recovered at the time a lien is satisfied.

(8) Any claim under KRS 98.011 to 98.014 may be precipitated and the lien provided by this section may be enforceable during the lifetime of any person who has received general assistance in order to recover any amount obtained as a result of such person knowingly making a false statement or representation or knowingly failing to disclose a fact to procure, increase, or continue any material benefit for himself.

The commissioner shall certify his act to the county [court] clerk of each county in which any part of the district is located, and to the secretary of state, each of whom shall record the certificate as articles of incorporation. The commissioner shall also certify his act to the county judge/executive of each county in which any part of the district is located. The district shall then be a political subdivision and shall have perpetual existence, with power to sue and be sued, contract and be contracted with, incur liabilities and obligations, exercise the right of eminent domain, assess, tax, issue bonds, and do and perform all acts expressly authorized in KRS 104.450 to 104.680 and all acts necessary and proper for the carrying out of the purpose for which the district was created, and for executing the powers with which it is invested.

Section 233. KRS 104.570 is amended to read as follows:

The commissioner shall designate in the certificate the place where the office of the district shall be located, which shall be within the corporate limits of the district if practicable. The place may be changed by the board of directors of the district from time to time, by the certification of the change to the county [court] clerk of each county in which the district is located and the notation thereof on the records of the clerk. The records of the district shall have "Flood Control District Records" printed, stamped or written thereon. They shall be kept at the office and shall be open to inspection as are the records of the fiscal court.

Section 234. KRS 104.590 is amended to read as follows:

(1) Each director, before entering upon his official duties, shall take and subscribe to an oath that he will honestly, faithfully and impartially perform the duties of his office, and that he will not be interested in any contract let for the purpose of carrying out any of the provisions of KRS 104.450 to 104.680. The oath shall be filed with the clerk of the county [court] of the county represented by the director or of the county in which is located the city represented by the director.

(2) Each director shall give a good and sufficient bond, to be approved by the officer appointing him, for the faithful and honest performance of his duties and as security for all moneys coming into his hands or under his control. The cost of the bond shall be paid by the district.

Section 235. KRS 104.670 is amended to read as follows:

The board of directors, as soon as duly appointed and qualified, may levy an annual tax of not more than fifteen cents (15¢) upon each one hundred dollars ($100) of assessed valuation of property within the district. This tax shall be certified to the county clerks of the various counties and by them to the respective treasurers of their counties. The tax shall be based upon the last preceding assessment for state and county purposes, its collection shall conform to the collection of taxes for counties, and it shall constitute a lien against the property subordinate only to state, county and city ad valorem taxes, and the same provisions concerning the collection of delinquent taxes for counties shall apply. The tax shall be added by the county clerk, as a separate item, to the next state and county tax bill following the levy of the tax by the board of directors, and shall be collected concurrently with the state and county taxes. Neither the property valuation administrator nor the county [court] clerk shall be entitled to any additional compensation for services rendered in connection with the listing of property for taxation nor shall the sheriff receive any additional compensation for the collection of the tax.

Section 236. KRS 107.085 is amended to read as follows:

In the event the owner or owners of all property or properties which will be subject to assessment for an improvement proposed to be undertaken shall tender to the city their written request or requests, that the improvement be undertaken and financed according to KRS 107.010 to 107.220, and shall waive the formalities of the "First Ordinance," the holding of a public hearing, the "Second Ordinance," and the provisions of KRS 107.060, permitting litigation; the governing body may, in its discretion, dispense with all of said proceedings and formalities, and may proceed as provided in KRS 107.090 with reference to the "Third Ordinance"; but in all such instances, the written requests of the owners of all properties which will be subject to assessment shall be in recordable form and shall be recorded in the office of the *county* clerk [of the county court] of the county wherein the respective properties may be situated, and said clerk is authorized to record such instruments as in the case of mortgages, and may charge and receive fees therefor as in the case of mortgages. Each ordinance by which an improvement is undertaken according to this section shall contain a recitation of the receiving of written requests and waivers from the owners of all properties which will be subject to assessment for each such improvement. In such instances the lien for which provision is made in KRS 107.160 shall attach upon publication of the ordinance (equivalent to the "Third Ordinance") which authorizes issuance of the improvement assessment bonds.

Section 237. KRS 107.160 is amended to read as follows:

Each annual improvement assessment, including an initial levy payable on a lump sum or cash basis, with any penalty or interest incident to the nonpayment thereof, shall constitute a lien upon the lot or parcel of benefited property against which it is assessed. The lien shall attach to each lot or parcel of benefited property as the same is described by the owner's deed of record in the county [court] clerk's office at the time of the publication of the first ordinance, as herein provided, and thereupon shall take precedence over all other liens, whether created prior to or subsequent to the publication of said ordinance, except state and county taxes, general municipal taxes, and prior improvement taxes and shall not be defeated or postponed by any private or judicial sale, by any mortgage, or by any error or mistake in the description of the property or in the names of the owners. No error in the proceedings of the governing body shall exempt any benefited property from the lien for the improvement assessment, or from the payment thereof, or from the penalties or interest thereon, as herein provided. No error in the proceedings of the governing body shall exempt any property from liability for payment of any annual improvement assessment, or for any interest or penalty incident to nonpayment thereof. The city's governing body, or any court of competent jurisdiction, shall have power to make such rules and orders as may be required to do justice to all parties.

Section 238. KRS 107.320 is amended to read as follows:

The county *judge/executive* [court] of any county containing a first or second class city, may establish a community improvement district in said county for the purpose of erecting buildings and related facilities for any governmental unit, or combination of governmental units, in the county. Any community improvement district so created shall include all of the territory in the county, including the area of incorporated cities, and shall be designated the "County Community Improvement District" (hereinafter called the "district"). The district shall constitute a public body corporate, with perpetual succession and power in its name to contract and be contracted with, sue and be sued, adopt bylaws, have and use a corporate seal, and exercise all of the powers granted to public nonprofit corporations generally by KRS Chapter 273, except such powers as may be inconsistent with specific provisions of KRS 107.310 to 107.500.

Section 239. KRS 107.360 is amended to read as follows:

(1) Prior to or concurrently with the adoption by the board of a resolution requesting the fiscal court to levy an ad valorem tax, the board shall have determined the nature and approximate cost of the project or projects to be financed through the issuance of bonds (whether revenue or general obligation bonds) to be retired through the levy of the tax. In determining the nature of a project the board may include more than one improvement item in a single project. The resolution designating the project or projects and the estimated and approximate cost of each, shall be forwarded to the fiscal court, which shall thereafter, on behalf of the district, cause said resolution to be published in the newspaper of bona fide circulation as provided in KRS 424.130. Thereafter the fiscal court shall cause to be prepared a question for submission to the voters of the district at the next regularly scheduled November election as to whether or not the project, or any one or more projects if there be more than one, shall be disapproved. The question shall be so framed that any voter who wishes to vote for the project, or for any project designated as a single project if there be more than one project, may signify his approval by voting "yes", and any voter who wishes to vote against any project so designated may do so by voting "no" on the question of that project. If a majority of those voting on the question of any project shall approve the particular project, that project shall be adopted, and the board shall proceed to initiate issuance of the authorized bonds as provided in KRS 107.310 to 107.500. The *county* clerk [of the county court] shall cause such question to appear on the ballots or voting machine slips used, and the election results shall be canvassed and certified by the county board of election commissioners.

(2) If the project is approved as herein provided, the tax necessary to finance the approved project shall be computed by the board and transmitted to the fiscal court, which shall levy the tax as provided in KRS 107.350. Nothing in KRS 107.310 to 107.500 shall be deemed to require the fiscal court to levy a tax in any year unless general obligation bonds have been issued as provided in KRS 107.460, and then only to the extent of requirements for amortization of such bonds.

Section 240. KRS 108.050 is amended to read as follows:

(1) The question of the establishment of an urban services district shall be submitted to the voters of the district if a petition bearing the signatures of the number of registered voters of the area to be embraced within the district equal to at least ten per cent (10%) of the vote cast for county judge/executive in that district at the last election is filed with the county *judge/executive* [court]. After June 18, 1964, the county *judge/executive* [court] shall not receive or consider a petition for the creation of a district which would contain less than ten (10) square miles of area. The election on creation of the district shall be held at the next regular election if the petition is filed at least ninety (90) days prior to the date for the regular election. The petition shall state that establishment of the district is being sought pursuant to this chapter, shall state the official name by which the district shall be known, and shall prescribe the territory intended to be included in the district.

(2) If the county *judge/executive* [court] finds the petition is in proper order and the creation of the district will be in accordance with this chapter, a certified copy of the order of the county *judge/executive*

[court] directing that the question be submitted to a vote shall be filed with the county [court] clerk at least forty-five (45) days prior to the next regular election. The county [court] clerk shall give notice of the petition by publication pursuant to KRS chapter 424. The county [court] clerk shall cause the question to be submitted to a vote at the election. The question shall be in the following form: "Are you in favor of establishing .... (name of district) as an urban services district"? If a majority of those voting on the question vote in the affirmative, the district shall be established. The cost of the election shall be paid by the fiscal court.

(3) The governor shall, immediately upon certification that the district has been established, appoint five (5) qualified persons as members of the council.

Section 241. KRS 108.070 is amended to read as follows:

(1) The area of a city or of another district may be added to the area of an urban services district by an agreement between the district council and the legislative body of the city or governing board of another district. Territory in an unincorporated area may be added to the urban services district upon approval by the council and the county *judge/executive* [court] when a petition signed by fifty-one per cent (51%) of the registered voters of that territory is filed *with the county judge/executive* [in the county court].

(2) An urban services district may include territory in two or more counties. In the organization, conduct of elections and expansion of such districts, the county *judge/executive* [court] and the county [court] clerk of each county shall perform the duties provided for by this chapter in relationship to the territory and voters of the district within that county.

Section 242. KRS 108.100 is amended to read as follows:

Districts shall be organized in the following manner:

(1) Upon the filing of a certified petition of one hundred (100) or more qualified voters in each county to be included within the territorial limits of the proposed district or upon the determination of each fiscal court in the proposed district that the establishment of a district is in the best interests of the inhabitants of the county, the fiscal court of each county in the proposed district shall adopt a resolution submitting to the qualified voters of the county the question as to whether an emergency ambulance service district should be established for the area and a special ad valorem tax imposed for the maintenance and operation of the district, not to exceed ten cents (10¢) on each one hundred dollars ($100) of the assessed valuation of all property in the district. A certified copy of the resolution of the fiscal court shall be filed with the county [court] clerk at least sixty (60) days prior to the next regular election and thereupon the clerk shall cause the question to be placed on the ballot.

(2) The question shall be in substantially the following form: "Are you in favor of establishing an emergency ambulance service district for (insert names of counties) which shall have the authority to impose a special ad valorem tax of (insert exact amount) on each one hundred dollars ($100) worth of property assessed for local taxation in the district for the maintenance and operation of the (insert name) emergency ambulance service district?"

(3) If a majority of those voting in each county on the question favor the establishment of an emergency ambulance service district it shall be so established and shall constitute and be a taxing district within the meaning of Section 157 of the constitution of Kentucky. The cost of the election shall be paid by the fiscal court.

(4) All special ad valorem taxes authorized by KRS 108.080 to 108.180 shall be collected in the same manner as are other county ad valorem taxes in each county affected and shall be turned over to the board of directors as the governing body of the district. The special ad valorem tax shall be in addition to all other ad valorem taxes. The sheriff shall be entitled to a fee of one per cent (1%) of the amount of the tax collected by him.

Section 243. KRS 108.160 is amended to read as follows:

Single county districts may be dissolved in the following manner:

(1) Upon the filing of a certified petition of one hundred (100) or more qualified voters in the district or upon the determination of the fiscal court that the abolishment of the district is in the best interest of the inhabitants of the county, the fiscal court shall adopt a resolution submitting to the qualified voters of the county as to whether the district should be dissolved and the imposition of the special ad valorem tax discontinued. A certified copy of the resolution of the fiscal court shall be filed with the county [court] clerk at least sixty (60) days prior to the next regular election and thereupon the clerk shall cause the question to be placed on the ballot.

(2) The question on the ballot shall be in substantially the following form: "Are you in favor of dissolving the emergency ambulance service district for (insert name of county) and discontinuing the special ad valorem tax that is imposed for the maintenance and operation of the district?"

(3) If a majority of those voting on the question favor dissolving the district and discontinuing the imposition of the special ad valorem tax the county [court] clerk shall remove the levy of the special ad

valorem tax from the tax bills of the property owners of the district and the district shall be dissolved by order of the fiscal court.

(4) A resolution for the dissolution of the district shall not be considered to have any legal effect if contractual obligations assumed prior to the time of the passage of the resolution by the board have not been met.

Section 244. KRS 108A.020 is amended to read as follows:

Organization of a new community district shall be commenced by petition of a nonprofit membership corporation filed *with the county judge/executive* [in the county court] of a county in which the territory is located. If the district includes territory in two (2) or more counties, the county *judge/executive* [court] and county clerk of each county shall perform the functions set forth in this chapter for their respective counties. The petitioning nonprofit corporation shall have the following characteristics:

(1) All adults who are residents, or become residents, of the territory included in the district shall be eligible for membership in the corporation.

(2) The income and assets of the corporation shall be used for the development of the area within the district and such other purposes as are incidental to the development.

Section 245. KRS 108A.030 is amended to read as follows:

No petition for a new community district shall be considered by the county *judge/executive* [court] unless:

(1) The petition contains the name and address of each landowner within the territory of the proposed district and the petitioner has control, by deed, contract or option, of 75 per cent of the land to be included in the district.

(2) The district would contain at least one thousand (1000) acres of contiguous territory.

(3) The petition contains a description of the proposed territory and is accompanied by a map of the area and a statement of the criteria for a development plan.

(4) The petition states the number of commissioners to be appointed by the governor as the initial board of commissioners and the term for which each shall serve.

Section 246. KRS 108A.050 is amended to read as follows:

On the date set by the county clerk the county *judge/executive* [court] shall examine the petition and the qualifications of the petitioner and shall hear any objections from the fiscal court or the board of education of any county containing any portion of the proposed district. If the *county judge/executive* [court] finds that the petition is in order, and that there is no objection by any fiscal court, the county *judge/executive* [court] shall enter an order establishing a new community district. If a board of education of any county containing any portion of the proposed district objects to the petition, the new community district shall have no power or authority to establish an independent school district as provided in KRS 108A.110 and this restriction shall be stated in the order establishing the new community district. The county *judge/executive* [court] shall send the governor a certified copy of its order establishing a new community district.

Section 247. KRS 108A.120 is amended to read as follows:

Additional territory may be added to a new community district in the following manner:

(1) Territory in an unincorporated area shall be added to a new community district upon approval of the board of commissioners of the district and the county *judge/executive* [court] in which any portion of the additional territory is located when a petition signed by 51 per cent of the registered voters in the territory is filed *with the county judge/executive* in the county [court] in which the greater portion of said territory is located.

(2) Territory of an incorporated city or other district may be added to a new community district by agreement between the legislative body of the city or governing board of the district and the board of commissioners of the new community district.

Section 248. KRS 109.095 is amended to read as follows:

(1) At any time after the organization of a district more than 50 per cent of the freeholders within the district and a majority of the directors of the district may file a petition with the county *judge/executive* [court] which had jurisdiction over the organization of the district requesting discontinuance of the district. The petition shall state the reasons for discontinuance and that all obligations of the district have been met.

(2) After giving notice as provided in KRS chapter 424, the county *judge/executive* [court] may conduct such hearings on the petition as may be necessary to assist in making a determination.

(3) If, after hearings on the petition for discontinuance of the district, the county *judge/executive* [court] determines that a discontinuance is in the best interest of the residents of the district, the garbage district shall be dissolved by order of the county *judge/executive* [court].

Section 249. KRS 117.275 is amended to read as follows:

(1) At the count of the votes in any such precinct, any candidate and any representatives to witness and check the count of the votes therein, who are hereby authorized to be appointed as is provided in subsection (6) of this section, shall be admitted and be permitted to be present and witness the count.

(2) As soon as the polls are closed, and the last voter has voted, the judges shall immediately lock and seal the operating lever or mechanism of the machine so that the voting and counting mechanism will be prevented from operation, and they shall then sign a certificate stating:

(a) That the machine has been locked against voting and sealed;

(b) The number of voters, as shown on the public counters;

(c) The number registered on the protective or accumulative counter or device, if any; and

(d) The number or other designation of the voting machine, which certificate shall be returned by the judges of election to the officials authorized by law to receive the same. The judges shall then compare the number of voters, as shown by the counter of the machine, with the number of those who have voted as shown by the protective or accumulative counter or device.

(3) The judges, in the presence of the representatives mentioned in subsection (1), if any, and of all other persons who may be lawfully within the polling place, shall then make visible the registering counters, and, for that purpose, shall unlock and open the doors, or other covering concealing the same, giving full view of all the counter numbers. The judges shall, under the scrutiny of such representatives, and in the order of the offices as their titles are arranged on the machine, read and announce, in distinct tones, the results as shown by the counter numbers for each candidate and for and against each question voted on. The counters shall not be read consecutively along the party rows or columns, but shall always be read along the office columns or rows, completing the canvass for each office or question before proceeding to the next. The vote as registered shall be entered by the judges, in ink, on quadruplicate return sheets, and also on a general return sheet and statement, all of which, after the canvass is completed, shall be signed by the judges. The total vote cast for each candidate, and for and against each question, and the votes written in, shall then be entered on the general and quadruplicate return sheets and statement. There shall also be entered on the general return sheet and statement the number of voters who have voted, as shown by the lists of voters, and the number who have voted on each machine, as shown by the public counters, and also the number registered on the protective or accumulative counter or device on each machine immediately after the closing thereof and sealing of the machine. The number or other designation of each machine used shall also be entered thereon. In the case of primary elections, quadruplicate return sheets shall remain exposed to view until the said returns and all other reports have been fully completed.

(4) The proclamation of the result of the votes cast shall be announced distinctly and audibly by one of the judges of election, who shall read the name of the vote cast for each candidate and the vote for and against each question submitted. During such proclamation ample opportunity shall be given to any person lawfully present to compare the results so announced with the counter dials of the machine, and any necessary corrections shall then and there be made by the judges, after which the doors or other cover of the voting machine shall be closed and locked and the return sheet shall be signed by each of the judges of election. If any judge shall decline to sign such return, he shall state his reason therefor in writing, and a copy thereof, signed by him, shall be enclosed with such return. Each of the return sheets shall be enclosed in an envelope, which shall be securely sealed, and each of the judges shall write his name across the fold of the envelope. One (1) of the quadruplicate return sheets, along with the general return sheet and precinct list, shall be directed to the county board of elections of the county in which the election is being held, one (1) to the county clerk of the county in which the election is being held and one (1) to the local governing body of each of the two (2) dominant political parties. Said envelope shall have endorsed thereon a certificate of the election officers, stating the number of the machine, the precinct where it has been used, the number on the seal, and the number on the protective or accumulative counter or device at the close of the polls. Following the tabulation of all votes cast in the election, including absentee votes, the county board shall immediately mail the tabulation result, the general return sheets and the precinct lists from each precinct to the state board of elections.

(5) As soon as possible after the completion of the count, the election officers shall return to the county board of elections the keys to the voting machine received and receipted for by them, and the *county* clerk [of the county court] in which the precinct is located shall have the voting machine properly boxed or securely covered and removed to a proper and secure place of storage.

(6) In primary elections, each candidate or group of candidates may designate to the county board of elections a representative to witness and check the vote count. In regular elections, the governing authority of each political party, each candidate for member of board of education, independent candidate or independent ticket may designate a representative to the county board of elections to witness and check the vote count. The county board of elections shall authorize representatives of the news media to observe the taking of the tally of votes from the voting machine in each precinct in each primary, regular or special election.

(7) If supplemental paper ballots have been approved, as provided in KRS 118.215, after the polls are closed, the precinct election officials shall stamp "Unused" on all supplemental paper ballots not used. The election officers shall string all used ballots' stubs upon a string provided for that purpose, and the stubs shall be placed in an envelope. The two precinct judges shall return to the county clerk's office the locked ballot box, all ballot stubs, spoiled ballots and unused ballots at the same time as the tabulation of votes from the voting machine is delivered. The county clerk shall issue a receipt for the number of ballot stubs, unused ballots, spoiled ballots and the ballot box. The county board of elections, or its designee, shall count and tally the paper ballots manually or with the use of tabulating equipment which does not involve an additional voting system. The results of the vote tally shall be certified by the county board of elections to the county clerk and to the secretary of state. The county board of elections shall authorize the candidates or their representatives and representatives of the news media to be present during the counting of the paper ballots. The county clerk shall retain the paper ballots for sixty days, after which time they shall be burned by the county board of elections if no contest or recount action has been filed.

Section 250. KRS 117.305 is amended to read as follows:

The canvass and returns provided for in KRS 117.275 shall constitute the official returns of the precinct, unless within ninety-six (96) hours after the close of the polls a candidate shall in writing request the county board of elections to check and recanvass the voting machines of any precinct or any number of precincts. When such a request has been made the election commission shall immediately assemble and recheck and recanvass each machine and make a proper return thereof to the county [court] clerk, in which event the canvass and return shall become the official returns for the election. In making the recanvass the board shall make a record of the number of the seal upon the voting machine and without unlocking the machine against voting, recanvass the vote cast thereon. If, upon a recanvass, it is found that the original canvass of the returns has been correctly made from the machine, and that there still remains a discrepancy unaccounted for, the board with the assistance of the county clerk, shall unlock the voting and counting mechanism of the machine, and shall proceed thoroughly to examine and test the machine to determine and reveal the true cause, if any, of the discrepancy in returns of the machine. Each registering counter shall be reset at zero before it is tested, after which it shall be operated at least one hundred (100) times. After the completion of the examination and test, the county clerk shall then and there prepare a statement, in writing, giving in detail the result of the examination and test and statement which shall be witnessed by the persons present, and shall be filed with the board. If, upon recanvass, it appears that the original canvass of the returns by the election officers was incorrect, the returns and all papers being prepared by the board shall be corrected accordingly, except that there shall be no change in the vote of any candidate from that originally certified unless such candidate was actually notified. At the recanvass, each political party represented on the board may appoint a representative there to be its governing body, and also each candidate to be voted for may be present either in person or by a representative or both. The county board of elections shall authorize representatives of the news media to observe the recanvass of the votes cast on the voting machine in each precinct. Nothing in this section shall prohibit an individual from requesting, in addition to a recanvass, a recount as authorized by KRS chapter 120.

Section 251. KRS 117.315 is amended to read as follows:

(1) The county executive committee of any political party having a ticket to elect at any regular election, may designate not more than two (2) chalengers to be present at and witness the holding of the election in each precinct in the county. The challengers shall be entitled to stay in the room or at the door. The challengers shall be registered voters of the county in which the election is held, shall be appointed in writing signed by the chairman of the committee and shall produce written appointments on demand of any election officer.

(2) Any school board candidate, independent candidate, candidate for an office of the Court of Justice, or independent ticket at the regular election may designate not more than one (1) challenger to be present at and witness the holding of the elections in each precinct in the county. The challenger shall be entitled to stay in the room or at the door. The challenger shall be a registered voter of the county in which the election is held, shall be appointed in writing by the chairman of the committee, independent candidate or candidates representing a ticket, and shall produce written appointment on demand of any election officer.

(3) Not later than thirty (30) days prior to an election at which constitutional amendments or other public questions are to be submitted to the vote of the people, any committee that in good faith advocates or opposes an amendment or public question may file a petition with the clerk of the county asking that the petitioners be recognized as the committee entitled to nominate inspectors and challengers to serve at the election at which the constitutional amendment or public question is to be voted on. If more than one (1) committee alleging itself to advocate or oppose the same amendment file such a petition, the county board of elections shall decide, and announce by registered mail or by certified mail, return receipt requested to each committee not less than twenty (20) days immediately preceding the election, which committee is entitled to

nominate the challengers and inspectors. Such decision shall not be final, but any aggrieved party may institute proceedings *with* [in] the county *judge/executive* [court,] and upon hearing the county judge/executive shall determine which of such committees shall be recognized as the one to select inspectors and challengers at the election.

(4) The committee shall file the names of the persons nominated by it with the clerk of the county at least five (5) days before the election. The county board of elections shall, within two (2) days thereafter, certify the nominees of the committee for the respective precincts to serve as challengers and inspectors at the election where any constitutional amendment or public question is to be voted upon. If more than one (1) amendment or question is to be voted upon, the county board of elections may designate, on the petition of the committee, one (1) person for each amendment and question to serve as inspector at the election and one (1) person for each amendment and question to serve as challenger at the election.

(5) The challengers and inspectors shall perform their duties in the same manner and be subject to the same privileges as other inspectors and challengers at an election.

(6) Each political party is entitled to have not exceeding two (2) challengers at each precinct during the holding of the primary election. Any group of bona fide candidates, as defined in KRS 118.176, of the same political party equal to twenty-five percent (25%) of all the candidates for that party to be voted for in a county in any primary, including state, district and all other candidates, may recommend to the county committee or governing authority of the party for the county a list of persons whom they desire to have appointed as challengers in each precinct in the county. If more than two (2) such lists are furnished, the committee or governing authority, in making appointments of challengers, shall alternate between the several lists so furnished so as to give to each list an equal amount or proportion of the appointments, but in no event shall there be appointed more than one (1) challenger for any precinct from any one (1) list. The list of challengers shall be presented to the chairman or secretary of the party committee of the county not less than seven (7) days before the date on which the primary is to be held, and the committee or the chairman thereof shall make the appointments and certify to same at least four (4) days before the date on which the primary is held. The appointment of challengers shall be certified in all respects as challengers at regular elections, except as otherwise provided in this section, and the challengers shall be registered voters of the county in which the primary is held, shall be subject to the same penalties and possess the same rights and privileges as challengers at regular elections, except that the challengers of one (1) political party shall not be entitled to challenge persons who offer to vote for candidates of any other party in the primary. The provisions of this section shall be enforceable against the chairman of the political party committees by a mandatory summary proceeding instituted in the circuit court. The order of the court may be reviewed by the Court of Appeals as provided for the granting or dissolving of temporary injunctions.

Section 252. KRS 118.015 is amended to read as follows:

(1) A "political party" within the meaning of this chapter, is an affiliation or organization of electors representing a political policy and having a constituted authority for its government and regulation, and which cast at least twenty per cent (20%) of the total vote cast at the last preceding election at which presidential electors were voted for.

(2) The word "election" used in reference to a state, district, county or city election, includes the decisions of questions submitted to the qualified voters as well as the choice of officers by them.

(1) Effective January 1, 1967, every owner, proprietor, or custodian of a bonded warehouse or of premises under the control and supervision of the United States internal revenue service, in which distilled spirits are stored shall between January 1 and February 1 of each year file with the department of revenue a report sworn to by him showing the quantity and kind of distilled spirits in the bonded warehouse or premises as of January 1 of that year; the quantity and kind of spirits on which the federal tax has been paid or is due; what distilled spirits have been removed from the bonded warehouse or premises for transfer in bond out of this state during the preceding twelve (12) months; the county, city, and taxing district in which such distilled

spirits were certified for taxation; the fair cash value of the distilled spirits estimated at a price it would bring at a fair voluntary sale; and such other facts pertaining to the distilled spirits as the department may require.

At the same time, all taxes and interest on such distilled spirits due the state, county, or other taxing district shall be paid to the officers entitled to receive them. The field agents, accountants and attorneys of the department of revenue shall cause to be listed for taxation all property omitted by the property valuation administrators, board of supervisors, department or any other assessing authority, for any year omitted. The agent, accountant or attorney proposing to have the property assessed shall file in the office of the county clerk of the county in which the property may be liable to assessment a statement containing a description and value of the property or corporate franchise proposed to be assessed, the name and place of residence of the owner, his agent or attorney, or person in possession of the property, if known, and the year the property was unassessed. The county clerk shall thereupon issue a summons against the owner, or person in possession of the property if the owner is unknown, to show cause *within ten (10) days* [before the next regular term of the county court that does not commence within five (5) days] after the service of the summons, why the property or corporate franchise shall not be assessed at the value named in the statement filed. No decision shall be rendered against the alleged owner unless the statement filed contains a description of the property sought to be assessed that will enable the *county judge/executive* [court] to identify it. The summons shall be executed by the sheriff by delivering a copy thereof to the owner, or if he is not in the county to his agent, attorney or person in possession of the property. If the property is real property, and the owner is known but is absent from the state and has no attorney or agent in this state and no one is in possession of the property, the summons shall be served by posting it in a conspicuous place upon the property; if the property consists of tangible personal property the summons shall be placed in a conspicuous place where the property is located. In the case of tangible and intangible personal property, where the owner and his place of residence are unknown and no one (1) has possession of the property, an action for assessment shall be instituted by filing the petition above mentioned and procuring constructive service against the owner under the provisions of rules 4.05, 4.06, 4.07 and 4.08 of the Rules of Civil Procedure. In all of the above cases an attachment of the property omitted from assessment may be procured from the district court against the owner, at the time of the institution of the action or thereafter, and without the execution of a bond by the Commonwealth or its relator, by the representative of the department of revenue making an affidavit that the property described in the petition is subject to state, county, school or other taxing district tax, and is unassessed for any taxable year.

Section 260. KRS 132.340 is amended to read as follows:

(1) *Within ten (10) days* [At the next regular term of the county court] after the summons has been served [for five (5) days], or *within thirty (30) days after* the warning order against the defendant whose name and place of residence are unknown has been made [for thirty (30) days], if it appears to the *county judge/executive* [court] that the property is liable for taxation and has not been assessed, the *county judge/executive* [court] shall enter an order fixing the value at the fair cash value estimated as required by law. The *county judge/executive* [court] shall certify the assessment of the property and its value, together with such other facts as may be required by law or directed by the *county judge/executive* [court] to appear in the order, to the department of revenue and to the sheriff of the county, together with the amount of penalty and cost of assessment, in order that the taxes due the state, county, school or any other taxing district may be collected, with the penalty and costs. If the property is not liable for taxes, the *county judge/executive* [court] shall make an order to that effect. Either party may appeal from the decision of the county *judge/executive* [court] to the circuit court, and then to the Court of Appeals as in other civil cases, except that no appeal bond shall be required where the appeal is by the commissioner of revenue acting as the relator.

(2) If the owner of the property fails to pay the tax assessed, interest, penalties and costs, the lien under the attachment may be enforced and a sufficiency of the property sold to pay the obligation to the state,

county, school or other taxing district. All persons owning property that is assessed as herein provided shall, in addition to the taxes and interest from the time the taxes should have been paid, pay the costs of the proceedings and a penalty of twenty per cent (20%) on the amount of the taxes due, except where the property was duly listed and the taxes paid thereon within the time prescribed by law, and except where some different penalty is expressly provided by law.

(3) The taxes, costs and penalties shall be collected and accounted for as other taxes and penalties are required to be collected, and by the same officers. The county clerk shall enter all such assessments in a book to be kept for that purpose, showing the date of the assessment, the name of the person against whom the assessment is made, the location and description of the property assessed, and the value thereof. The officer collecting the taxes shall, when they are paid, notify the clerk of the payment, and the payment shall be noted by the clerk opposite the entry of the assessment.

Section 261. KRS 132.610 is amended to read as follows:

Before the county *judge/executive* [court] shall grant a certificate or order of allowance under KRS 132.590, the property valuation administrator and his deputies shall in open court make and file the following affidavit, subscribed and sworn to by them before the county clerk:

"I do swear that I have not received from any person a list of taxable property and returned the same until the person rendering the list has made oath to the truth of the same; and I do further swear that I have in no instance assessed any property at a greater or less sum than I deemed a fair cash value, estimated at the price it would bring at a fair voluntary sale."

Section 262. KRS 132.660 is amended to read as follows:

(1) The department of revenue shall have authority to order an emergency assessment of all or any part of the taxable property in any taxing district to be made by one or more persons appointed for that purpose by the department, whenever: there has been no regular assessment; the records of an assessment have been destroyed, mutilated or lost; complaint is made by the owners of not less than ten per cent (10%) in value of the taxable property in the taxing district; or investigation of the department discloses that the assessment of property in such taxing district is so grossly inequitable or fiscally infeasible that an emergency exists. The order directing such emergency assessments shall state the reasons therefor and a copy shall be filed in the office of the *county* clerk [of the county court] where the property lies. Such order, when filed, shall void any assessment for the assessment year for which the emergency assessment is made. Any person appointed to make such an emergency assessment shall have the same powers and duties as the property valuation administrator. Whenever the tax roll has been completed under an emergency assessment and the tentative valuations have been determined, the department shall cause to be published pursuant to KRS chapter 424, a notice as to the date when the tax roll will be ready for inspection and the time available for such purpose; also a copy of the notice shall be posted at the courthouse door. If any property is assessed at a greater value than that listed by the taxpayer or unlisted property is assessed, the taxpayer shall be charged with notice of such action by reason of the inspection period, and no further notice need be given of such action taken before the beginning of the inspection period. At the close of the inspection period, the tax roll shall be delivered to the county [court] clerk and the county judge*/executive* shall immediately convene the board of supervisors to hear and determine any appeals from such emergency assessment. The board shall remain in session for the time and shall receive the compensation as provided in KRS 133.030 (2). Appeals shall be taken and heard from such emergency assessments in the same manner as appeals from regular assessments.

(2) The department may appoint the property valuation administrator to make an emergency assessment provided he was not at fault, and if the property valuation administrator is so appointed he shall receive reasonable compensation for his services in making this assessment, which shall not affect in any manner the payment to him of any compensation that he has received for himself or on behalf of a deputy or that may be due him, for services in making the regular assessment. Whenever through the property valuation administrator's fault an emergency assessment is ordered, the property valuation administrator shall become liable for the cost thereof as provided in KRS 132.620, such cost to be limited to the amount due or paid him in accordance with the provisions of KRS 132.590.

Section 263. KRS 133.110 is amended to read as follows:

County *judges/executive* [courts] may, after giving notice to the county attorney, sheriff and property valuation administrator, correct any mere clerical errors in an assessment or any duplication of assessment. Any correction made without such notice shall be void.

Section 264. KRS 133.120 is amended to read as follows:

(1) Any taxpayer aggrieved by an assessment made by the property valuation administrator may appeal to the board of assessment appeals, however, no appeals shall be accepted by the board of assessment unless a letter or other written petition stating the reasons for appeal, identifying the property for which the appeal is

filed and stating the taxpayer's opinion of the fair cash value of the property, shall be filed with the county clerk within the five-day period in which the inspection period is held. The board of assessment appeals may review and change any assessment made by the property valuation administrator upon recommendation of the department of revenue, county judge/*executive*, mayor of any city using the county assessment or the superintendent of any school district in which the property is located, provided, such recommendation is made to the board in writing specifying the individual properties recommended for review. If the board of assessment appeals determines that any such assessment should be increased, then it shall give the taxpayer notice in the manner required by subsection (4) of KRS 132.450, specifying a date when the board will hear the taxpayer, if he so desires, in protest of such increase. Any property owner who has listed his property with the property valuation administrator at its fair cash value, likewise may ask the county board of assessment appeals to review the assessments of properties he believes to be assessed at less than fair cash value, providing, he specifies, in writing the individual properties for which the review is sought and factual information upon which his request is based; such as, comparable sales or cost data. Nothing in this section shall be construed as granting any property owner the right to request a blanket review of properties or the board the power to conduct such a review.

(2) The board of assessment appeals shall hold a public hearing for each individual taxpayer appeal in protest of the assessment by the property valuation administrator filed in accordance with the provisions of subsection (1) of this section, and after hearing all the evidence, shall fix the assessment of the property at its fair cash value. The board shall report to the property valuation administrator any property omitted from the tax roll. The property valuation administrator shall assess such property and immediately give notice to the taxpayer in the manner required by KRS 132.450(4), specifying a date when the board of assessment appeals will hear the taxpayer, if he so desires, in protest of the action of the property valuation administrator.

(3) The board of assessment appeals shall have power to issue subpoenas, compel the attendance of witnesses, and adopt rules and regulations concerning the conduct of its business. Any member of the board shall have power to administer oaths to any witness in proceedings before the board.

(4) The powers of the board of assessment appeals shall be limited to those specifically granted by this section.

(5) No appeal under this section shall delay the collection or payment of any taxes based upon the assessment in controversy. The taxpayer shall pay all state, county and district taxes due on the valuation which he claims as true value and stated in the petition of appeal filed in accordance with the provisions of subsection (1) of this section. When the valuation is finally determined upon appeal, the court or the Kentucky board of tax appeals shall certify the valuation to the county [court] clerk and the taxpayer shall be billed for any additional tax and six per cent (6%) interest from the date when the tax would have become due if no appeal had been taken. The provisions of KRS 134.390 shall apply to such tax bill.

(6) Any member of the county board of assessment appeals may be required to give evidence in support of the board's findings in any appeal from its actions to the Kentucky board of tax appeals.

(7) It shall be the duty of the county attorney to represent the interest of the state and county in all hearings before the board of assessment appeals and on all appeals prosecuted from its decision. In the event the county attorney is unable to represent the state and county, he or the fiscal court shall arrange for substitute representation.

Section 265. KRS 133.125 is amended to read as follows:

(1) The county clerk, or an authorized deputy, shall act as clerk of the board of assessment appeals; and where additional board panels are appointed, as provided by law, one (1) authorized deputy shall act as clerk for each panel. An accurate record of the proceedings and orders of the board and of each of its authorized panels shall be kept and shall show the name of the owner of the property, the description, the type of property, the amount of the assessment the property valuation administrator placed on the property, and the amount of change made in the assessment by the board. A copy certified by the chairman of the board and attested by the county clerk shall be filed by the clerk with the property valuation administrator and with the department of revenue within five (5) days after the adjournment of the board.

(2) After receipt of the clerk's certification of the action of the board of assessment appeals, the property valuation administrator shall complete his rolls by adding to them all listings and assessments which he may have made after the rolls were open for inspection as provided in KRS 133.045 and making all adjustments ordered by the board, and he shall turn the rolls over to the clerk within ten (10) days after the board adjourns. Whereupon the clerk shall make a recapitulation of the assessment by taxing districts and types of property and shall submit such recapitulation to the department of revenue not later than June 20 unless the time is extended by the department.

(3) The county clerk shall certify to the county *judge/executive* [court] the number of days during which the board was in session, and the court shall enter this fact of record along with the amount due the board members for their services. On a presentation of a copy of the order, the executive department for finance and administration shall draw a warrant on the state treasurer in favor of the board members and

clerk for the amount due for their services.

(4) The county clerk and any authorized deputies serving as clerk of the board or a panel thereof shall be allowed the same compensation per day for their services as is allowed to members of the board of their county, and they shall be paid in the same manner as members of the board are paid. The county clerk and his authorized deputies shall be allowed compensation for completing and filing the record of the board and for preparing the recapitulation in the same manner as allowed for their services while acting as clerk of the board or clerk of a panel of the board.

Section 266. KRS 133.130 is amended to read as follows:

(1) Any person claiming to be erroneously charged with any tax upon property not owned by him may, at any time not later than *thirty (30) days* [the next regular county court] after he has received notice of the same by demand made upon him to pay the tax, offer evidence in support of the complaint to the county *judge/executive* [court] of the county in which the assessment was made. If the *county judge/executive* [court] finds that he was not the owner of the property assessed, *he* [it] may correct the same by releasing him from the payment of the tax, and the [court] order exonerating the tax shall, upon delivery of a copy thereof to the property valuation administrator, constitute an order to have the property immediately listed against the rightful owner.

(2) An appeal may be taken to the circuit court from any final order of the *county judge/executive* [court] made under this section or under KRS 133.110. The *county judge/executive* [court] shall certify *his* [its] actions to the department of revenue and sheriff. The sheriff shall not receive credit under this section unless copies of the judgments are furnished to the department by June 1 after the judgments are entered.

Section 267. KRS 133.160 is amended to read as follows:

When it is contemplated by the department of revenue that it will be necessary to raise the assessed valuation of property in any county, it shall give notice of the contemplated action to the county *judge/executive* [court], the superintendent of any school district affected by such action, the mayor of any city which is affected and which has adopted the assessment, and to the taxpayers of that county through the county judge*/executive*, who shall post the notice sent him on the courthouse door and certify to the department of revenue that this has been done, and it shall fix a time and place for a hearing which may be in Frankfort or any convenient place in or nearer the county seat.

Section 268. KRS 133.181 is amended to read as follows:

If the department of revenue, in making its equalization of the property in any county in accordance with the provisions of KRS 133.150, causes any increase or decrease to be made in the value of any property, the county [court] clerk shall correct the tax books to comply with the final certification of the assessment by the department. As compensation for his services, the clerk shall receive the same compensation per day that he receives for serving as clerk of the board of assessment appeals for as many days as are necessary to make the corrections but not to exceed a total of ten (10) days. One-half (1/2) of such amounts shall be paid out of the county levy and one-half (1/2) out of the state treasury. Such sums shall be paid at the same time and in the same manner as is the clerk's compensation for preparing the tax bills under KRS 133.240 (2).

Section 269. KRS 133.185 is amended to read as follows:

No tax rate for any taxing district imposing a levy upon the county assessment shall be determined before the assessment is certified by the department of revenue to the county [court] clerk as provided in KRS 133.180.

Section 270. KRS 133.220 is amended to read as follows:

(1) The department of revenue annually shall furnish to each county clerk tax bill forms designed for adequate accounting control sufficient to cover the taxable property on the rolls. These tax bill forms shall be furnished not later than ten (10) days after the department of revenue has rendered its certification. The county annually shall furnish the county clerk with sufficient tax bill forms for his use in the preparation of tax bills for all taxpayers who are liable for a poll tax and who own no property assessed for taxation.

(2) After receiving the forms the county clerk shall make out for the use of the sheriff or collector a correct tax bill for each taxpayer in the county whose property has been assessed and whose valuation is included in the certification provided in KRS 133.180. If the bills are bound, the cost of binding shall be paid out of the county levy. Each tax bill shall show the rate of tax upon each one hundred dollars ($100) worth of property for state, county, and school purposes; the name of the taxpayer and his mailing address; the number of acres of farm land and its value; the number of lots and their value; the amount and value of notes and money; the value of mixed personal property; the county poll; the school poll; the school tax; and the total amount of taxes due the state, county, school fund, and other levies. Provision shall be made for the sheriff to have a stub, duplicate, or other proper evidence of receipt of payment of each tax bill.

(3) Tax bills prepared in accordance with the certification of the department of revenue shall be delivered to the sheriff or collector by the county clerk before September 15 of each year. The clerk shall take a receipt showing the number of tax bills and the total amount of tax due each taxing district as shown upon the tax bills. The receipt shall be signed and acknowledged by the sheriff or collector before the county clerk, filed *with the county judge/executive* [in the county court], and recorded in the order book of the county *judge/executive* [court] in the manner required by law for recording the official bond of the sheriff.

He shall enter into bond with surety thereafter before or as of June 1 of each succeeding year of the term of his office, except that the expiration date of the bond for the last year in the term shall be to and including March 15. Where a corporate surety bond is offered, it shall be for a sum not less than the largest amount of state tax receipts that the sheriff will probably have in his possession at any one (1) time, except that such corporate surety bond shall in no event exceed $200,000. (5) The lien referred to in subsection (4) above shall not be discharged until four (4) years have elapsed from the expiration of his term of office without any action having been commenced to assert the lien, or until a quietus from the state, county and taxing districts has been filed and recorded in the office of the county [court] clerk for each of the tax periods during the sheriff's term, whichever of these two (2) events shall first occur. Each quietus shall approve the settlement of the sheriff, acknowledge payment of moneys due, and shall discharge and release the sheriff from further liability for the taxing period involved. The county [court] clerk shall be entitled to receive one dollar ($1.00) for filing and recording each quietus and shall note upon the quietus the date, book and page of the last preceding quietus recorded.

If the county *judge/executive* [court] fails for thirty (30) days to appoint a collector of money due the state, the department of revenue may appoint a collector thereof. These collectors shall, within ten (10) days after their appointment, execute bond as required of the sheriff, to be approved by the county *judge/executive* [court], and if the bond is not executed within that time the appointment of another collector may, in like manner, be made, but such collector shall be required to give bond for and collect only the taxes or moneys provided for in the order of the county *judge/executive* [court] appointing him.

(2) A sheriff who forfeits his office under subsection (1) of this section, or who resigns his office, shall not be appointed deputy sheriff or collector for the county, or elisor, deputy collector or deputy elisor.

The fiscal court in its settlement with the sheriff shall charge him with such penalties and interest.

(4) The county judge*/executive* may grant an extension of time, not to exceed fifteen (15) days, for filing the report required by subsection (1) and the reports for all other levies made by the fiscal court whenever, in his judgment, good cause therefor exists. If there is no road or passway from the residence of any pupil to the school building which he attends it shall be lawful for such pupil, in attending school, to walk over the property of any person between the residence of the pupil and the school building.

Section 293. KRS 162.540 is amended to read as follows:

Upon receiving a request in writing from a board of education, the authority may, in its discretion, assist such board of education in financing any project by acting in the capacity and manner authorized to be performed by cities under KRS 162.120 to 162.290, and by counties under KRS 162.300. When applied to the authority, KRS 162.120 to 162:300 shall be so read that the following terms and passages have the following respective meanings or interpretations:

(1) "City" or "county" means "authority";

(2) "City clerk" or "county clerk" means "secretary or assistant secretary of the authority";

(3) "Governing body of the city" or "fiscal court" means "authority";

(4) "Mayor or chairman of the board of trustees" or "county judge*/executive*" means "chairman or vice-chairman of the authority";

(5) "Ordinance" in the case of a city, or "resolution" in the case of a county, means a resolution of the authority;

(6) "Building and appurtenances" means "project" as defined in subsection (5) of KRS 162.520;

(7) The last sentence of KRS 162.190 shall read, "It shall be plainly stated on the face of each bond that it was or is issued under the provisions of KRS 162.520 to 162.620 (omitting reference to KRS 162.150 to 162.280 as such), and that it does not constitute an indebtedness of the authority or of the Commonwealth";

(8) KRS 162.200 is modified to permit use of money received from bonds for the additional purpose of paying reasonable expenses incurred in the authorization, advertising, preparation, sale and delivery of bonds, and may include a fee contracted to be paid to a fiscal agent for financial advice and services if the contract or agreement therefor shall have been approved by the board of education and by the authority;

It shall be the duty of the secretary of the authority to obtain such evidence before delivery of the bonds to a purchaser thereof; but failure to obtain the same shall not affect the validity of the bonds in the hands of any purchaser or holder;

(10) KRS 162.240 shall not apply; and the following provisions shall govern in lieu thereof:

When cash funds are needed, the authority shall direct the conversion into cash of such securities, or a sufficient portion thereof, and may require that the same be secured until disbursement, as herein provided. Section 301. KRS 177.700 is amended to read as follows:

(1) The state property and buildings commission (hereinafter sometimes referred to as the "commission") is enjoined to continue its best efforts to sell and issue the heretofore unissued thirty million dollars ($30,000,000) of the Commonwealth's general obligation bonds, as provided in KRS 177.580 to 177.630, which was approved by the voters at the election held on November 6, 1956 (such bonds, for convenience, being sometimes hereinafter referred to as the "unissued 1956 bonds"; and the aforesaid issue of which the same constitute a part being sometimes hereinafter referred to as the "1956 bonds"). In doing so, the commission shall in all respects observe the restrictive conditions presently applicable to said unissued 1956 bonds, in that any sale or sales shall be for not less than par or face amount with accrued interest to delivery, and at a rate or rates of interest not exceeding, as to any bond, three per cent (3%) per annum, payable semiannually, and all of such bonds shall be caused to mature as to principal within thirty (30) years from January 1, 1957.

(2) Unless said unissued 1956 bonds are successfully sold by the commission on or prior to August 31, 1960, a proposal as set forth in KRS 177.700 to 177.820 shall be submitted to the qualified voters of the Commonwealth at the regular election scheduled by law to be held on November 8, 1960, seeking the voters' authorization and approval of removing, as to said unissued 1956 bonds, the three per cent (3%) interest rate limitation presently applicable thereto. Inasmuch as said unissued 1956 bonds have been taken into account in determining the amount of money otherwise necessary to be provided through issuance of additional bonds as hereinafter set forth, such proposal that the voters remove said existing interest rate limitation as to the unissued 1956 bonds shall appear on the ballots at the election to be held on November 8, 1960, as a part of the ballot question submitting for authorization and approval KRS 177.700 to 177.820 as a whole and the proposed issuance of an additional one hundred million dollars ($100,000,000) of general obligation bonds of

the Commonwealth for state parks, and for highways, bridges and tunnels, as hereinafter provided. In such event the form of the question which shall be caused to appear upon the ballots at the election on November 8, 1960, shall be as set forth in KRS 177.740.

(3) In the event the said unissued 1956 bonds are successfully sold by the commission on or prior to August 31, 1960, according to the presently existing interest rate limitation, the commission shall, not later than September 1, 1960, so notify the secretary of state of the Commonwealth; and inasmuch as there will then no longer be any occasion to seek authorization of the voters for removal of said interest rate limitation, the question to appear upon the ballots submitting KRS 177.700 to 177.820 for authorization and approval of the voters at the election on November 8, 1960, shall be as provided in KRS 177.750.

(4) Based upon representations made by the commission as set forth in this section the secretary of state shall, after September 1, 1960, determine whether the form of question to be used in submitting KRS 177.700 to 177.820 to the voters for authorization and approval at the election on November 8, 1960, shall be as set forth in KRS 177.740, or as set forth in KRS 177.750, and shall certify the applicable form of ballot question to the respective county [court] clerks at the same time that candidates for public office are provided to be certified pursuant to KRS 119.140; and when each county [court] clerk causes the ballots to be printed according to KRS 118.190 the form of question so certified by the secretary of state shall be caused to appear thereon with appropriate spaces for the voters to designate "Yes" or "No" as provided in KRS 118.170 (3).

Section 302. KRS 177.760 is amended to read as follows:

KRS 177.700 to 177.820 shall be submitted to the people of the Commonwealth at the general election to be held on November 8, 1960. The fact of such submission shall be publicly advertised in the following ways:

(1) It shall be the duty of the secretary of state, immediately after September 1, 1960, to determine whether the ballot question shall be the one set forth in KRS 177.740, or the one set forth in KRS 177.750, and to inform the attorney general of the Commonwealth of such determination. It shall then be the duty of the attorney general to prepare and furnish to the secretary of state, not later than September 15, 1960, a form of "Notice of Election," which shall be so designated, shall conform to any requirements otherwise provided by law for notices of elections, and further shall set forth the proper ballot question in full, and KRS 177.700 to 177.820 in full, with provisions for the signature of the secretary of state. The secretary of state shall transmit a copy of such form of "Notice of Election" to each of five (5) daily newspapers of bona fide general circulation, published in different areas of the Commonwealth and selected in the discretion of the secretary of state, with directions that the same be published in each of such newspapers in the form of a legal notice, in one (1) issue published in each of the calendar weeks commencing on Mondays, October 10, 17, 24, and 31, 1960, but not in any Sunday issue. Each such newspaper shall publish the same as directed, in the size type customarily used by it in publishing legal notices, and shall be entitled to payment according to its standard prevailing rate for publication of legal notices. After the last publication, each such newspaper shall provide to the secretary of state, with or before its bill for publication, at least three (3) copies of an affidavit sufficient to constitute proper proof of publication, and if the secretary of state finds the same to be in order he shall be authorized to draw a warrant upon the state treasurer for payment from uncommitted moneys in the general fund of the Commonwealth.

(2) The secretary of state shall deliver a copy of said form of "Notice of Election" to the state printer, and thereupon the state printer shall promptly prepare and furnish to the secretary of state at least 125 copies of such notice in the form of handbills of sufficient size and type composition as to be ordinarily legible. The secretary of state shall furnish a copy of the notice in such handbill form to the *county* clerk [of the county court] of each county of the Commonwealth, and it shall be the duty of each county [court] clerk, upon receiving the same, to post the same at or near the county courthouse door, or otherwise as notices of judicial sales and other court proceedings are customarily posted.

(3) Each county [court] clerk shall cause a facsimile of the ballot question to be published as may be required by law.

(4) If the secretary of state shall perform in proper and timely fashion each of the duties provided in this section to be performed by him, any failure of others to perform duties and functions as herein provided shall not invalidate the election as to approval or disapproval of KRS 177.700 to 177.820, if upon consideration of the Commonwealth as a whole, it shall appear that the qualified voters were fairly apprised of the election.

Section 303. KRS 178.010 is amended to read as follows:

(1) As used in this chapter, unless the context otherwise requires:

(a) "Construction" includes reconstruction and improvement;

(b) "County roads" are public roads which have been accepted by the fiscal court of the county as a part of the county road system or private roads, streets, or highways which have been acquired by the county pursuant to KRS 178.405 to 178.425. "County roads" includes necessary bridges, culverts, sluices, drains, ditches, waterways, embankments or retaining walls. "County roads" also includes roads or segments of roads which have been eliminated from the state primary road system by order of the commissioner of highways and transferred to the counties pursuant to KRS 178.030;

(c) "Hard surface road" means a road the surface of which is asphalt, brick, stone block, macadam, concrete, gravel or other material of equal merit.

(2) Nothing in this chapter shall be construed to take from the jurisdiction or control of the legislative body of any incorporated city, any road, bridge, landing or wharf, or any other thing exclusively under the jurisdiction or control of such city.

(3) Nothing in this chapter shall prevent any *fiscal* [county] court from acquiring land by gift for public purposes.

Section 304. KRS 178.040 is amended to read as follows:

(1) In order to change the width of a county road, the fiscal court shall make a special order for a different width. The order shall be recorded in the office of the county clerk. In order to change the width of the right of way of a portion of a county through road system the fiscal court of a county containing a city of the first class may make a special order for a different width. The order shall be recorded in the office of the county road engineer.

(2) All county roads hereafter established shall occupy a right of way not less than thirty (30) feet wide, but the *fiscal* [county] court may order it to be a greater width. All roads added to the county through road system in a county containing a city of the first class in accordance with KRS 178.333 shall occupy a right of way width as ordered by the fiscal court.

(3) In acquiring a right of way for a county through road within any city, the fiscal court or the county court of a county containing a city of the first class may exercise any powers granted them by statute for the acquisition of property.

Section 305. KRS 178.060 is amended to read as follows:

(1) The county road engineer may change the location of any county road in his county with the written consent of the owner of the land on which a change is to be made, setting forth the exact changes proposed. The proposed change and the owner's consent shall be entered in the form of an agreed order of the *fiscal* [county] court and subject to the approval of the county judge*/executive*.

(2) The change shall not materially increase the length or grade or require more work to keep the road in repair, or place the road on worse ground than it was before the change, or render the road in any respects worse than it was before the change.

(3) If the county road engineer makes a change in violation of the provisions of this section, the part of the road thus altered shall not be established as a county road, and the former location shall be continued as such.

Section 306. KRS 178.080 is amended to read as follows:

(1) When any person desires the establishment or alteration of a public road, bridge or landing, he shall petition the *fiscal* [county] court setting forth in his petition specifically the nature and location of the proposed work. The court shall thereupon appoint two (2) viewers who, together with the county road engineer, shall view the ground and report in writing the advantages and disadvantages which, in their opinion, will result to the individual and to the public from the proposed work and the grades and bearings of the proposed road, and other facts and circumstances that may enable the *fiscal* [county] court to determine whether the work ought to be undertaken by the county.

(2) If the petition is for the establishment or alteration of a public road leading from a main public road, the report shall set out whether such road should be established, stating specifically whether it would be necessary to take any burying ground, garden, yard, orchard, or any part thereof, or to injure or destroy any buildings and the probable cost of the work, the names of the landowners whose property would have to be taken or injured, which of them would require compensation and the probable amount to which each would be entitled. They shall make careful examination of routes or locations other than that proposed or petitioned for, keeping in view the possible future development of the county and the accommodations of the general traveling public, and shall report in favor of the one they prefer, giving reasons for the preference. A map giving the grades and bearings of the routes or locations shall be returned with the report.

(3) If it appears to the *fiscal* [county] court that the interests of the general public may be furthered thereby, the *fiscal* [county] court shall personally examine the proposed work. If the court decides to undertake the proposed work the county judge/executive shall appoint a day for hearing the parties interested, and cause notices thereof to be given to all interested parties.

(4) If the *county judge/executive* [court] at any time has sufficient evidence before *him* [it] to enable *him* [it] to ascertain what would be a just compensation to the proprietors and tenants, and if the proprietors and tenants are willing to accept what the *county judge/executive* [court] deems just, the *county judge/executive* [court], upon such acceptance being reduced to writing and signed by the proprietors and tenants, may determine to undertake the work, subject to the consent and approval of the fiscal court.

Section 307. KRS 178.090 is amended to read as follows:

Where the petition is for the establishment or alteration of a public road leading from the main public road, the court may refuse to undertake the proposed work or abandon it after having undertaken it, unless the petitioner, or someone for him, deposits with the *fiscal* [county] court a sum sufficient to pay all damage and cost sustained by reason of the establishment or alteration of the road. In such case the court may, if it thinks proper, establish the road upon condition that the petitioner shall pay all costs and damages, and make and keep the road in repair, and the court may also impose upon the petitioner, his heirs and assigns, and upon the public, such other conditions in reference to the road as the court finds just.

Section 308. KRS 178.100 is amended to read as follows:

From a decision of the *fiscal* [county] court ordering a new road to be opened, or ordering an alteration or discontinuance of an existing road, or allowing gates to be erected across a road or abolishing existing gates, or a decision refusing any such order, the party aggrieved may bring an [original] action in the circuit court to contest the decision of the fiscal court.

Section 309. KRS 178.110 is amended to read as follows:

(1) If the court decides to establish or alter a county road, bridge or landing, and the compensation to be paid for the right of way cannot be fixed by agreement, the right of way shall be condemned under the procedure set forth in the Eminent Domain Act of Kentucky.

(2) In case of roadbeds or bridges, or a portion of them, washing or slipping away, or in case of extreme emergency, and when in its judgment conditions warrant it, the *fiscal* [county] court may immediately open and have surveyed a road or passway to be temporarily used while the commissioners appointed under the Eminent Domain Act of Kentucky are acting, or while the matter is pending in the court to establish a permanent road or passway, and the commissioners shall assess the damages of the temporary road or use thereof. The same proceedings shall be had to recover damages as in recovery in regard to other roads.

(3) But when such compensation is ascertained it shall be at the option of the *fiscal* [county] court to pay it or to abandon the proposed undertaking. If it decides to pay the compensation, the fiscal court of the county shall include in its next levy an amount sufficient therefor.

(4) Not more than two (2) acres shall be condemned for a landing.

Section 310. KRS 178.117 is amended to read as follows:

Any such request for private improvement shall include all the information required by KRS 184.020 to accompany a request for the creation of a public road district pursuant to that section.

(2) The sponsors of the private improvement of the publicly dedicated road shall present their request, together with the attached maps and estimates of cost, to the *fiscal court* [county judge/executive], who shall turn over to the county engineer for his consideration the maps and estimates of cost. In considering whether to permit the requested improvement, the *fiscal court* [county judge/executive] and the county engineer shall follow the same procedures provided for in KRS 184.040 and 184.050, and the same appellate rights provided for in these sections are available to the petitioners. When the county engineer receives from the *fiscal court* [county judge/executive] an application for approval of plans or specifications for the private improvement of publicly dedicated roads by some individual or corporation, or a combination thereof, the county engineer shall be authorized and empowered to examine, inspect and investigate, as seems to be advisable, the sufficiency of the improvements which the application seeks to serve the purposes intended, and to establish and make reasonable charges for such services on the basis of a schedule adjusted according to the services required to make such investigation or on any other reasonable method.

(3) When it appears to the county engineer that the completion of the improvement by or on behalf of any such individual or corporation requires inspection and supervision in order to assure the protection of the public safety and the proper subsequent completion of such work for the purposes intended, the county engineer shall include such findings in his recommendation to the *fiscal court* [county judge/executive] approving, modifying or disapproving the particular plans and projects, and shall charge such person or corporation for such inspection and supervision on the basis of the actual cost of inspection plus a reasonable additional cost of supervision.

The order shall direct the sheriff to advertise the election and its object by publication pursuant to KRS chapter 424 and also by printed handbills posted at not less than four (4) public places in each voting precinct in the county and at the courthouse door. The election shall be held under the general election laws. The question shall be: "Are you in favor of issuing .... in bonds for the purpose of building roads and bridges?"

(3) All the money raised by the sale of bonds under this section shall be used solely for the construction of hard surface roads.

(2) The committee shall examine the place where the danger is complained of, and shall give 15 days' written notice to the persons making the complaint and the persons complained of, of an opportunity to be heard. After the hearing, the committee shall report its findings to the *fiscal* [county] court, which may make an order concerning the matter.

The same procedure set forth in KRS 178.330 for the establishment of a county through road system shall be followed in the case of roads or portions of roads detached therefrom. Notice of the proposed deletion from the system shall conform to KRS 424.130 (1) (b). The fiscal court may in its discretion detach or retain the road as a part of the county through road system. Nothing herein shall be construed as automatically deleting from the county through road system any portion of the system in territory which becomes incorporated as a city or which becomes annexed to a city.

(2) Nothing in this chapter shall be construed to take from the jurisdiction or control of the legislative body of any incorporated city, any road, bridge, landing or wharf, or any other thing exclusively under the jurisdiction or control of such city. Provided, however, That roads within a city of the first through sixth classes in a county containing a city of the first class may be made a part of the county through road system, in accordance with KRS 178.330 or 178.333, or both, with the agreement of the legislative body of said city.

The department or county *judges/executive* [courts, or the judges thereof,] may, by like notice, regulate or prohibit the operation of motor trucks or semitrailer trucks on state highways or county roads for limited periods of specified days, or parts of days, if their load and speed exceed those limits, whenever, in its or their judgment, such regulations or prohibition is necessary, by reason of traffic density or intensive use by the traveling public, to provide for the public safety and convenience on the highway.

(c) Whenever the county *judge/executive* [court] of any county containing a city of the first class or second class determines upon the basis of an engineering and traffic investigation and study that it is unsafe to park motor vehicles on or along any highway, other than a state highway, within the unincorporated areas of the county, or that in any business district the congestion of traffic justifies a reasonable limitation on the length of time any one (1) motor vehicle is permitted to park in such district so as to reduce such congestion, then the county *judge/executive* [court] may by order establish "no parking" areas on and along said highway, or limit the length of time any motor vehicle may be parked in any business district, which order or orders shall be effective at all times and during hours of daytime or nighttime and at such other times as may be determined when appropriate signs giving notice thereof are erected at such locations.

(1) The sheriff shall collect the taxes due the district at the same time and in the same manner in which he collects the state and county ad valorem tax and shall in like manner report to the county *judge/executive* [court], and make his annual and final settlement with the fiscal court of the county or counties involved. He shall be allowed a fee not to exceed four per cent (4%) for collection of this tax.

(2) Such taxes shall be subject to the same due and delinquency date, discounts, penalties and interest as are applied to the collection of ad valorem taxes.

Section 389. KRS 262.780 is amended to read as follows:

(1) Any one or more owners of land may petition the board of supervisors to have their lands added to a watershed conservancy district. Such petition shall define the boundaries of the land desired to be annexed, the number of acres of land involved, and other information pertinent to such proposal. When the boundary described embraces lands of others than the petitioners, the petition shall so state and shall be signed by twenty-five (25) or more of the landowners in the territory described, if fifty (50) or more such owners are involved, or by a majority if less than fifty (50) landowners are involved.

(2) Within thirty (30) days after such petition is filed, the board shall cause due notice to be given, as provided in KRS 262.010 (4), of a hearing on such petition. All interested parties shall have a right to attend such hearing and be heard. The board shall determine whether the lands described in the petition or any portion thereof shall be included in the district. If all the landowners in the territory involved are not petitioners, a referendum shall be held within such territory as provided in KRS 262.725, 262.730 and 262.735, before making a final determination. If it is determined that such land should be added, this fact shall be certified by the board of supervisors to the county [court] clerk in the county or counties involved. After recording, the certification shall be filed with the state soil conservation commission.

Section 390. KRS 266.010 is amended to read as follows:

In counties of less than 200,000 population, when it will be conducive to the public health, convenience or welfare or when it will be of public benefit or utility, the county *judge/executive* [court] may [, at any regular session,] establish and aid in the construction of any levee along a river or watercourse within or bounding the county. KRS 266.010 to 266.180 apply only to levees that have or may receive government aid. All levee districts established prior to 1914 and now existing under the laws of Kentucky are vested with all the powers and rights conferred by KRS 266.020 to 266.180 and are not deprived of any rights previously acquired.

Section 391. KRS 266.020 is amended to read as follows:

Before the county *judge/executive* [court] may establish any levee there shall be filed with the county clerk of the county a petition signed by at least five (5) landowners of the county, setting forth the necessity for the levee, with a general description of the proposed starting point, route and terminus and the names of the owners and tenants of lands over which the levee is to pass. If these names are not known it shall be so stated. The petitioners shall give bond with good and sufficient sureties, payable to the state, to be approved by the clerk, conditioned to pay all expense of establishing the levee, and the damages to the owners and tenants of lands over which it passes.

Section 392. KRS 266.025 is amended to read as follows:

(1) For the purpose of providing protection to lives and property by means of construction of levees, two (2) or more counties may join together to form a levee district.

(2) Before a county may participate in a multi-county levee district, the county *judge/executive* [court] shall determine that such participation is feasible and necessary. Such determination shall be made only after a duly advertised public hearing has been held by the county *judge/executive* [court].

(3) When the county *judge/exeuctive* [court] determines that a county shall participate in a multi-county levee district, it shall appoint commissioners as provided in KRS 266.030 to perform the duties outlined in KRS 266.040. If an adequate preliminary study and survey is in existence, the *county judge/executive* [court] need not comply with the provisions of KRS 266.030 to 266.080.

Section 393. KRS 266.080 is amended to read as follows:

Any party aggrieved may, within thirty (30) days, appeal to the circuit court of the county from the decision of the county *judge/executive* [court] ordering a levee established or refusing such order. Either party may appeal from the decision of the circuit court to the Court of Appeals.

Section 394. KRS 266.100 is amended to read as follows:

(1) The county *judge/executive* [court] shall, when *he* [it] establishes a levee, and every four (4) years thereafter, appoint five (5) resident landowners of the vicinity of the levee to be known as the board of levee commissioners. The commissioners shall serve for a term of four (4) years and until their successors are appointed. The county *judge/executive* [court] shall fill any vacancies in the board.

(2) When a multi-county levee district is established the board shall be appointed by the county *judges/executive* [courts] of the counties involved. Appointments shall be apportioned among the counties in ratio to the portion of the levee to be constructed within each county.

(3) The board of levee commissioners is a body politic, with the status of a corporation, and in its corporate name may do everything authorized by law with reference to public levees.

Section 395. KRS 266.170 is amended to read as follows:

(1) Whenever it is necessary for the board to have sufficient funds to enable it to pay the interest and principal of any bonds, or any liability incurred necessary in the reconstruction, repair or maintenance of any public levee constructed under laws other than the general laws of the state pertaining to drainage of lands, the board or any landowners benefited by the reconstruction, enlargement, repair or maintenance of the levee may *petition the county judge/executive of the county* [proceed in the county court] of the board's appointment to have the lands benefited by the reconstruction, enlargement, repair or maintenance classified and formed into a district and assessed to pay the interest and principal of the bonds or other liability in the same manner as provided in the general laws pertaining to drainage of lands.

(2) A proceeding to have the lands protected by such levee assessed for the repair or maintenance of the levee for the current year shall enable the board to make, annually thereafter, an assessment of a like amount against the land in the district protected by the levee, and, in any year thereafter, an assessment of such a lesser amount as the board considers necessary to repair and maintain the levee. When the cost of the reconstruction and enlargement of the levee cannot be paid out of annual assessments made for the repair or maintenance of the levee, as hereinbefore set out, original proceedings may be had to classify the land benefited by the reconstruction or enlargement and form the land into a district and make assessments against the land so benefited for the cost thereof as often as necessary.

(3) Assessments made under this section shall not be defeated on account of any irregularity in the proceedings that does not affect the substantial rights of the party complaining.

Section 396. KRS 266.190 is amended to read as follows:

When it will be conducive to the public health, convenience or welfare, or when it will be of public benefit or utility, the county *judge/executive* [court] of any county may [, at any regular session,] establish and aid in the construction of any levee along a river or watercourse within the county in the manner and subject to the provisions of KRS 266.020 to 266.090, subsection (1) of KRS 266.100, KRS 266.120, subsection

(1) of KRS 266.150, and KRS 266.990, with the following exceptions:

(1) In KRS 266.120 persons rendering aid in the repair or protection of the levee shall be paid at the rate of one dollar ($1.00) per day.

(2) In KRS 266.150 the tax collected shall be paid over to the board of levee commissioners.

Section 397. KRS 267.010 is amended to read as follows:

As used in this chapter, unless the context otherwise requires:

(1) "Board" means the county board of drainage commissioners, or, in counties having seventy-five (75) or more separate drainage districts, or in counties availing themselves of the provisions of KRS 267.390 (3) (b) and 267.490 as provided in KRS 267.495, the drainage commissioner.

(2) "District" means drainage or levee district.

(3) "Improvement" means the construction, reconstruction, straightening, widening or deepening of any ditch, drain, canal, creek, levee or watercourse.

(4) "Sheriff" includes any collecting officer.

(5) "Viewers" means the board of viewers appointed by the county *judge/executive* [court].

(6) The power to appoint includes the power to remove at any time.

Section 398. KRS 267.020 is amended to read as follows:

Any county *judge/executive* [court] may, for the purpose of draining or reclaiming low, swampy or overflowed land in the county, locate, establish and have constructed any levee, ditch, drain or canal, and have constructed, straightened, widened or deepened any ditch, drain, creek, or nonnavigable watercourse, and have reconstructed any ditch, drain, creek, levee or canal heretofore constructed under any drainage law.

Section 399. KRS 267.030 is amended to read as follows:

(1) Before the county *judge/executive* [court] shall order an improvement made, there shall be filed with the county clerk a petition signed by at least twenty-five per cent (25%) of the landowners or by the owners of at least twenty-five per cent (25%) of the land in the proposed district shown by the petition. If the district proposed to be improved is located in more than one (1) county, the petition may be filed in either county, and the county *judge/executive* [court] of the county in which the petition is first filed shall have jurisdiction.

(2) The petition shall set forth the land in the county and any adjoining county proposed to be improved, so described as to convey a general idea as to the location of the land, and that the improvement would result in public benefit or utility, or that the public health, convenience or welfare would be promoted by the improvement. There shall also be set forth, as far as practicable, the starting point, route, terminus and lateral branches of the proposed improvement, and the names of the owners of the lands so far as known to the petitioners, likely to be affected by the improvement.

(3) Before any action is taken on the petition, one or more of the petitioners shall execute a bond, with two (2) or more individual sureties, or with some lawful surety or bonding company, to be approved by the county clerk in either event, to the Commonwealth, for the use and benefit of any party in interest, in a sum not to exceed two hundred dollars ($200) per mile for each mile in length of the proposed improvement, conditioned for the payment of all costs and expenses incurred in case the *county judge/executive* [court] fails to grant the petition. If, at any time during the proceeding, the *county judge/executive* [court] is satisfied that the bond first executed is insufficient, it may require the execution of additional bonds, and upon failure of the petitioners to execute additional bonds when required the petition shall be dismissed.

Section 400. KRS 267.040 is amended to read as follows:

When the petition and bond have been filed with the county clerk, the county *judge/executive* [court, whether at a regular term time or not,] shall appoint a competent civil and drainage engineer and two (2) resident freeholders of the county, who shall constitute a board of viewers to examine the land described in the petition and to make a preliminary report. The two (2) freeholders shall be persons not named in the petition as interested, and not related to any of the parties named in the petition as interested. Before entering upon their duties, the viewers shall be sworn to faithfully and impartially perform their duties to the best of their ability.

Section 401. KRS 267.050 is amended to read as follows:

(1) The viewers shall proceed to examine the land in the territory or district described in the petition, and any other land that may be affected or that may be necessary to locate properly the improvement petitioned for, along the route described in the petition or any other route that in their opinion may be more practicable. They may make any surveys necessary to determine the boundaries and elevations of parts of the district, and shall file with the county clerk within thirty (30) days from the date of their qualification, unless the time is extended by order of the county *judge/executive* [court], a written report covering the following matters:

(a) Whether the proposed improvement is practicable and the route the proper one.

(b) Whether the proposed improvement will benefit the public health, comfort or convenience, or any public highway, or be conducive to the general welfare of the community in which it is to be located.

(c) Whether the proposed improvement will benefit the land sought to be benefited.

(d) Whether all the land that will be benefited is included in the proposed drainage district.

(2) If the viewers find the improvement practicable, but the route named in the petition improper or impracticable, they may so state, showing the proper and practicable route. If they find that any land mentioned in the petition as being benefited is not benefited or affected, they shall so state, giving the name of the owner thereof. If they find any land benefited or affected by the proposed improvement that is not mentioned or described in the petition, they shall so report, giving the name of the owner thereof. They shall verify the correctness of the statements of the petition relative to ownership of land affected, and by their report correct any errors therein. With the report there shall be filed a map of the proposed district, showing the location of the proposed improvement, with all laterals, arms or branches, and the land that will be affected thereby, together with such other information as they deem necessary.

(3) The report shall be considered by the county *judge/executive within thirty (30) days* [court at the next regular term] after the report is filed. If the report shows that the proposed improvement is not practicable, or that it will not benefit the public health or any public highway, or be conducive to the general welfare of the community, the petition shall be dismissed at the cost of the petitioners.

Section 402. KRS 267.070 is amended to read as follows:

(1) Any person who has filed exceptions, or the petitioners, if they consider themselves aggrieved, shall be granted an appeal to the circuit court from the *order* [judgment] of the county *judge/executive* [court]. The party appealing shall file with the circuit clerk a certified copy of the *order* [judgment], and execute bond with at least two (2) freehold sureties, or some lawful surety company, conditioned that he shall prosecute the appeal and pay all costs that may be adjudged against him in the circuit court. Unless the copy of the *order* [judgment] is filed and the bond executed before the circuit clerk within ten (10) days from the rendition of the *order* [judgment] by the county *judge/executive* [court], the *order* [judgment] of the county *judge/executive* [court] shall be final, and no appeal shall thereafter be taken. If an appeal is taken, the *county* clerk [of the county court] shall [, by the first day of the next term of the circuit court,] transmit all original papers to the clerk of the circuit court, and all orders of the county *judge/executive* [court] may be read in evidence by either side, without being copied. The proceeding shall be docketed and tried in the circuit court as other civil cases are tried, except that the issues shall be confined to those raised in the *proceeding before the county judge/executive* [county court], and no summons need issue on the appeal.

(2) An appeal may be taken to the Court of Appeals from the judgment of the circuit court in accordance with the Rules of Civil Procedure.

(3) When the judgment of the circuit court becomes final, the circuit clerk shall return to the county clerk all the original papers in the case, and shall file with him a certified copy of the judgment of the circuit court.

Section 403. KRS 267.080 is amended to read as follows:

If no exceptions are filed to the viewers' preliminary report, it shall be confirmed by the county *judge/executive* [court at the first term of court that convenes] after all the parties are before the court for the length of time provided in KRS 267.060. If exceptions are filed and the final *order issued* [judgment rendered] on the exceptions necessitates any change in the viewers' report, the county *judge/executive* [court, at any regular term after judgment on the exceptions becomes final,] shall enter any orders necessary to carry into effect the *order issued* [judgment of the court as rendered], and shall by such orders make any necessary changes in the viewers' report. If any land shown by the viewers' report to be affected is released, it shall be stricken from the district; if other land not embraced by the viewers' report is found to be benefited or affected, it shall be added to the district, and the owner brought before the court as provided in KRS 267.060. When the viewers' report is finally confirmed, or finally changed, the county *judge/executive* [court] shall establish the district, which shall be designated by name or number so as to distinguish it from any other district. After the district is established, the court shall refer the report of the viewers to the board of drainage commissioners provided for by KRS 267.100, to have made a complete survey, plans and specifications for the improvement. Their report shall be filed within thirty (30) days thereafter.

Section 404. KRS 267.090 is amended to read as follows:

(1) In every county where an improvement has been made under former laws or is made under this chapter, except those counties having seventy-five (75) or more separate drainage districts or those counties availing themselves of the provisions of KRS 267.390 (3) (b) and 267.490 as provided in KRS 267.495, the county *judge/executive* [court] shall annually call an election in each district, to be held in the courthouse at the county seat on some day in May designated by *him* [the court]. At this election the taxpayers of each

district shall elect a director to represent the district on the board of drainage commissioners. The county judge/executive shall preside at the election of each district, which shall be by viva voce vote of each member present at the hour designated by the *county judge/executive* [court]. The districts of the county shall be numbered by the *county judge/executive* [court], and the elections shall take place in the numerical order of the districts. If any district is not represented at the election, the county *judge/executive* [court] shall appoint a taxpayer of that district as director to represent the district. The county *judge/executive* [court] shall fill all vacancies by appointment. The call for election shall be made at least ten (10) days before the election by posting notice at the courthouse door and by publication pursuant to KRS chapter 424.

(2) If the county *judge/executive* [court] fails to carry out any of the provisions of this section, any five (5) taxpayers in any drainage district coming under the provisions of this chapter may call an election, and shall upon the day of the election designate one of their number to act in place of the county judge/executive, with all the rights of the county *judge/executive* [court] under this section.

(3) In counties having seventy-five (75) or more separate drainage districts or in counties availing themselves of the provisions of KRS 267.390 (3) (b) and 267.490 as provided in KRS 267.495, the provisions of KRS 267.010 and 267.490 shall be followed.

Section 405. KRS 267.150 is amended to read as follows:

When the engineer's report is filed, the board shall meet and receive and adopt it, with any modifications that may be determined upon, and shall notify the county *judge/executive* [court] of its action. Within ten (10) days thereafter, the county *judge/executive* [court] shall enter an order referring the proceedings to the original viewers for the purpose of assessing damages, and making classification of the land for assessment. The county clerk shall notify the viewers of the *county judge/executive's* [court's] action, and set a day for them to meet at the county clerk's office of the county in which the proceeding is pending. Unless the time is extended the viewers shall file their report within sixty (60) days from the time the proceedings are referred to them.

Section 406. KRS 267.210 is amended to read as follows:

When the final report of the viewers is completed and filed, it shall be examined by the *county judge/executive* [court], and if it is found to be legal and in due form it shall be accepted, and if not it may be referred back to the viewers with instructions to secure further information, to be reported at a subsequent date fixed by the *county judge/executive* [court]. The chief engineer shall examine the report, and may recommend any changes in the plan of drainage for final adoption by the board. Such changes, when adopted, shall become a part of the plan. When the report is completed and accepted by the *county judge/executive* [court], with any changes in the plan adopted by the board, a date not less than twenty (20) days thereafter shall be fixed by the *county judge/executive* [court] for the final hearing upon the report, and notice shall be given by publication pursuant to KRS chapter 424, and by posting a notice on the door of the courthouse in each county in which land affected is assessed, and at five (5) conspicuous places throughout the district. During this time a copy of the report shall be on file in the office of the *county* clerk [of the county court] in which the proceeding is pending, and shall be open to the inspection of any landowner or person interested within the district.

Section 407. KRS 267.290 is amended to read as follows:

After the classification of the land and the ratio of assessment of the different classes has been confirmed by the *county judge/executive* [court], the board shall prepare an assessment roll or drainage tax duplicate, giving a description of all the land in the district, the name of the owner, so far as can be ascertained from the public records, and the amount of assessment against each tract of land. In preparing this assessment roll the board shall ascertain the total cost of the improvement, including the damages awarded to the owners of land and private ditches, the costs of the proceeding and all wages paid or to be paid, including the wages of the treasurer and employes of the board, and shall deduct any special assessment made against any railroad or highway. The remainder shall be the amount to be paid by the land benefited. This amount shall be assessed against the land according to the benefit received, as shown by the classification and ratio of assessment made by the viewers and confirmed by the court. Attached to this drainage assessment roll or filed with it shall be a statement of the cost of the work to be done, including the damages awarded to the owners of land and private ditches, the costs of the proceeding, all wages, salaries and fees, including fees to attorneys, engineers and other agents, and all other expenses, with five per cent (5%) in addition to meet any unforeseen contingencies. This drainage tax roll and statement of cost shall be made in duplicate and signed by the president and secretary of the board. One (1) copy shall be filed with the secretary of the board and the other with the *county* clerk [of the county court] in which the proceeding is pending.

Section 408. KRS 267.300 is amended to read as follows:

(1) *When* [If] the copies of the assessment roll and statement of costs are filed with the county clerk [more than ten (10) days before the first day of the next regular term of the county court], the clerk shall give notice, by publication pursuant to KRS chapter 424 in the county, of the filing of the assessment roll and statement, and that they will be heard on *a date specified, which shall be not less than fifteen (15) nor more than thirty (30) days after the date of filing.* [the first day of the next succeeding term of the county court. If copies are not filed more than ten (10) days prior to the first day of the next term of court, then on the first day of the term the court shall set the same for hearing, and the clerk shall give notice of the time of the hearing by publishing the notice pursuant to KRS chapter 424. In either event,] The clerk shall also cause notices to be posted on the front door of the courthouse and in five (5) public places in the district more than ten (10) days prior to the hearing.

(2) The *county judge/executive* [court] shall hear in a summary way any objections to the cost of the improvement and to the assessment of land, and shall enter an order confirming the assessment roll or directing the board to change it in accordance with the finding of the court. No question or objection that could have been raised to the final report of the viewers or at any time before the filing of the assessment roll or statement of cost can be raised by exceptions to the assessment roll or statement of costs. The order of the *county judge/executive* [court] shall be final and may be appealed from in the same manner as from orders cofirming a report of the viewers.

(3) The order shall direct the *county* clerk [of the court] to certify to the county treasurer a copy of the assessment roll as filed by the board or as changed by the court. One (1) copy of the assessment roll shall be retained by the clerk and recorded as part of the drainage record. If land in any other county is assessed, another copy of the assessment roll so far as it relates to land in that county shall be filed with the county clerk of that county.

Section 409. KRS 267.330 is amended to read as follows:

(1) At the expiration of thirty (30) days after publication of the notice required by KRS 267.320, the board may divide the unpaid assessments into annual instalments, not less than two (2) nor more than thirty (30), which shall draw interest at the rate of six per cent (6%) per annum, payable annually, from thirty (30) days after the date of publication, and may issue bonds to anticipate their collection, which bonds shall mature in series to correspond with the instalments into which the unpaid assessments are divided. The bonds shall draw interest at the rate of six per cent (6%) per annum, payable annually, and be payable at some place designated by the board. The bonds shall be for the exclusive use and benefit of the district, and shall designate on their face the name of the district and the purpose for which they were issued. The board, in dividing the unpaid assessments into instalments, shall fix the time for payment in each year so that each instalment will be due at least one hundred and twenty days (120) before the bonds issued to anticipate the collection of that instalment become due. Each landowner whose land is in lien for the payment of the bonds shall pay to the treasurer each instalment due against his land, with all interest due at that time on that instalment and deferred instalments, on or before the time fixed by the board for the maturity of the instalment.

(2) On the first Monday after any instalment is due, the board shall meet and ascertain the persons whose instalments are in default, and shall, on that date, issue warrants to the sheriff directing him forthwith to collect those instalments. The sheriff shall collect each instalment with interest due on that and deferred instalments, together with a penalty of six per cent (6%), as state and county taxes are collected, and settle with the board within sixty (60) days from the date the instalments were certified to him, and pay to the board the money collected.

(3) All land upon which the money due on any instalment has not been collected at the end of the said sixty (60) days shall forthwith be advertised and sold by the sheriff in the same manner as is provided in the case of state and county taxes. The sale shall be subject to the future instalments of the assessments. At the expiration of ninety (90) days from the date of the original certification of the instalment to the sheriff, he shall make final settlement with the board and pay to it all money in his hands. If he fails to do this the board may compel him to make settlement by rule against him issued by the [county] court in which the proceeding is pending, after giving him five (5) days' notice in writing. If any land is not purchased at the sale, the sheriff shall purchase it for the district, and in his final settlement with the board shall take credit therefor. The sheriff shall certify each sale to the county [court] clerk, as required in the sale of land for state and county taxes, and the clerk shall record such sale in the land sale book kept by him. For collecting the assessments certified to him the sheriff shall be paid by the board the same fees allowed him for collecting state and county taxes and in the same manner. For recording the certificate of sale the clerk shall be paid the same fees allowed him by law for similar work in reference to state and county taxes. The owner of such land, or his representatives, heirs or assigns, may redeem the land from the sale in the manner and within the time provided for the redemption of land sold for state and county taxes. Any sheriff who fails to settle and pay off any instalment with interest within the proper time shall be liable to the board for the full amount certified to him, with interest. This may be collected from the sheriff by rule issued against him by the [county] court in

which the proceeding is pending on five (5) days' written notice. The sheriff shall be liable upon his bonds for his acts done and for the faithful performance of his duties under this section.

(4) This section does not deprive the holder of any bond from having all rights by mandamus or otherwise against the board, the sheriff or any other officer or agent of the district having duties to perform under this section.

Section 410. KRS 267.350 is amended to read as follows:

(1) When the county *judge/executive* [court] has confirmed an assessment for any improvement and it has been modified by a court of superior jurisdiction, or for some unforeseen cause it cannot be collected, the board may change the original assessment to conform to the judgment of the court and to cover any deficit caused by the order of the *county judge/executive* [court], or unforeseen occurrence.

(2) In any other case where, for any cause, it is ascertained that the amount assessed against the property in the district is not sufficient to complete the improvement provided for, and a petition is filed by the board, or any three (3) or more of the original petitioners, or by the board and three (3) or more of the petitioners, stating the amount of the deficit, the causes thereof and the amount necessary to be raised in order to complete the work, and asking an additional assessment and levy, the county *judge/executive* [court] shall cause *the county* [its] clerk to give notice of the filing and purpose of the petition, and shall fix a time between ten (10) and twenty (20) days from the giving of the notice when the petition will be acted upon, and exceptions, answers or objections received. The notice shall be published pursuant to KRS chapter 424, and posted in at least three (3) public places in the district. Such publication shall be sufficient notice of the proceeding to all parties affected. Upon hearing, if the *county judge/executive* [court] finds that the additional assessment and levy asked for in the petition are necessary and ought to be made in order to complete the work, *he* [it] shall direct such assessment and relevy to be made by the board.

(3) Any additional assessment and relevy made under this section shall be made in the same ratio on the land benefited as the original assessment, and shall be collected in the same way.

Section 411. KRS 267.420 is amended to read as follows:

(1) The fees of officers for services rendered under this chapter shall be the same as fees allowed by law for similar services in other cases. Such fees shall be taxed as part of the costs. The *county judge/executive* [court] shall also *include* [tax] as costs reasonable fees to the attorneys for the petitioners in the proceeding to establish the improvement. All costs shall be paid on the order of the *county judge/executive* [court] out of the drainage fund. The compensation allowed for services of the engineers, viewers and for all other labor, unless paid out of funds deposited by the petitioners, shall be paid on the order of the *county judge/executive* [court] out of the drainage fund. If any part of such expense has been paid by the petitioners, or any deposit for that purpose has been made by them, it shall be refunded to them, without interest, out of the drainage fund. If the improvement is not established, all such costs and expenses shall be paid by the petitioners, and they shall be liable for the same on their bond.

(2) If any person, including any engineer or viewer, who has performed labor in connection with the improvement up to the time of final reference to the board, desires payment of the amount due up to that time, he may so inform the county *judge/executive* [court], which shall thereupon notify the petitioners or their attorneys of record of such fact in writing, stating the amount required, and call upon the petitioners to deposit with the county treasurer an amount sufficient to pay the same. The petitioners shall then deposit that amount within thirty (30) days from the date of receiving the notice. If they fail to pay it within that time, the proceeding may be dismissed at the cost of the petitioners. The treasurer shall pay out the money so deposited with him upon order or warrant of the board, if then appointed, and if not, on order of the county *judge/executive* [court].

(3) The compensation of the engineer on the board of viewers shall be fixed by the *county judge/executive* [court] at or before the time of his appointment, by order entered of record. The other viewers shall receive four dollars ($4.00) per day for the time actually engaged in performing their duties. Rodmen, chain carriers and other laborers employed in the work shall receive not exceeding two dollars ($2.00) per day for their services. Any fees or compensation not provided for in this chapter shall be fixed by the county *judge/executive* [court] unless the person providing the services is employed by the board, in which case the board shall fix his fees or compensation. The treasurer shall only pay out money on order of the county *judge/executive* [court], or on warrants drawn by the board, signed by its president and countersigned by its secretary.

Section 412. KRS 267.510 is amended to read as follows:

(1) As soon as practicable after the judgment establishing a separate drainage district becomes final, the county *judge/executive* [court] shall, with the advice and assistance of the engineer, enter an order dividing the district into three (3) precincts, as near equal in area of lands reported as benefited as is practicable, and calling a meeting of the landowners affected, to be had at some public place in the county in which the

proceeding is pending, at a day and hour fixed in the order. The date for the meeting shall be not less than twenty (20) days from the entry of the order calling it. The county clerk shall give notice of the meeting by publication pursuant to KRS chapter 424, and by posting not less than five (5) posters in different public places in the district at least fifteen (15) days before the date set. The landowners, when assembled, shall organize by the election of a chairman and secretary of the meeting, who shall conduct the election. At this election each acre of land, as near as may be arrived at by estimate or from the evidence heard before the county *judge/executive* [court] on the cross-petition, shall represent one (1) share, and each owner shall be entitled to one (1) vote for each share estimated to be owned by him in the district. The name of at least one (1) person shall be put in nomination for the office of district commissioner from each of the three (3) precincts. The one (1) person from each of the three (3) precincts receiving the highest number of votes shall be declared elected as district commissioner. The district commissioner shall immediately by lot determine the terms of their office, which shall be, respectively, one (1), two (2) and three (3) years, and shall serve until their successors are elected and qualified.

(2) Each year after the election of the first district board, at such time and place in the district as the district board designates, and after notice, as above provided, the landowners in the district shall meet and elect one district commissioner, who shall be an owner of land in the same precinct as that in which the district commissioner whose term is about to expire owns land, and who shall hold office for three (3) years and until his successor is elected and qualified. In case of a vacancy in any office of district commissioner, the remaining district commissioners may fill the vacancy, with some person having the precinct qualification, until the next annual election, when a successor shall be elected for the unexpired term. A district commissioner whose term is expiring shall be eligible for re-election.

Section 413. KRS 267.540 is amended to read as follows:

Any drainage district organized under the provisions of this chapter may be enlarged and the boundaries extended so as to include other contiguous land, in the manner set forth in this section. The board may present a petition to the county *judge/executive* [court] that organized the district, asking that the boundaries of the district be extended and such outlying land be included in the district, particularly describing the land and giving the name of the owner. When such petition is filed, the owner of any land to be included in the district shall be brought before the *county judge/executive* [court] in the same manner as an original party to the proceeding, with the same right to protest against the proposed action or file exceptions thereto. If no objection is made to the petition, the *county judge/executive* [court] shall order the land included and the boundaries enlarged or extended as prayed. If any objection is made, the *county judge/executive* [court] shall hear the objection and shall order all or any part of the land included as appears just, and the boundaries shall be ordered changed accordingly. The land so included shall be subject to all dues, assessments and liabilities and entitled to all the benefits and privileges of the district the same as the land originally incorporated. The owner of any land contiguous to any such district may by petition to the *county judge/executive* [court] and with the consent of the board have his land annexed to the district on such terms as the *county judge/executive* [court] may deem just, and thereafter his land shall be part of the district the same as the other land in the district.

Section 414. KRS 267.570 is amended to read as follows:

At any time a majority in number and amount of those assessed for the maintenance of any improvement may petition the county *judge/executive* [court] for a discontinuance of the improvement. The petition shall give the names of all persons interested in the maintenance of the improvement and owning land in the district. The *county judge/executive shall set a hearing date* [court shall place the petition upon the docket of the court that convenes] not less than fifteen (15) days after *the* [its] filing *of the petition*, and shall issue notices and cause them to be served upon all parties interested, notifying them *of the date* that the *county judge/executive* [court] will consider the petition [at the next term]. If no valid reason is shown against the discontinuance of the improvement, the *county judge/executive* [court] shall enter an order discontinuing it, after which it shall cease to be a public improvement. An appeal may be had from the order to the circuit court, as provided in the establishment of improvements.

Section 415. KRS 268.360 is amended to read as follows:

(1) As soon as the drainage assessment record is completed, the board shall deliver the copies to and file them with the *county* clerk [of the county court] in which county the district is organized. The clerk shall receive them, and, beginning within five (5) days, publish notice of such filing pursuant to KRS chapter 424. The notice shall be in substantially the following form:

"State of Kentucky [, ... court].

"County of .....

"In the matter of the .... (drainage), (levee), (reclamation) district. Notice is hereby given to all persons interested that the board of drainage commissioners of .... County did on the .... day of ...., 19.., file in my office

.... copies of the drainage assessment record for the above district in which they show the aggregate costs of the improvements to be made according to the plan for reclamation, also the aggregate of all benefits to property and the minimum district assessment and the apportionment thereof to each piece of property, together with the total of such assessments which are to be paid for each separate piece of property.

"All persons interested are hereby notified that they may inspect this record at any time, and are given until .... to file written objections to these final assessments.

"Unless you file objections thereto by that date, it will be taken for granted that the assessments are correct, and correctly apportioned to each separate piece of property, and they will be confirmed, and become the fixed assessments upon each piece of property.

"Given under my hand as *county* clerk [of the .... county court,] on this the .... day of ...., 19...

.... Clerk."

(2) If objections are filed, they shall be determined by the *county* judge*/executive* in a summary way. If errors are found, they shall be by proper orders corrected. The order of the *county* judge*/executive* shall direct the clerk to show such corrections on all the copies of the assessment record in red ink. When all errors in the assessment are ordered corrected by the *county* judge*/executive*, he shall approve the assessment record.

(3) The final order of approval and confirmation by the *county* judge*/executive* shall be final and conclusive upon all property within the district. The assessment record, when corrected by the clerk under orders of the *county* judge*/executive*, shall be indorsed by the *county* judge*/executive* as the assessment record of the district, and thereafter no question may be raised concerning the correctness of any assessment shown in the record.

(4) One (1) of the several copies of the assessment record, properly corrected and indorsed by the *county* judge*/executive*, shall remain in the office of the *county* clerk [of the county court]. The remaining copies shall be certified and delivered by the clerk to the secretary of the board of the county in which the district was organized.

Section 416. KRS 268.370 is amended to read as follows:

(1) The board of drainage commissioners may, if in their judgment it seems best, issue bonds on behalf of any district under their control, not to exceed ninety per cent (90%) of the total amount of the minimum district assessments levied upon the property of the district approved by the *county*judge*/executive*. The bonds shall be in denominations of not less than one hundred dollars ($100), bearing interest payable annually from the date of issue at a rate not to exceed six per cent (6%) per annum, to mature at annual intervals within thirty (30) years, commencing after a period of years not later than five (5) years, to be determined by the board. Both principal and interest shall be payable at some convenient bank or trust company's office, to be named in the bonds. The bonds shall be signed by the president of the board, attested with the seal of the board and the signature of the secretary and countersigned by the *county* clerk [of the county court] of the county in which the district is organized. All bonds shall be executed and delivered to the treasurer of the district, who shall sell them in such quantities and at such dates as the board considers necessary. The funds derived from the sale of bonds shall be used only to pay the cost of improvements and the expenses, fees and salaries authorized by law. The secretary of the board shall certify to the *county* clerk [of the county court] in which the district was organized a copy of the resolution authorizing and directing the issuance of the bonds, which shall contain a list of the bonds, their dates of maturity and amounts. The clerk shall record this resolution in the lis pendens record in his office. Bonds shall not be sold for less than their par or face value at the date of issue. They shall show on their face the purpose for which they are issued.

(2) The bonds shall be payable out of money derived from the assessments upon property, and a sufficient amount of the drainage assessment shall be appropriated by the board to pay the principal and interest. This sum shall be preserved in a separate fund for that purpose. All bonds and coupons not paid at maturity shall bear interest at the rate of six per cent (6%) per annum from maturity until paid, or until sufficient funds for their payment have been deposited at the place of payment, and this interest shall be appropriated by the board out of the penalties and interest collected on assessments or any other available funds of the district. The board, in making the annual levy of assessments, shall take into account the maturing bonds and interest on all bonds and make ample provisions in advance for their payment. If the proceeds of the original levy of assessments are not sufficient to pay the principal and interest of all bonds issued, the board shall make any additional levy upon benefits assessed necessary for this purpose. However, no levy of assessments shall be made in excess of the benefits to the property as shown by the report of the appraisers, as corrected, that will in any manner impair the security of bonds or the fund available for the payment of the principal or interest.

(3) When he receives the bonds the treasurer shall execute and deliver to the president of the board a bond with good and sufficient sureties, to be approved by the board, conditioned that he shall account for and pay over as required by law and as ordered to do by the board all money received by him on the sale of any bonds, and that he will only sell and deliver such bonds to the purchaser thereof according to the terms of this

section, and that he will return, duly canceled, any bonds not sold to the board when ordered by it to do so. This bond shall remain in the custody of the president of the board, who shall produce it for inspection or as evidence whenever legally required to do so. The bond of the treasurer may, if the board directs, be signed by a surety or bonding company, which may be approved by the board. The successor in office of any treasurer shall comply with all provisions applicable to his predecessor before receiving bonds or their proceeds. The treasurer shall promptly report all sales of bonds to the board.

(4) The board shall, at reasonable times thereafter, prepare and issue warrants for the payment of the maturing bonds so sold and the interest payments coming due on all bonds sold. Each warrant shall specify what bonds and accruing interest it is to pay, and the treasurer shall place sufficient funds at the place of payment to pay the maturing bonds and coupons when due, as well as a reasonable compensation to the bank or trust company for paying them, not to exceed two dollars and fifty cents ($2.50) for each one thousand dollars ($1,000) par value of bonds or coupons paid.

Section 417. KRS 268.410 is amended to read as follows:

(1) In December of each year the board shall certify to the sheriff of each county in which any part of the district is located the annual instalment of the assessments to become due and be collected during the succeeding year. This instalment shall be collected at the same time as state and county taxes.

(2) The certificate of the instalment of assessment shall be in substantially the following form:

"Commonwealth of Kentucky.

County of .....

To the sheriff of .... County:

"This is to certify that the board of drainage commissioners of .... County, Kentucky, on behalf of drainage district No. .... of .... County (Counties), Kentucky, has levied the sum of $.... as the annual instalment of assessments for the year 19.., of the total assessment levied and certified to the *county* clerk [of the county court] of your county. The board, on behalf of the drainage district, also levies $.... as a maintenance assessment for that year, both of which are set out in the following table, in which are: First, the names of the owners of property as they appear on the district assessment register; second, the amount of the instalment of the assessment levied on that property due and collectible for the year 19..; third, the amount of maintenance assessment levied against it. The assessment shall be payable at the same time as state and county taxes and you are ordered to demand and collect the assessments at the same time you demand and collect the state and county taxes due on the same property. This certificate shall be your warrant and authority for making such demand and collection."

(3) A table or schedule shall follow, showing in properly ruled columns: First, the names of the owners as they appeared in the district assessment register; second, a brief description of the property opposite the names of the owners; third, the amount of the annual instalment of assessment on each piece of property; fourth, the amount of maintenance assessment; fifth, a blank column in which the collector shall record the amounts collected by him; sixth, a blank column in which the collector shall record the date of payment of each sum; seventh, a blank column in which the collector shall record the name of the person paying each sum. The columns in which the annual instalment and the maintenance assessment appear shall be totaled. The total amount shall correspond to the amount set out in the certificate.

(4) The certificate and table shall be prepared in the form of a well-bound book, indorsed and named "Collector's drainage assessment book, drainage district No. .... of .... County (Counties), Kentucky, for the year 19..." This indorsement shall also be printed on the top of each page. At the end of the table of assessments shall be these words:

"Done by order of the board of drainage commissioners of .... County on this .... day of ...., 19...

Attest: .... Secretary .... President (Seal)"

Section 418. KRS 268.420 is amended to read as follows:

(1) The sheriff of each county of the district shall receive the collector's drainage assessment book each year. He shall promptly and faithfully demand and collect the assessments at the same time that he demands and collects the state and county taxes due on the same property. If any property has been divided or transferred, the sheriff shall receive payment of assessments on any part charged with the assessments and give his receipt accordingly, and show therein upon what part of the property the assessment has been paid. The collector's drainage assessment book shall be the warrant and authority of the sheriff for making demand and collection of drainage assessments. The fee of the sheriff for collecting drainage assessments shall be four per cent (4%), which shall be added to the regular assessment. The sheriff shall return all collector's drainage assessment books each year to the secretary of the board, and shall pay over and account to the treasurer of the district for all money collected thereon each year at the same time he pays over state and county taxes.

(2) If the assessment has not been paid to the sheriff or collector on any parcel of land or property described in the assessment register certified to him during the year for which said assessment was levied or on or before the last day of February of the year immediately following the year for which said assessment

was levied and became due, a penalty of six per cent (6%) shall automatically attach thereto on and after said date, which shall be added to the assessment against such parcel or parcels of land on which the assessment has not been paid, to be collected in the same manner that the assessment is collected; and unless so paid the sheriff or collector shall advertise and offer for sale the assessment lien claim of said district in the same manner as state and county tax claims are required to be sold, which sale shall be for the assessments, penalties, costs and expenses of making sale in the same manner and with the same force and effect as sales of tax claims for state and county taxes, and subject to redemption by the owner within the time, on the terms, upon the penalties and upon the same conditions that are now and may hereafter be provided by general law for the redemption of land or other property sold by the sheriff for state or county taxes.

(3) When an assessment lien claim is sold for the assessment herein provided for, if no one will bid for and purchase and pay for such claim so offered for sale, the amount of the assessment, penalty, interest and costs, including the costs for advertising such sale, it shall be the duty of the sheriff making such sale to purchase same for the board of drainage commissioners to which such assessment is due and owing, and he shall make report of such fact to the *county* clerk [of the county court] of the county in which such land or property is located, as required by law under sales to the state and county for state and county taxes. He shall also certify such facts in like manner to the secretary of the board of drainage commissioners, which report shall be received and kept by the secretary of such board and recorded by him in the general drainage record book kept by him.

(4) The purchaser of any such lands pursuant to a proceeding in enforcement of said assessment lien claim shall take said property subject to the future assessments to be levied against said property for making the improvement, including all such assessments becoming delinquent after the sale of the assessment lien claim thus enforced. The purchaser of such assessment lien claims shall have the same estate, right, title, and interest in the delinquent property that purchasers of certificates of delinquency acquire at sales of tax claims for state and county taxes, subject alone to the provisions of this section.

Section 419. KRS 268.610 is amended to read as follows:

Any owner who will be affected by the proposed changes, amendments and corrections enumerated in the petition provided for in KRS 268.600, may file objections to the granting of the prayer of the petition by the date named in the notice. The fiscal court will hear such petition and all objections filed against it in a summary manner and enter its order. The clerk of the court shall within fifteen (15) days after the entering of the order, transmit a certified copy of the order and a copy of the petition to the secretary of the board, who shall transmit a copy to the *county* clerk [of the county court] of each county in which any property in the district is located. The clerk shall file and preserve these copies in his office, for which he shall receive a fee of one dollar ($1.00). If the order of the court provides that the plan for reclamation be changed or the boundary lines of the district extended, the board shall direct the appraisers to appraise the property to be taken, assess benefits and damages and estimate the cost of the improvements as in KRS 268.260 and 268.270. The appraisers' report shall be treated in the same manner as is now provided for in the original formation of districts. If the petition is dismissed the party filing it shall pay the costs, but if it is sustained in whole or in part the objectors shall pay the costs.

Section 420. KRS 269.080 is amended to read as follows:

If the probable cost of the improvement is more than the income and revenues of the county for the year in which it is to be constructed, the county *judge/executive* [court] shall order an election to be held in the county to ascertain the will of the qualified voters. The proposition to be submitted to the voters shall state the amount, and object for which it is to be expended. The amount shall not exceed two per cent (2%) of the value of the taxable property for state purposes, ascertained by the assessment next before the last assessment for state purposes. The proposed debt shall be made payable so as not to require a tax rate of more than fifty cents (50¢) on each one hundred dollars ($100) in value of property subject to taxation for state purposes. If two-thirds (2/3) of those voting on the proposition vote for it, that fact shall be noted of record in the order book of the county *judge/executive* [court]. The county judge/executive shall then have semiannual coupon bonds of the county prepared, to be made payable not later than forty (40) years after date, but payable at the option of the county at any time after two (2) years after date. The bonds shall be signed by the county judge/executive and countersigned by the county clerk. The coupons may be signed by the county clerk only. The bonds, when signed, shall be turned over to the fiscal court of the county.

Section 421. KRS 269.090 is amended to read as follows:

The fiscal court may contract with any individual or corporation to do all work and to furnish all material in the execution of any such improvement voted for in the county, and may contract to pay in bonds, or may sell the bonds and pay for the improvement out of the proceeds. If bonds are sold to pay for the improvement, one or more commissioners shall be appointed by the county *judge/executive* [court], who shall give bond, with good and sufficient security, to sell the bonds and receive and pay out the money. The fiscal court shall levy taxes on the taxable property of the county sufficient to pay the interest on the bonds and pay off enough bonds each year to discharge them all within the time they are payable.

Section 422. KRS 269.100 is amended to read as follows:

If any pond, marsh or swamp land exists in a small part of any county, and the voters thereof desire to improve that part, and the cost of the improvement amounts to more than the revenue and income of the county for that year, the county *judge/executive* [court] may lay off such part of the county into a taxing district to tax the property thereof subject to taxation for state purposes to make the improvement. The *county judge/executive* [court] may submit the proposition to the taxing district in the same way provided for submitting the proposition to the whole county. If two-thirds (2/3) of the voters voting on the proposition vote for it, that fact shall be entered on the order book of the county and semiannual coupon bonds of the county shall be prepared, delivered and managed as in KRS 269.090, to be paid by taxation of the property in the district subject to taxation for state purposes.

Section 423. KRS 269.120 is amended to read as follows:

Upon written petition signed by more than one-half (1/2) of the landowners residing within the boundary of the district of the corporation, or their agents, guardians or personal representatives, the county *judge/executive* [court] of any county in which the corporation exists shall appoint a board of commissioners consisting of three (3) landowners over twenty-five (25) years of age, residing in that county, not interested in the corporation and not owning any land within its district. Each commissioner shall be paid out of the treasury of the corporation not exceeding five dollars ($5.00) for each day's service.

Section 424. KRS 269.130 is amended to read as follows:

Before entering upon the duties of his office, each member of the board shall take the following oath before the clerk of the circuit court: "I, ... do solemnly swear that I will faithfully perform the duties of commissioner to assess, apportion and rate taxes under KRS 269.120 to 269.230; that I will impartially perform the duties of my office; that I am in no way interested in the company, nor holder or owner of any land within its boundary; and that I am a landowner and resident of .... County, Kentucky, and over twenty-five years of age." Any vacancy among the commissioners shall be filled by the county *judge/executive* [court], but the failure of the *county judge/executive* [court] to appoint a person to fill the vacancy shall not invalidate the proceedings of the board of commissioners or prevent it from acting. Two (2) members shall constitute a quorum.

Section 425. KRS 269.150 is amended to read as follows:

(1) The board of commissioners shall cause to be published pursuant to KRS chapter 424, a notice substantially as follows:

"The .... company's tax notice.

"All holders and persons interested in land within the boundary of the .... company are hereby notified that the board of commissioners appointed by the county *judge/executive* [court] under KRS 269.120 has reported an assessment and apportionment upon the land, and on the .... day of .... (insert date) it was filed with the clerk of the circuit court. Any person having any complaint to make of excessive or unjust assessment or apportionments shall file such complaint in writing with the clerk of the circuit court within thirty days after the filing of said report. As soon as practicable after the expiration of such thirty days, the clerk will set it to a day for hearing.

Signed (insert name).
Signed (insert name).
Signed (insert name).
Board of Commissioners."

The board of commissioners shall also post copies of the notice at six (6) prominent places within the boundary, within seven (7) days after the filing of the report.

(2) Any person interested, including the corporation, may, within thirty (30) days from the filing of the report, file a complaint in writing with the clerk of the circuit court, specifying the parcel of land and alleged deficiency or partiality. The clerk shall assign the hearing of the complaints to the first day convenient to the circuit court at which the corporation and complainants may be heard. The court may pass upon the justice and fairness of the complaint summarily, and receive evidence if necessary, orally or in writing.

(3) The circuit court shall approve, reduce or increase the assessment, within the limits fixed by law. As to those lands with reference to which no complaint has been filed within thirty (30) days, the court shall confirm and approve the report. When all complaints have been determined, the court shall order the report as a whole approved and confirmed, and the assessments and apportionments shall be deemed conclusive and binding upon all parties. The court may correct any error in the report, or, if necessary, recommit it, or any

part of it, to the board of commissioners at any time before confirmation.

Section 426. KRS 269.180 is amended to read as follows:
The corporation shall have a lien for all taxes upon the land assessed and upon all personal property of the owners found upon the premises not exempt from execution, attachment, or distraint. This lien shall not be defeated by any means. It is a general lien such as arises for state and county taxes, and is superior to all other claims and liens except state and county taxes. For questions of limitation or apportionment as between vendor and vendee, it dates as of July 1 of each year. Unless suit is commenced or proceedings had within ten (10) years from July 1 of any particular year, the lien for that year's taxes shall be lost. After the action of the circuit court of the county upon the assessment and apportionment, the clerk shall certify a copy of it to the *county* clerk [of the county court], who shall record it in his office, together with a map showing the boundary of the corporation, and index the liens in real estate indexes in the name of the owner as grantor and the corporation as grantee. This record shall be notice to all persons of the taxes and any interest and costs thereon, and of the lien retained upon the land. When any tax has been paid, the president or treasurer of the corporation shall enter the word "paid" upon the record in the proper column, and enter the amount so paid and subscribe thereto the name of the corporation by him. The taxes shall be used by the corporation to maintain its system of ditches, and adding any necessary ditches and extensions, and for the general drainage purposes of the corporation.

Section 427. KRS 269.220 is amended to read as follows:
Upon the petition of the corporation desiring an extension or addition to the boundaries of its drainage district, the petition to be accompanied by a map showing the desired extension or addition, the county *judge/executive* [court] shall cause summons to be issued against the owners of lands within the proposed extension or added territory calling upon them to show cause why the extension or addition should not be made. If a numerical majority of the persons owning land within the proposed extension or addition consent of record to it, the county *judge/executive* [court] shall enter *an order* [a judgment] establishing the extension or additional boundary. Appeal shall lie for sixty (60) days to the circuit court, and if the *order* [judgment] is affirmed or reversed, then to the Court of Appeals. The county *judge/executive* and circuit *court* [courts] shall certify to the *county* clerk [of the county court] their *orders and* judgments, which shall be recorded in the book showing the assessment and taxes. The extension or added territory shall be subject to the same provisions as the original district, and an assessment may be initiated by the corporation and by the owners of more than half the land within the extension or addition. The assessment shall be for the remaining years of the ten (10) year term as provided for other property in the district, and steps to perfect the assessment with respect to added or extended territory shall be had in accordance with the provisions for the original district.

Section 428. KRS 269.230 is amended to read as follows:
(1) The clerk of the circuit court shall receive from the corporation not more than ten cents (10¢) for each parcel of land assessed, and shall deposit such sums in the manner provided for in KRS 30A.120. The *county* clerk [of the county court] shall receive the same fees for recording the assessment in his office.
(2) The board of directors of the corporation shall annually, in January, file with the county clerk a detailed statement of all money received by it, from whom received and how spent.

Section 429. KRS 269.260 is amended to read as follows:
(1) If at any time any person or persons owning lands within any drainage district desires to withdraw his lands in whole or in part from the drainage district, such person or persons upon the approval of a majority of the qualified members of the drainage board may petition the county *judge/executive* [court] for a withdrawal of his or their lands from the district. The *county* judge*/executive* shall *set a date for a hearing on the petition not less than fifteen (15) nor more than thirty (30) days after the petition is filed* [docket the petition upon the docket of his court which convenes not less than fifteen (15) days after the filing thereof with him,] and issue and cause to be served upon the drainage board notice *of the hearing* [that, at the next term of his court which convenes not less than ten (10) days after the service, he will consider the petition]. Upon proper showing that the lands should be withdrawn from the drainage district, and if no valid reason is shown against the withdrawal of the lands from the drainage district, the *county judge/executive* [judge] shall enter an order withdrawing the lands. After the order of withdrawal is entered, the lands shall cease to be within the drainage district, but an appeal may be taken from the order to the circuit court, and from the circuit court to the Court of Appeals. All costs in any action filed to be paid by the petitioner or petitioners regardless of the result of the action.
(2) The withdrawal of lands from a drainage district as provided for in subsection (1) shall not relieve land already within a drainage district from the payment of its proportionate part of any bonds or other outstanding indebtedness which were issued or incurred in the district, but shall only relieve the land from the payment of maintenance assessments on the ditches.

Section 430. KRS 269.270 is amended to read as follows:

(1) The county *judge/executive* [court] in each county of this Commonwealth, wherein the fiscal court has requested it, is hereby authorized to establish a county-wide surface water drainage district for the entire county including all municipalities. The cost of procuring the necessary rights of way and the construction and maintenance of such county-wide drainage district shall be paid by the fiscal court out of the annual levy for county taxes. When the fiscal court undertakes such a project it may acquire for the county by contract or condemnation any land necessary to carry out the project. If condemnation proceedings are necessary they shall be conducted in the manner provided in KRS 416.010 to 416.080.

(2) The administration of this district shall be exclusively by or within the fiscal court of said county, and the fiscal court is hereby authorized and empowered to employ such assistants, including commissioners or superintendent, and other employes as may be necessary for the construction, maintenance and continued operation of said system, and shall fix the salaries of all employes to be paid as other county employes are paid.

(3) In the construction and maintenance of such drainage system the fiscal court is authorized and empowered, as a part of the cost of construction and maintenance of said system, to build or construct such bridges and culverts over and across the ditches or canals of this system as in the opinion of the fiscal court are necessary.

Section 472. KRS 304.33-300 is amended to read as follows:

(1) Effect of petition: real property. After a petition for rehabilitation or liquidation, a transfer of any of the real property of the insurer made to a person acting in good faith shall be valid against the receiver if made for a present fair equivalent value or, if not made for a present fair equivalent value, then to the extent of the present consideration actually paid therefor, for which amount the transferee shall have a lien on the property so transferred. The recording of a copy of the petition for or order of rehabilitation or liquidation with the county [court] clerk in the county where any real property in question is located is constructive notice of the commencement of a proceeding in rehabilitation or liquidation. The exercise by a court of the United States or any state of jurisdiction to authorize or effect a judicial sale of real property of the insurer within any county in any state shall not be impaired by the pendency of such a proceeding unless the copy is recorded in the county prior to the consummation of the judicial sale.

(2) Effect of petition: personal property. After a petition for rehabilitation or liquidation and before either the receiver takes possession of the property of the insurer or an order of rehabilitation or liquidation is granted:

(a) A transfer of any of the property of the insurer, other than real property, made to a person acting in good faith shall be valid against the receiver if made for a present fair equivalent value or, if not made for a present fair equivalent value, then to the extent of the present consideration actually paid therefor, for which amount the transferee shall have a lien on the property so transferred.

(b) A person indebted to the insurer or holding property of the insurer may, if acting in good faith, pay the indebtedness or deliver the property or any part thereof to the insurer or upon his order, with the safe effect as if the petition were not pending.

(c) A person having actual knowledge of the pending rehabilitation or liquidation shall be deemed not to act in good faith unless he has reasonable cause to believe that the petition is not well founded.

(d) A person asserting the validity of a transfer under this section shall have the burden of proof. Except as elsewhere provided in this section, no transfer by or in behalf of the insurer after the date of the petition for liquidation by any person other than the liquidator shall be valid against the liquidator.

(3) Negotiability. Nothing in this subtitle shall impair the negotiability of currency or negotiable instruments.

Section 473. KRS 304.33-510 is amended to read as follows:

(1) Grounds for petition. If a domiciliary liquidator has not been appointed, the commissioner may apply to the Franklin County Circuit Court by petition for an order directing him to conserve the property of an alien insurer not domiciled in this state or a foreign insurer on any one or more of the following grounds:

(a) Any of the grounds in KRS 304.33-140;

(b) Any of the grounds in KRS 304.33-190;

(c) That any of its property has been sequestered by official action in its domiciliary state, or in any other state;

(d) That enough of its property has been sequestered in a foreign country to give reasonable cause to fear that the insurer is or may become insolvent;

(e) That

1. Its certificate of authority to do business in this state has been revoked or that none was ever issued, and

2. There are residents of this state with outstanding claims or outstanding policies.

(2) Terms of order. The court may issue the order in whatever terms it deems appropriate. The filing or recording of the order with any county [court] clerk in this state impart the same notice as a deed, bill of sale or other evidence of title duly filed or recorded with that county [court] clerk.

(3) Transformation to liquidation or ancillary receivership. The conservator may at any time petition for and the court may grant an order under KRS 304.33-520 to liquidate the assets of a foreign or alien insurer under conservation or, if appropriate, for an order under KRS 304.33-540 to be appointed ancillary receiver.

(4) Order to return to insurer. The conservator may at any time petition the court for an order terminating conservation of an insurer. If the court finds that the conservation is no longer necessary, it shall order that the insurer be restored to possession of its property and the control of its business. The court may also make such finding and issue such order at any time upon its own motion.

Section 474. KRS 304.33-520 is amended to read as follows:

(1) Ground for petition. If no domiciliary receiver has been appointed, the commissioner may apply to the Franklin [County] Circuit Court by petition for an order directing him to liquidate the assets found in this state of a foreign insurer or an alien insurer not domiciled in this state, on any of the following grounds:

(a) Any of the grounds in KRS 304.33-140;

(b) Any of the grounds in KRS 304.33-190;

(c) Any of the grounds in KRS 304.33-510.

(2) Terms of order. If it appears to the court that the best interests of creditors, policyholders and the public so require, the court may issue an order to liquidate in whatever terms it deems appropriate. The filing or recording of the order with any county [court] clerk in this state imparts the same notice as a deed, bill of sale or other evidence of title duly filed or recorded with that county [court] clerk.

(3) Conversion to ancillary proceeding. If a domiciliary liquidator is appointed in a reciprocal state while a liquidation is proceeding under this section, the liquidator under this section shall thereafter act as ancillary receiver under KRS 304.33-540. If a domiciliary liquidator is appointed in a nonreciprocal state while a liquidation is proceeding under this section, the liquidator under this section may petition the court for permission to act as ancillary receiver under KRS 304.33-540.

(4) Federal receivership. On the same grounds as are specified in subsection (1) of this section, the commissioner may petition any appropriate federal district court to be appointed receiver to liquidate that portion of the insurer's assets and business over which the court will exercise jurisdiction; or any lesser part thereof that the commissioner deems desirable for the protection of the policyholders and creditors in this state. The commissioner may accept appointment as federal receiver if another person files a petition.

Section 475. KRS 304.33-540 is amended to read as follows:

(1) Appointment of ancillary receiver in this state. If a domiciliary liquidator has been appointed for an insurer not domiciled in this state, the commissioner shall file a petition with the Franklin [County] Circuit

Court requesting appointment as ancillary receiver in this state:

(a) If he finds that there are sufficient assets of the insurer located in this state to justify the appointment of an ancillary receiver;

(b) If ten (10) or more persons resident in this state having claims against the insurer file a petition with the commissioner requesting appointment of an ancillary receiver; or

(c) If the protection of creditors or policyholders in this state so requires.

(2) Terms of order. The court may issue an order appointing an ancillary receiver in whatever terms *it* [its] deems appropriate. The filing or recording of the order with any county [court] clerk in this state imparts the same notice as a deed, bill of sale or other evidence of title duly filed or recorded with that county [court] clerk.

(3) Property rights and title: ancillary receivers in this state. When a domiciliary liquidator has been appointed in a reciprocal state the ancillary receiver appointed in this state under subsection (1) of this section shall have the sole right to recover all the assets of the insurer in this state not already recovered by the domiciliary liquidator, except that the domiciliary liquidator shall be entitled to and have the sole right to recover balances due from agents and the books, accounts and other records of the insurer. The ancillary receiver shall have the right to recover balances due from agents and books, accounts and other records of the insurer, if such action is necessary to protect the assets because of inaction by the domiciliary liquidator. The ancillary receiver shall, as soon as practicable, liquidate from their respective securities those special deposit claims and secured claims which are proved and allowed in the ancillary proceedings in this state, and shall pay the necessary expenses of the proceedings. He shall promptly transfer all remaining assets to the domiciliary liquidator. Subject to this section, the ancillary receiver and his deputies shall have the same powers and be subject to the same duties with respect to the administration of assets as a liquidator of an insurer domiciled in this state.

(4) Property rights and title: foreign ancillary receivers. When a domiciliary liquidator has been appointed in this state, ancillary receivers appointed in reciprocal states shall have, as to assets and books, accounts and other records located in their respective states, corresponding rights and powers to those prescribed in subsection (3) of this section for ancillary receivers appointed in this state.

Section 476. KRS 311.590 is amended to read as follows:

Failure of a physician to submit to such examination when directed shall constitute an admission of the allegations against him (unless the failure was due to circumstances beyond his control) consequent upon which a default and final order may be entered without the taking of testimony or presentation of evidence. A physician whose license has been suspended, limited, restricted or revoked under this paragraph shall at reasonable intervals be afforded an opportunity to demonstrate that he can resume the competent practice of medicine with reasonable skill and safety to patients.

Preliminary to the institution of any such proceeding, the secretary may refer the charge or charges to the state organization which represents the profession to which the holder of the license belongs, for investigation and recommendations as to adjustment, settlement or disciplinary action, and such professional organization may assist in the prosecution or defense of any such proceedings before the board, which shall not be bound to follow its recommendations.

(3) Except as otherwise provided in this subsection, every order of the board suspending, limiting, restricting or revoking a license shall become effective thirty days after notice is given to the licensee, unless said licensee, within thirty days from the giving of such notice, appeals therefrom in the manner provided by subsection (4) of this section. (4) Any licensee who is aggrieved by an order of the board placing the licensee on probation, or suspending, limiting, restricting or revoking his license may procure a declaration of rights under the Declaratory Judgment Act by filing, within thirty days after notice of said order, a complaint against the board in the circuit court of the county in which the board's offices are located, together with a bond with good and sufficent sureties thereon to cover all costs, which complaint shall request judicial review of the order and the proceedings held by the board, or its hearing officer, and set out with particularity the grounds relied upon for reversal or modification of the order. Summons and a copy of the complaint may be served upon the secretary for and on behalf of the board, and the secretary shall, within thirty days after such service and the filing of said bond, file with the court a transcript of the record of hearing together with a certified copy of the order complained of. The board may file an answer, or such other pleadings as it considers appropriate, and the court shall, after considering the transcript of the record and the board's order and any arguments of counsel, enter judgment. No new or additional evidence shall be introduced in the circuit court. In the event the action of the board is not sustained the court shall, upon request of the board, remand the case to the board for further proceedings. Any party aggrieved by the final judgment, order or decree rendered in the case may appeal therefrom to the Court of Appeals of Kentucky in the time, method and manner provided in the Declaratory Judgment Act.

The holder of any such existing valid license shall not be required to take any other or further examination unless said license be revoked or suspended as provided in this chapter, but each said license shall be renewed annually on or before June 30 in each year. Every licensed veterinarian shall have his license renewed each year on or before June 30, the renewal to be as of July 1 of each year.

Section 483. KRS 322.440 is amended to read as follows:
Every licensed land surveyor shall procure a personal seal, of a form approved by the board, which shall be affixed together with his signature upon all maps, plats, surveys, or other documents relating to the practice of land surveying, before the delivery thereof to any client, or before offering to file for record any such map, plat, survey, or other document, in the office of the county [court] clerk of any county or any other public authority wherein the same may be required by law to be filed.

The clerk shall file same in the same manner as lis pendens are filed. The files shall be designated "Miscellaneous State Tax Liens." The notice, when so filed, shall be conclusive notice to all persons of the lien on the property having legal situs in that county, except that nothing in this chapter shall be construed to alter or change in any way the law relative to the rights and duties of a holder in due course as provided in KRS 355 Art. 3, or affect the rights of any person taking the property for a lien thereon for value without actual or constructive notice. The clerk shall be entitled to a fee of $1.25 for filing the lien, and said fee shall become a part of the lien as an added cost of the delinquent subject employer to be paid by him as a part of the amount necessary to release the lien, and in no event shall the Commonwealth, or the department be required to pay same.
(3) In addition and as an alternative to any other remedy, the secretary may enforce the lien by petition in the name of this state to the *Franklin* Circuit Court [of Franklin County], if the ministerial acts necessary to enforce the lien by the sale of the liened property or any part of it are performed by the appropriate officers of the circuit court of the county in which the property is situated under the direction of and reporting to the Franklin Circuit Court. (c) The secretary may issue a certificate of partial release of any part of the property or individual piece of property subject to the lien if he finds that the interest of the Commonwealth in the property to be so released has no value.

(4) Any lien provided for under this section shall be dissolved unless the claimant, within six months after he ceases to provide services, files in the office of the *county* clerk [of the county court] of the county in which the property is situated a statement of the amount due the claimant, with all just credits and setoffs known to him, together with a description of the property intended to be covered by the lien sufficiently accurate to identify it, the name of the owner, if known, and whether the services were furnished by contract with the owner or with a contractor or architect. This statement shall be subscribed and sworn to by the person claiming the lien or by someone in his behalf.

(5) Any lien created under this section shall be dissolved unless an action is brought to enforce the lien within twelve months from the day of filing the statement in the clerk's office as required by subsection (4) hereunder. The bond shall be preserved by the clerk, and upon its execution the lien upon the property shall be discharged. The person asserting the lien may make the obligors in the bond parties to any action to enforce his claim, and any judgment recovered may be against all or any of the obligors on the bond.

The lien shall not be lost by the removal of the equipment, machine, machinery or motor from the premises of the person performing labor, repairing, or furnishing accessories, parts or supplies therefor, if the lien shall be asserted within three months by filing in the office of the county clerk a statement showing the amount and cost of materials furnished or labor performed on the equipment, machine, machinery, or motor. This statement shall be filed in the office of the county [court] clerk of the county in which the owner of the equipment, machine, machinery, or motor resides, unless such owner be a nonresident, in which event the lien statement shall be filed in the office of the county [court] clerk of the county in which such equipment, machine, machinery, or motor is at the time being kept or used.

(2) The lien provided for in this section shall attach regardless of whether or not the equipment, machine, machinery, motor, or motors, are ever upon the premises of or in the possession of the person making the repairs, furnishing the parts, or the supplies for such repairs.

This statement shall be subscribed and sworn to by the person claiming the lien or by someone in his behalf.

(2) The county [court] clerk shall endorse upon each statement the date of its filing, and shall make an abstract of the statement in a book to be kept by him for that purpose, properly endorsed and indexed, containing the date of filing, the name of the person seeking to enforce the lien, the amount claimed, the name of the person against whose property the lien is filed, and a description of the property charged with the lien. (3) "Displaced person" means any person who, on or after June 16, 1972, moves from real property, or moves his personal property from real property, as a result of the acquisition of such real property, in whole or in part, or as the result of the written order of the acquiring agency to vacate real property, for a program or project undertaken by a state agency; and solely for the purpose of KRS 56.640(1) and (2) and 56.670, as a

result of the acquisition of or as the result of the written order of the acquiring agency to vacate other real property, on which such person conducts a business or farm operation, for such program or project. Whenever federal land and water conservation fund or national park system funds are used by an acquiring agency and said acquiring agency provides that the owner of a single-family residence may, at his option, elect to retain a right of use and occupancy for not less than six (6) months from the date of acquisition of such residence and such owner elects to retain such a right, such owner shall be deemed to have waived any benefits under KRS 56.610 to 56.760 and shall not be considered a displaced person as defined above.

(5) "Business" means any lawful activity, excepting a farm operation, conducted primarily:

(6) "Farm operation" means any activity conducted solely or primarily for the production of one or more agricultural products or commodities, including timber, for sale or home use, and customarily producing such products or commodities in sufficient quantity to be capable of contributing materially to the operator's support.

Section 543. KRS 56.640 is amended to read as follows:

(1) If a state agency acquires real property for public use, it shall make fair and reasonable relocation payments to displaced persons and businesses as required by KRS 56.610 to 56.760 [, 416.140, and 416.470,] for:

(a) actual reasonable expenses in moving himself, his family, business, farm operation, or other personal property;

(c) actual reasonable expenses in searching for a replacement business or farm.

(2) Any displaced person eligible for payments under subsection (1) of this section who is displaced from a dwelling and who elects to accept the payments authorized by this subsection in lieu of the payments authorized by subsection (1) of this section may receive a moving expense allowance, determined according to a schedule established by the state agency and a dislocation allowance, such moving expense and dislocation allowances not to exceed the maximum amount of such allowances required by the Federal Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and any amendments thereto subsequently adopted.

(3) Any displaced person eligible for payments under subsection (1) of this section who is displaced from his place of business or from his farm operation and who elects to accept the payment authorized by this subsection in lieu of the payment authorized by subsection (1) of this section, may receive a fixed payment in an amount equal to the average annual net earnings of the business or farm operation, except that such payment shall be in the amount required by the Federal Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and any amendments thereto subsequently adopted. In the case of a business no payment shall be made under this subsection unless the state agency is satisfied that the business cannot be relocated without a substantial loss of its existing patronage, and is not a part of a commercial enterprise having at least one other establishment not being acquired by the state, which is engaged in the same or similar business. For purposes of this subsection, the term "average annual net earning" means one-half of any net earnings of the business or farm operation, before federal, state, and local income taxes, during the two taxable years immediately preceding the taxable year in which such business or farm operation moves from the real property acquired for such project, or during such other period as such agency determines to be more equitable for establishing such earnings, and includes any compensation paid by the business or farm operation to the owner, his spouse, or his dependents during such period.

Section 544. KRS 56.650 is amended to read as follows:

the initiation of negotiations for the acquisition of the property. Such additional payment shall include the following elements:

(a) The amount, if any, which when added to the compensation for the dwelling acquired by the state agency equals the reasonable cost of a comparable replacement dwelling which is a decent, safe, and sanitary dwelling adequate to accommodate such displaced person, reasonably accessible to public services and places of employment and available on the private market. All determinations required to carry out this paragraph shall be determined by regulations issued pursuant to KRS 56.690.

(b) The amount, if any, which will compensate such displaced person for any increased interest costs which such person is required to pay for financing the acquisition of any such comparable replacement dwelling. Such amount shall be paid only if the dwelling acquired was encumbered by a bona fide mortgage which was a valid lien on such dwelling for not less than one hundred and eighty days prior to the initiation of negotiations for the acquisition of such dwelling. Such amount shall be equal to the excess in the aggregate interest and other debt service costs of that amount of the principal of the mortgage on the replacement dwelling which is equal to the unpaid balance of the mortgage on the acquired dwelling, over the remainder term of the mortgage on the acquired dwelling, reduced to discounted present value. The discount rate shall be determined by regulations issued pursuant to KRS 56.690.

(c) Reasonable expenses incurred by such displaced person for evidence of title, recording fees, and other closing costs incident to the purchase of the replacement dwelling, but not including prepaid expenses.

(2) The additional payment authorized by this section shall be made only to such a displaced person who purchases and occupies a replacement dwelling which is decent, safe, and sanitary not later than the end of the one-year period beginning on the date on which he receives final payment of all costs of the acquired dwelling, or on the date on which he moves from the acquired dwelling, whichever is the later date.

(1) the amount necessary to enable such displaced person to lease or rent for a period not to exceed four years, a decent, safe, and sanitary dwelling of standards adequate to accommodate such person in areas not generally less desirable in regard to public utilities and public and commercial facilities, and reasonably accessible to his place of employment, but not to exceed the maximum amount required by the Federal Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and any amendments thereto subsequently adopted, or

(2) The amount necessary to enable such person to make a downpayment (including incidental expenses described in KRS 56.650 (1) (c)), *on* the purchase of a decent, safe, and sanitary dwelling of standards adequate to accommodate such person in areas not generally less desirable in regard to public utilities and public and commercial facilities, in the amount and on the conditions as required by the Federal Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and any amendments thereto subsequently adopted.

Section 578. KRS 268.370 is amended to read as follows:

(1) The board of drainage commissioners may, if in their judgment it seems best, issue bonds on behalf of any district under their control, not to exceed ninety per cent (90%) of the total amount of the minimum district assessments levied upon the property of the district approved by the *county* judge*/executive*. The bonds shall be in denominations of not less than one hundred dollars ($100), bearing interest payable annually from the date of issue at a rate not to exceed six per cent (6%) per annum, to mature at annual intervals within thirty (30) years, commencing after a period of years not later than five (5) years, to be determined by the board. Both principal and interest shall be payable at some convenient bank or trust company's office, to be named in the bonds. The bonds shall be signed by the president of the board, attested with the seal of the board and the signature of the secretary and countersigned by the clerk of the county court of the county in which the district is organized. All bonds shall be executed and delivered to the treasurer of the district, who shall sell them in such quantities and at such dates as the board considers necessary. The funds derived from the sale of bonds shall be used only to pay the cost of improvements and the expenses, fees and salaries authorized by law. The secretary of the board shall certify to the clerk of the county court in which the district was organized a copy of the resolution authorizing and directing the issuance of the bonds, which shall contain a list of the bonds, their dates of maturity and amounts. The clerk shall record this resolution in the lis

pendens record in his office. Bonds shall not be sold for less than their par or face value at the date of issue. They shall show on their face the purpose for which they are issued.

(2) The bonds shall be payable out of money derived from the assessments upon property, and a sufficient amount of the drainage assessment shall be appropriated by the board to pay the principal and interest. This sum shall be preserved in a separate fund for that purpose. All bonds and coupons not paid at maturity shall bear interest at the rate of six per cent (6%) per annum from maturity until paid, or until sufficient funds for their payment have been deposited at the place of payment, and this interest shall be appropriated by the board out of the penalties and interest collected on assessments or any other available funds of the district. The board, in making the annual levy of assessments, shall take into account the maturing bonds and interest on all bonds and make ample provisions in advance for their payment. If the proceeds of the original levy of assessments are not sufficient to pay the principal and interest of all bonds issued, the board shall make any additional levy upon benefits assessed necessary for this purpose. However, no levy of assessments shall be made in excess of the benefits to the property as shown by the report of the appraisers, as corrected, that will in any manner impair the security of bonds or the fund available for the payment of the principal or interest.

(3) When he receives the bonds the treasurer shall execute and deliver to the president of the board a bond with good and sufficient sureties, to be approved by the board, conditioned that he shall account for and pay over as required by law and as ordered to do by the board all money received by him on the sale of any bonds, and that he will only sell and deliver such bonds to the purchaser thereof according to the terms of this section, and that he will return, duly canceled, any bonds not sold to the board when ordered by it to do so. This bond shall remain in the custody of the president of the board, who shall produce it for inspection or as evidence whenever legally required to do so. The bond of the treasurer may, if the board directs, be signed by a surety or bonding company, which may be approved by the board. The successor in office of any treasurer shall comply with all provisions applicable to his predecessor before receiving bonds or their proceeds. The treasurer shall promptly report all sales of bonds to the board.

(4) The board shall, at reasonable times thereafter, prepare and issue warrants for the payment of the maturing bonds so sold and the interest payments coming due on all bonds sold. Each warrant shall specify what bonds and accruing interest it is to pay, and the treasurer shall place sufficient funds at the place of payment to pay the maturing bonds and coupons when due, as well as a reasonable compensation to the bank or trust company for paying them, not to exceed two dollars and fifty cents ($2.50) for each one thousand dollars ($1,000) par value of bonds or coupons paid.

Section 579. KRS 15.765 is amended to read as follows:

(1) Each county attorney shall receive, for prosecutorial duties, an annual salary to be paid out of the state treasury which shall be the total compensation as county attorney which he received during the calendar year 1976, but which shall in no event be less than $7,200.

(2) Each county attorney shall be paid each month the sum of two hundred fifty dollars ($250), which sum is declared to be the equivalent of the minimum sum that each county attorney will expend each month in the performance of his official duties directed to be performed for the Commonwealth. The aforementioned sum shall be paid out of the state treasury.

(3) In order to equate the compensation of county attorneys with the purchasing power of the dollar, the *executive* department *for finance and administration* [of commerce] shall compute by the second Friday in February of every year the annual increase or decrease in the consumer price index of the preceding year by using 1949 as the base year in accordance with Section 246 of the Constitution of Kentucky which provides that the above elected officials shall be paid at a rate no greater than $12,000 per annum. The *executive* department *for finance and administration* [of commerce] shall notify the appropriate governing bodies charged by law to fix the compensation of the above elected officials of the annual rate of compensation to which the elected officials are entitled pursuant to the increase or decrease in the consumer price index. Upon notification from the *executive* department *finance and administration* [of commerce], the appropriate governing body may set the annual compensation of the above elected officials at a rate no greater than that stipulated by the *executive* department *for finance and administration* [of commerce].

(4) The county attorney shall not be prohibited from engaging in the private practice of law.

Section 580. KRS 15.755 is amended to read as follows:

(1) The compensation of each commonwealth's attorney shall be paid out of the state treasury.

(2) The compensation of the staff of each commonwealth's attorney shall be paid out of the state treasury.

(3) In each judicial circuit containing a city of the first or second class or an urban-county government, the commonwealth's attorney shall not engage in the private practice of law. All other commonwealth's attorneys shall not be prohibited from engaging in the private practice of law.

(4) Each commonwealth's attorney who is prohibited from engaging in the private practice of law, shall receive as compensation for his services the sum of twenty-six thousand dollars ($26,000) per annum.

(5) Each commonwealth's attorney who is not prohibited from engaging in the private practice of law shall receive as compensation for his services the sum of fourteen thousand three hundred dollars ($14,300) per annum.

(6) Each commonwealth's attorney of the state shall be paid each month the sum of five hundred dollars ($500), which sum is declared to be the equivalent of the minimum sum that each commonwealth's attorney will expend each month in the performance of his official duties directed to be performed for the Commonwealth. The aforementioned sum shall be paid out of the state treasury.

(7) In order to equate the compensation of commonwealth's attorneys with the purchasing power of the dollar, the *executive* department *for finance and administration* [of commerce] shall compute by the second Friday in February of every year the annual increase or decrease in the consumer price index of the preceding year by using 1949 as the base year in accordance with Section 246 of the Constitution of Kentucky which provides that the above elected officials shall be paid at a rate no greater than twelve thousand dollars ($12,000) per annum. The *executive* department *for finance and administration* [of commerce] shall notify the appropriate governing bodies charged by law to fix the compensation of the above elected officials of the annual rate of compensation to which the elected officials are entitled pursuant to the increase or decrease in the consumer price index. Upon notification from the *executive* department *finance and administration* [of commerce], the appropriate governing body may set the annual compensation of the above elected officials at a rate no greater than that stipulated by the *executive* department *for finance and administration* [of commerce].

Section 581. KRS 64.480 is amended to read as follows:

(1) Effective, with respect to the offices of governor on December 4, 1979, and the lieutenant governor on the fifth Tuesday following the regular November election in 1975 and with respect to the other offices named in this section, on the first Monday in January, 1976, the compensation of the following named officers, payable monthly out of the state treasury, shall be the sum per annum designated for the respective offices, as follows: governor $39,500; lieutenant governor, an amount sufficient, when added to any per diem received during sessions of the general assembly while serving in the capacity of president of the senate, to equal $27,900 per annum, plus any compensation received while acting in the place of the governor; attorney general superintendent of public instruction, commissioner of agriculture, secretary of state, state treasurer, auditor of public accounts, and clerk of the Supreme Court of Kentucky elected in November, 1975, as clerk of the Court of Appeals $27,900.

(2) In order to equate or adjust the compensation of the lieutenant governor, attorney general, superintendent of public instruction, commissioner of agriculture, secretary of state, state treasurer, auditor of public accounts, and clerk of the Supreme Court of Kentucky with the purchasing power of the 1949 dollar, the *executive* department *for finance and administration* [of commerce] of Kentucky shall compute by the second Friday in February of every year, beginning in 1977, the maximum permissible compensation of the officials mentioned in subsection (2) hereof based precisely uypon the consumer price index formula approved in Matthews v. Allen, Kentucky, 360 S.W. 2d 135 (1962). Thus the maximum permissible compensation effective for the entire year of 1977 and subsequent years will be the actual compensation to be paid said officials. The year of adjustment will be the particular full calendar year involved.

(3) It is the intention of the legislature that the constitutionally permissible adjustment of salaries of these officials be framed around equating current salaries with the purchasing power of the dollar in 1949 when section 246 of the Kentucky Constitution was amended. Section 246 of the Constitution, as amended, established a monetary level of $12,000 per annum for said officials. The formula merely effects an adjustment of the constitutional monetary level in terms of the current consumer price index.

Section 582. KRS 64.527 is amended to read as follows:

In order to equate the compensation of county judges, county clerks, sheriffs, justices of the peace, county commissioners, coroners and jailers with the purchasing power of the dollar, the *executive* department *for finance and administration* [of commerce] shall compute by the second Friday in February of every year the annual increase or decrease in the consumer price index of the preceding year by using 1949 as the base year in accordance with Section 246 of the Constitution of Kentucky which provides that the above elected officials shall be paid at a rate no greater than $7,200 per annum. The *executive* department *for finance and administration* [of commerce] shall notify the appropriate governing bodies charged by law to fix the compensation of the above elected officials of the annual rate of compensation to which the elected officials are entitled pursuant to the increase or decrease in the consumer price index. Upon notification from the *executive* department *for finance and administration* [of commerce], the appropriate governing body may set the annual compensation of the above elected officials at a rate no greater than that stipulated by the *executive* department *for finance and administration* [of commerce].

Section 583. KRS 417.030 is amended to read as follows:
The arbitrators shall meet at a time and place to be fixed by themselves, of which reasonable notice in writing shall be given to each party. Each arbitrator shall take an oath to fairly and impartially decide the controversy according to law, justice and the equity of the whole case. If they select an umpire, he shall be sworn in like manner. They shall hear all testimony offered by either party relative to the matters in controversy, and may summon witnesses and compel their attendance and punish for contempt by fine or imprisonment as *district court judges* [justices of the peace] may do. They may administer oaths to parties and witnesses and preserve order and decorum while engaged in the determination of the controversy.

Section 584. KRS 152.110, 152.115, 152.120, 152.125, 152.130, 152.140, 152.150, 152.170, 152.180, 199.840, 222.033 and 453.030 are repealed.

HB 757, AN ACT relating to the escrow of securities with the director of the division of securities.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 292.380 is amended to read as follows:

(1) Except as otherwise expressly provided in this chapter a registration statement under this chapter becomes effective when the director so orders. The director may require as a condition of registration under this chapter that a prospectus containing any designated part of the appropriate information specified in this chapter be sent or given to each person to whom an offer is made before or concurrently with: (a) the first written offer made to him (otherwise than by means of a public advertisement) by or for the account of the issuer or any other person on whose behalf the offering is being made, or by any underwriter or broker-dealer who is offering part of an unsold allotment or subscription taken by him as a participant in the distribution, (b) the confirmation of any sale made by or for the account of any such person, (c) payment pursuant to any such sale, or (d) delivery of the security pursuant to any such sale, whichever first occurs; but the director shall accept for use under any such requirement a current prospectus or offering circular regarding the same

securities filed under the Securities Act of 1933 or regulations thereunder.

(2) A registration statement may be filed by the issuer, any other person on whose behalf the offering is to be made, or a registered broker-dealer. Any document filed under this chapter or a predecessor law within five years preceding the filing of a registration statement may be incorporated by reference in the registration statement to the extent that the document is currently accurate. The director may by rule or otherwise permit the omission of any item of information or document from any registration statement.

(3) The director may require as a condition of registration by qualification or coordination that (a) the proceeds from the sale of the registered security be impounded until the issuer receives a specified amount or (b) any security issued within the past three years, or to be issued, to a promoter for a consideration substantially different from the public offering price, or to any person for a consideration other than cash, be delivered in escrow. The director may by rule or order determine the conditions of any escrow or impounding required hereunder. The director shall not reject a depository solely because of location in another state. *All securities delivered in escrow to the director or some other depository satisfactory to him prior to January 1, 1968 which have not previously been released shall be released from escrow and all securities delivered in escrow to the director or some other depository satisfactory to him subsequent to January 1, 1968 which have not previously been released shall be released from escrow no later than ten (10) years after the date of delivery into escrow.*

(4) The director may also require as a condition of registration by qualification that the issuer undertake to keep the securities registered under this chapter for a period of up to five years or until the securities become exempt securities under KRS 292.410, and that the issuer forward to its security holders audited annual financials during the period for which the shares are registered. The director may by rule or order impose other undertakings.

(5) For the registration of securities by notification or coordination, or qualification, there shall be paid to the director an examination fee of one hundred dollars and a registration fee of one-twentieth of one percent of the aggregate offering price of the securities which are to be offered in this state, but the registration fee shall in no case be less than fifty dollars nor more than one thousand dollars. The examination fee and the registration fee shall be payable in separate checks. When a registration statement is withdrawn before the effective date or a pre-effective stop order is entered under KRS 292.390, the director shall retain the examination fee. For the registration of securities issued by a face-amount certificate company or a redeemable security issued by an open-end management company or unit investment trust, as those terms are defined in the Investment Company Act of 1940, a new registration fee and examination fee shall be paid each year that the registration remains in effect, based upon the aggregate offering price of such securities which are to be offered in this state during that year, even though the maximum fee was paid the preceding year; and the registration statement for such securities may be amended to increase the amount of securities to be offered. For a registration by notification for market-making purposes only the examination fee need be paid.

(6) When securities are registered by notification or by coordination or by qualification, they may be offered and sold by the issuer, any other person on whose behalf they are registered or by any registered broker-dealer. Every registration statement is effective for one year from its effective date, or any longer period during which the security is being offered or distributed in a nonexempted transaction by or for the account of the issuer or other person on whose behalf the offering is being made or by any underwriter or broker-dealer who is still offering part of an unsold allotment or subscription taken by him as a participant in the distribution, except during the time a stop order is in effect under KRS 292.390. All outstanding securities of the same class as a registered security are considered to be registered for the purpose of any nonissuer transaction (1) so long as the registration statement is effective and (2) between the thirtieth day after the entry of any stop order suspending or revoking the effectiveness of the registration statement under KRS 292.390 (if the registration statement did not relate in whole or in part to a nonissuer distribution) and one year from its effective date if any securities of the same class are outstanding. A registration statement may be withdrawn otherwise only in the discretion of the director.

(7) The director may require the person who filed the registration statement to file reports, not more often than quarterly, to keep reasonably current the information contained in the registration statement and to disclose the progress of the offering. The director shall impose a fee of five dollars for each such report filed with him.

(3) Teachers and administrators may bargain through separate associations or they may bargain jointly or separately through a single association to which all certificated personnel are eligible to belong.

(4) If separate bargaining rights are desired within an association to which all certificated personnel are eligible to belong, a teacher unit, an administrator unit, or both may be organized within the structure of the association. The association shall in such event include in its request for recognition a statement informing the board that a teacher unit, an administrator unit, or both shall require separate bargaining rights and that the basis for separate bargaining rights is a majority vote of members of the teacher unit or the administrator unit or both.

(5) Upon receipt of a request for recognition the board shall notify the chief elected officer of each association in the school district of the request in writing by certified mail and shall grant such associations the right to challenge any request prior to recognition of an association by the board. Challenges must be submitted within fifteen (15) calendar days from receipt of notice from the board and such challenge must be in the form of a request. A request shall be accompanied by either a verified statement by a Certified Public Accountant listing the total number of members in the challenging association, the fact that the members are in good standing and the fact that they constitute twenty-five percent (25%) of the certificated personnel in the challenged unit or accompanied by a petition requesting a secret ballot election signed by twenty-five percent (25%) of the certificated personnel in the unit. Even though the original request for recognition is for recognition for both a teacher unit and an administrator unit, the challenge may be directed to one or the other.

(6) If the board receives only one request for recognition, the board shall, at a time no later than its next regular meeting, issue a written statement of recognition to the association, establishing such association as the exclusive representative of all certificated personnel, all teachers, or all administrators in the district, as the case may be, for purposes of professional negotiation; provided, however, that in the event the board in good faith questions whether or not the association represents more than fifty percent (50%) of certificated personnel, or teachers or administrators, as the case may be, employed within the district by the board, the board shall not be required to issue its statement of recognition to the association unless and until such percentage representation has been verified by the superintendent of public instruction, and when a teacher unit or an administrator unit qualifies for separate negotiating rights within an association, the written statement of recognition to the association shall so state.

(7) If the board receives a challenge and request for secret ballot election for recognition of an association as representative of all certificated personnel in the teacher unit or administrator unit or both, the board shall verify that the challenge is accompanied by the requisite number of members or signatures in the challenged unit only as required under subsection (5) above. Verification shall be completed within a period of

ten (10) days after the receipt of challenge. Upon completion of the verification, the board shall fix a date for the secret ballot election which date shall not be later than thirty (30) days from the date of completion of verification. The election shall be conducted during school hours on school premises in accordance with regulations promulgated by the superintendent of public instruction who shall be guided in promulgation by the standards for the conduct of elections followed by the national labor relations board and its rules so promulgated shall not be in conflict therewith. The cost of said secret ballot election shall be borne equally by the participating associations whose names shall be listed on the ballot in alphabetical order together with a separate listing for "no association". If more votes are cast for no association than for exclusive representative of the certificated personnel in the unit then no association shall be permitted to petition for such recognition, regardless of membership, for a period of twenty-four (24) months from the date on which said secret ballot election was held. In the event one of the associations listed on the ballot has a plurality of ballots cast, that association shall be certified as the exclusive representative for all of the certificated personnel in the unit and shall remain the exclusive representative for a period of thirty-six (36) months from June 30 following the date of said election and no other qualification shall be required for such period.

(8) Written statements of recognition shall become part of the official minutes of the board.

SECTION 4. A NEW SECTION OF KRS CHAPTER 160 IS CREATED TO READ AS FOLLOWS:

(1) A board's recognition of an association for purposes of collective bargaining shall be for a period not to exceed three (3) years, beginning and ending on June 30. The term of a collective bargaining agreement shall be negotiated by a board and an association, but in no case shall the term of the agreement extend beyond the period of recognition. The recognition shall continue for an additional three (3) years unless a challenge is received within sixty (60) calendar days. If no challenges to the request for renewal are received by the board, the board shall at a time no later than ten (10) days or not later than its next regular meeting, whichever is earlier, issue a written statement of recognition. If the request for renewal is challenged, the board shall follow procedures set forth in subsections (7) and (8) of Section 3 of this Act.

(2) Thereupon, the board shall issue a statement of recognition to the proper association as set forth in subsection (1) of this section and subsections (7) and (8) of Section 3 of this Act.

SECTION 5. A NEW SECTION OF KRS CHAPTER 160 IS CREATED TO READ AS FOLLOWS:

(1) The association and board shall appoint bargaining teams for purposes of meeting and bargaining.

(2) The superintendent of schools shall comply with all reasonable requests from bargaining teams for records and information relating to subjects under negotiation and proposed subjects of bargaining. Public records and documents supplied by the superintendent to one of the bargaining teams shall also be supplied to the other.

(3) Agreements between the recognized association and the board that have been reached through bargaining shall be in written form and subscribed to by the duly authorized representatives of the board and the association. All such agreements shall become part of the official minutes of the board and the collective bargaining agreement.

SECTION 6. A NEW SECTION OF KRS CHAPTER 160 IS CREATED TO READ AS FOLLOWS:

(1) The board shall not be required to discuss and bargain matters of inherent managerial policy, including but not limited to, budget composition, utilization of technology, organizational structure, selection and direction and number of personnel.

(2) The board and the association shall, if either party so requests, discuss and bargain with each other policy matters relating to compensation, salary schedules, terms and conditions of employment, transfer of personnel and negotiation of an agreement.

(3) The association and the board shall, at all times, bargain with each other in good faith. A sincere effort shall be made by both parties to overcome obstacles to agreement in the bargaining process.

SECTION 7. A NEW SECTION OF KRS CHAPTER 160 IS CREATED TO READ AS FOLLOWS:

(1) Collective bargaining in a school district shall occur when the recognized association or the board requests. Such bargaining shall be completed within ninety (90) calendar days of the original request or by an earlier date if agreed to by the recognized association and the board. If agreement upon the matter being negotiated has not been reached by the end of the ninety (90) day period, or by the date agreed upon by the association and the board, an impasse shall be presumed to exist, and the procedure for resolving an impasse as outlined in Section 8 of this Act shall be employed. Either party may, when acting in good faith, declare an impasse to exist at any stage of bargaining.

(2) Once a matter has been bargained that same matter shall not be subject to bargaining for a period of twelve (12) months from the date bargaining commenced. However, the parties may mutually agree to reopen negotiation on any matter at any time.

SECTION 8. A NEW SECTION OF KRS CHAPTER 160 IS CREATED TO READ AS FOLLOWS:

(1) Upon declaration of impasse by either party or upon failure of the parties to complete bargaining before deadlines set forth in this Act and in the collective bargaining agreement, the following procedure for resolution of the impasse shall be employed: The superintendent of public instruction shall be notified and within seven (7) calendar days the board and the recognized association shall agree upon and appoint a mediator. If at the termination of the above-mentioned time period a mediator cannot be agreed upon and appointed, the party that declared the impasse shall immediately notify the superintendent of public instruction, who within ten (10) calendar days of receipt of notification shall appoint a mediator. The mediator shall meet with the parties or their representatives, or both, forthwith, either jointly or separately, and shall take such other steps as he may deem appropriate in order to persuade the parties to resolve their differences and effect a mutually acceptable agreement. Provided, that the mediator may, without the consent of both parties, make findings of fact or recommend terms of settlement. Unless both parties agree to a longer period, the mediator shall have fifteen (15) calendar days in which to assist the parties in reaching agreement on the matter that has led to impasse.

(2) If the mediator's efforts do not result in the parties reaching agreement, the second step for resolving impasse shall commence in the following manner: The board and the recognized association shall within ten (10) calendar days from the expiration of the mediator's working period each select one (1) person to serve on a fact finding committee. A third person who shall serve as committee chairman shall be selected jointly by the other two (2) committee members. No committee member shall be a member of the board or the association. If within ten (10) calendar days from their appointment the two (2) committee members are unable to agree upon the choice of a chairman, the party that declared the impasse shall so notify the circuit court of the county in which the board is located, which shall appoint a chairman within ten (10) calendar days of receipt of notification. The committee members shall investigate, make findings of fact, and after consultation and vote, recommend a solution. The written findings and recommendations of the committee shall be presented to the parties within thirty (30) calendar days from the time the chairman is appointed. Such recommendation shall be advisory only.

(3) The board and the association shall adopt or reject the recommendations of the fact finding committee at its next regular meeting or by a date agreed to by the recognized association and the board.

(4) It shall be unlawful for the recognized association to cause or authorize any of its members to take part in a strike, slowdown, walkout, sickout or any other action disrupting the orderly and continuous conduct of the public schools, and it shall be further unlawful for any teacher or administrator to take part in a strike, slowdown, walkout, sickout or any other action disrupting the orderly and continuous conduct of the public schools. Violation of this provision shall be grounds for the board to suspend or dismiss any employe participating therein; or to seek injunctive relief; or to request the circuit court to impose fines for contempt of court either against the association in an amount not to exceed $500 per day or any employe not to exceed $100 per day for any or all of the foregoing acts.

(5) Nothing in this section shall be construed to prohibit the parties from voluntarily agreeing to submit any or all of the issues in dispute to final and binding arbitration.

SECTION 9. A NEW SECTION OF KRS CHAPTER 160 IS CREATED TO READ AS FOLLOWS:

Certificated personnel shall have the right to join or not to join any association for their professional or economic improvement.

SECTION 10. A NEW SECTION OF KRS CHAPTER 160 IS CREATED TO READ AS FOLLOWS:

Expenses of advisors selected jointly by the board and the association and expenses of persons required to be appointed by the superintendent of public instruction or the circuit court shall be shared equally by the board and the association. The board shall pay the expenses of any person it appoints or selects, and the association shall pay the expenses of any person it appoints or selects. Expenditures required under this Act are conclusively presumed to be for the direct benefit of the public schools and for a valid school purpose.

SECTION 11. A NEW SECTION OF KRS CHAPTER 160 IS CREATED TO READ AS FOLLOWS:

(1) Boards and associations reaching agreements, as described in Section 5(3), shall adopt a grievance procedure pursuant to Sections 12, 13 and 14 of this Act, or some other grievance procedure negotiated by the parties and contained in the agreement. The purpose of any such grievance procedure shall be to secure at the lowest possible administrative level, equitable solutions to the problems that may from time to time arise affecting the interpretation, meaning or application of the provisions of the agreement between the association and the board. The proceedings will be kept informal and confidential at any level of the procedure, but may be made public within three (3) days of the conclusion of the final arbitration.

(2) Nothing contained herein will be construed as limiting the right of any member having a grievance to discuss the matter informally with any appropriate member of the administration, and to have the grievance

adjusted without intervention by the association.

(3) The grievance procedures contained in Sections 12, 13 and 14 of this Act shall not be applicable to any agreement unless specifically adopted by the terms of such agreement.

SECTION 12. A NEW SECTION OF KRS CHAPTER 160 IS CREATED TO READ AS FOLLOWS:

(1) Grievances must be processed as rapidly as possible and the timetable specified at each level is to be considered as a maximum. Every effort should be made to expedite the process but the time limits specified may be extended by mutual agreement. In the event a grievance is filed at such a time that it cannot be processed through all the steps in the grievance procedure by the end of the school year and, if left unresolved until the beginning of the following school year, could result in irreparable harm to a party in interest, the time limits set forth herein shall be reduced so that the procedure will be exhausted prior to the end of the school year or as soon thereafter as is practicable. No grievance may be filed later than three (3) months after the event that allegedly caused it.

(2) Level One. A member with a grievance will first discuss it with his principal or immediate superior, either directly or through the association's designated grievance representative, with the objective of resolving the matter informally.

(3) Level Two.

(a) If the aggrieved person is not satisfied with the disposition of his grievance at Level One, or if no decision has been rendered within ten (10) school days after presentation of the grievance, he may file the grievance in writing simultaneously with the chairman of the grievance committee, as established by the association, and with the superintendent within five (5) school days after the decision at Level One or fifteen (15) school days after the grievance was presented, whichever is sooner.

(b) Within ten (10) school days after receipt of the written grievance by the superintendent, he will meet with the aggrieved person and a representative of the association in an effort to resolve it.

(4) Level Three.

(a) If the aggrieved person is not satisfied with the disposition of his grievance at Level Two, or if no decision has been rendered within ten (10) school days after he has first met with the superintendent, he may, within five (5) school days after a decision by the superintendent or fifteen (15) school days after he has first met with the superintendent, whichever is sooner, request in writing that the chairman of the grievance committee submit his grievance to arbitration. If the grievance committee determines that the grievance should be submitted to arbitration, the grievance committee may, by written notice to the superintendent within fifteen (15) school days after receipt of the request from the aggrieved person, submit the grievance to arbitration. If the grievance committee does not submit the grievance to arbitration, the aggrieved person may do so by written notice to the superintendent within five (5) school days after refusal to submit by the grievance committee. The arbitrator selected to hear the dispute shall first rule on the question as to whether the particular grievance involves the interpretation, meaning or application of any of the provisions of the agreement between the association and the board.

(b) Within ten (10) school days after such written notice of submission to arbitration, the superintendent and the grievance committee shall attempt to agree upon a mutually acceptable arbitrator and to obtain a commitment from such arbitrator to serve. The aggrieved person shall take the place of the grievance committee when the grievance committee has declined to submit the grievance to arbitration. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the ten-day period, a request for a list of arbitrators may be made to the american arbitration association by either party. The parties will then be bound by the rules and procedures of the american arbitration association in the selection of an arbitrator.

(c) The arbitrator so selected will confer with the superintendent, the grievance committee, and the aggrieved person, hold hearings promptly, and issue his decision not later than twenty (20) days from the date of the close of the hearings or, if oral hearings have been waived, then from the date the final statements and proofs are submitted to him. The arbitrator's recommendations will be in writing and will set forth his findings of fact, reasoning and conclusions on the issues submitted. The arbitrator shall be without power or authority to make any decision that requires the commission of an act prohibited by law or that is violative of the terms of the agreement. The decision of the arbitrator will be submitted to the board and the association.

(d) In all arbitration hearings the procedural rules of the american arbitration association in effect at the time the grievance is originally filed shall be used to the extent that such rules do not conflict with this Act or the negotiated agreement.

(e) The costs for the services of the arbitrator, including per diem expenses, if any, and his travel and subsistence expenses and the cost of any hearing room shall be borne equally by the board and the association except when the aggrieved person pursues arbitration without the recommendations of the grievance committee. In such latter case the costs shall be borne equally by the board and the aggrieved person. All other costs shall be borne by the party incurring them.

SECTION 13. A NEW SECTION OF KRS CHAPTER 160 IS CREATED TO READ AS FOLLOWS:

(1) No reprisals of any kind will be taken by the superintendent or by any member or representative of the administration or the board against any aggrieved person, any party in interest, any grievance representative, any member of the grievance committee or any other participant in the grievance procedure by reason of such participation.

(2) A member may be represented at all stages of the grievance procedure by himself, or, at his option, by a grievance representative, selected by the association. The association or aggrieved party shall not be restricted in the selection of a grievance representative and it is not necessary that the person selected be a member of the association or an employe of the board. The association or aggrieved party may choose to change grievance representatives in moving from one (1) level of grievance procedure to another, provided the board is notified in writing of such change.

(3) References to the superintendent in Sections 5, 12, 13, and 14 shall be construed to include such other person or persons that the superintendent or board may designate as a representative for the purpose of carrying out the provisions of said sections.

(4) If a member is not represented by the association, the association shall have the right to present and state its views at all stages of the grievance procedure. When the association enters into the grievance procedure, it may present new facts but shall be restricted to the grievance as originally presented.

SECTION 14. A NEW SECTION OF KRS CHAPTER 160 IS CREATED TO READ AS FOLLOWS:

(1) If, in the judgment of the grievance committee, a grievance affects a group or class of members, the grievance committee may initiate and submit such grievance in writing to the superintendent directly and the processing of such grievance shall be commenced at Level Two.

(2) If a grievance arises from action or inaction on the part of a member of the administration at a level above the principal or immediate superior, the aggrieved person shall submit such grievance in writing to the superintendent and the grievance committee directly and the processing of such grievance shall be commenced at Level Two. The grievance committee may not process such a grievance if the aggrieved person does not wish to do so.

(3) Decisions rendered at Levels One and Two of the grievance procedure shall be in writing setting forth the decision and the reasons therefor and shall be transmitted promptly to all parties in interest and to the chairman of the grievance committee. Decisions rendered at Level Three will be in accordance with the procedures set forth in Section 12, (4)(d).

(4) If it is necessary for a grievance representative, member of the grievance committee or other representative designated by the association to investigate a grievance or attend a grievance meeting or hearing during the school day, he will, upon reasonable notice to his principal or immediate superior by the chairman of the grievance committee, be released without loss of pay as reasonably necessary in order to permit participation in the foregoing activities so long as such activities do not unreasonably interfere with the normal school routines and business, provided, however, if the school administrator determines that such meeting unduly interferes with school business such meeting shall be held at a time other than normal school hours. Any member whose appearance in such investigations, meetings, or hearings as a witness is necessary will be accorded the same right.

(5) All documents, communications, and records dealing with the processing of a grievance will be filed in a separate grievance file and no record or notation of any kind, concerning a grievance, will be placed in the personnel file of any of the participants.

(6) Forms for filing grievances, serving notices, taking appeals, making reports and recommendations, and other necessary documents shall be prepared and distributed by the department of labor.

(7) To accomplish the provisions prescribed in Section 14(6), there is hereby appropriated to the responsible department of state government the sum of $10,000.

SECTION 15. A NEW SECTION OF KRS CHAPTER 160 IS CREATED TO READ AS FOLLOWS:

The provisions of this Act shall not abridge the recognition of or agreement with any employe organization which is in effect at the effective date of this Act.

SECTION 16. A NEW SECTION OF KRS CHAPTER 160 IS CREATED TO READ AS FOLLOWS:

c. School Foundation Program

1978-79	$602,039,300
1979-80	$666,440,900

Accumulated earnings for the Common School Fund shall each fiscal year be transferred to the School Foundation Program.

The amount to be included for the 1978-79 school year in the Foundation Program of a district for teachers' salaries shall be determined by multiplying the number of teachers in each rank, not to exceed the number of classroom units allowed, by the amount set forth in the following schedule, for a term of 185 days for each rank:

Rank Experience	I	II	III	IV	V
0-3 years	$12,770	$11,000	$ 9,330	$7,510	$6,630
4-9 years	14,100	12,330	10,760	7,510	6,630
10 years & over	15,290	13,520	12,230	7,510	6,630

Beginning with the school year 1979-80, the amount to be included in the Foundation Program of a district for teachers' salaries shall be determined by multiplying the number of teachers in each rank, not to exceed the number of classroom units allowed, by the amount set forth in the following allotment schedule, for a term of 185 days, for each rank:

Rank Experience	I	II	III	IV	V
0-3 years	$13,480	$11,630	$ 9,780	$7,850	$6,920
4-9 years	15,320	13,480	11,630	7,850	6,920
10 years & over	16,990	15,140	13,290	7,850	6,920

No working budget or salary schedule shall be approved in which the average salary paid any rank of teachers is not at least equivalent to the allotment for that rank, or in which any teacher is paid less than ninety-three percent (93%) of the School Foundation Program allotment for that rank, except where there is a decline in local revenue of the district concerned after it has levied the maximum ad valorem property tax rate permitted by law. Any such reduction permitted shall be only for the amount of the decline in local revenue.

In the event any local board of education contends there has been a decline in local tax resources in that district, the State Board for Elementary and Secondary Education shall certify such contention to the Department of Revenue. Said department shall then determine whether or not there has, in fact, been a decline in local tax resources of such district, and, if so, the amount of such decline. The Department of Revenue shall then certify its determination to the State Board for Elementary and Secondary Education, and said Board shall accept such certified determination as final.

The State Board for Elementary and Secondary Education shall not approve any working budgets or salary schedule summaries for local boards of education for the school years 1978-79 and 1979-80 in which the total amount for 185 days on the salary schedule summary for School Foundation Program teachers' instructional salaries is not equal to the amount for 185 days on the salary schedule summary for School Foundation Program teachers' instructional salaries in the preceding year, plus the additional amount for teachers' salaries received by the district under this appropriation for a 185 day school term by assuming the same classroom units and rank and experience of teachers in the current year as in the preceding year in each local school district.

The allotment to any school district of classroom units, pursuant to KRS 157.360(1) shall not exceed the number of teachers employed by that school district.

Entitlement for basic classroom units obtained in schools of one classification shall not be allocated to schools of another classification. For the purposes of determining such entitlement, classification shall be as follows:

(1) One-teacher schools;

(2) Schools, other than one-teacher schools, with less than one hundred pupils in average daily attendance; and

(3) Schools, other than one-teacher schools, with more than one hundred pupils in average daily attendance.

In the determination of allotments pursuant to KRS 157.360(2), there shall not be allotted a full classroom unit for any non-isolated one-teacher school with fewer than 27 pupils in average daily attendance or for any isolated one-teacher school which has fewer than 12 pupils in average daily attendance.

Notwithstanding the provisions of KRS 157.360(5), (6), and (10) the allotments, provision for which is made under this Act, for classroom units shall be as follows:

	1977-78	1978-79	1979-80
Vocational Education	2,732	2,782	2,857
Exceptional Children	3,810	3,710	4,110
Kindergarten	600	800	1,240

Provided, however, that if the budgeted units in any category of classroom units — Vocational Education, Exceptional Children, Kindergarten, and classroom units for elementary and secondary schools — prove to be excessive, the surplus not to exceed (100) such classroom units may be reallocated to any other category or categories by the Superintendent of Public Instruction, upon the approval of the State Board for Elementary and Secondary Education, the Secretary of the Executive Department for Finance and Administration, and the Governor.

In the event the total number of Vocational Contract units for pupils attending state vocational-technical schools or state-operated vocational education centers falls short of the projected 650 units in the 1978-79 school year or 625 units in the 1979-80 school year, the Superintendent of Public Instruction is hereby authorized, with written approval of the Secretary of the Executive Department for Finance and Administration, to transfer funds from the School Foundation Program appropriation to the Bureau of Vocational Education for the purpose of supporting vocational education programs for the Kentucky public school system. In no event, however, shall the funds authorized to be transferred under this authority exceed the unit value difference between the actual contract units and 650 in the 1978-79 school year and the unit value difference between the actual contract units and 625 in the 1979-80 school year, provided that nothing herein shall jeopardize the School Foundation Program funding of the public common schools.

Allotments for classroom units pursuant to KRS 157.360(7) shall only be for those personnel enumerated under said section who are qualified for their respective positions under applicable provisions of law and regulations and who maintain programs which have been approved pursuant to applicable regulations.

The value for other current expenses in the 1977-78 school year through the School Foundation Program shall increase from $2,364 to $2,419 for purposes of allotting a one-time grant to local school districts to defray energy related expenses. The amount to be included in the Foundation Program for other current expenses in the 1978-80 biennium shall be determined by multiplying the number of classroom units by: $2,650 in the 1978-79 school year and $2,950 in the 1979-80 school year.

The amount to be included in the Foundation Program for capital outlay shall be determined by multiplying the number of classroom units by: $1,800 in the 1978-79 school year and $1,800 in the 1979-80 school year.

In accordance with the intent of KRS 162.060 and 162.160, no space shall be rented, purchased, or otherwise acquired and thereafter converted to classroom use without prior approval of the Superintendent of Public Instruction. The State Board for Elementary and Secondary Education may adopt regulations for the housing of school children. No facilities shall be approved for classroom use which are detrimental to the health of or dangerous to the safety of school children.

If a school district operates any school or grade of a school for a term of less than 185 days or for a school day of less than the minimum required by KRS 158.060, the average daily attendance of such school shall be reduced proportionately by the Superintendent of Public Instruction in determining the allotment of classroom units pursuant to KRS 157.400 and applicable regulations.

Notwithstanding the provisions of KRS 157.400, any undistributed balance in the Foundation Program fund at the end of the fiscal year 1978-79 and 1979-80 shall lapse to the General Fund except where provisions to the contrary are provided in this Act. No unexpended portions of the School Foundation Program fund shall be expended at any time for the purpose of KRS 156.610 through 156.650 except as identified in this Act.

The total appropriation for the School Foundation Program shall be measured by, or construed as, estimates of the state expenditures required by KRS 157.310 et. seq. If the required expenditures exceed these estimates, the Secretary of the Executive Department for Finance and Administration, with approval of the Governor, may increase the appropriation by such amount as may be available and necessary to meet, to the extent possible, the required expenditures under the hereinabove cited sections of the Kentucky Revised Statutes; provided, however, that any such increase, of the total appropriation to the Foundation Program is subject to Part V, General Provisions, Section 8, of this Act, and the provisions of KRS 45.160.

PART V
GENERAL PROVISIONS

1. Nothing in this Act shall be construed to repeal any appropriation made hereinbefore or hereinafter for the fiscal year ending June 30, 1978,except Chapter 27, Part I, Section D of the 1976 Extraordinary Session Acts of the General Assembly which is hereby repealed, and nothing in this Act is to be construed as amending or altering the provisions of Chapters 42 and 45 of the Kentucky Revised Statutes pertaining to the duties and powers of the Secretary of the Executive Department for Finance and Administration. All questions that arise in interpreting any appropriation in this Act as to the purpose or manner for which such appropriation may be expended shall be decided by the Secretary for Finance and Administration in accordance with the detailed estimates embodied in the Executive Budget 1978-80 and supporting work papers, as considered by the General Assembly, and the decision of the Secretary of the Executive Department for Finance and Administration shall be final and conclusive.

2. In enacting this Appropriation Act, it is the deliberate intention of the General Assembly to enact each section, and each subsection thereof as a separate and/or specific appropriation and law, and if any section, any subsection, or any provision thereof shall be held invalid or unconstitutional, the decision of the courts shall not affect or impair any of the remaining sections, subsections, or provisions contained herein.

3. The Secretary of the Executive Department for Finance and Administration is authorized to establish a system or formula or a combination of both for pro-rating the administrative costs of the Department of Personnel, Executive Department for Finance and Administration, Treasury, and Law relative to the administration of programs in which there is joint participation by the State and Federal Governments for the purpose of receiving the maximum amount of participation permitted under the appropriate Federal laws and regulations governing such programs.

4. All continuing appropriations in existence at the time this Act takes effect are discontinued and repealed by this Act, notwithstanding any provisions of the Kentucky Revised Statutes to the contrary, except as provided by Chapters 12, 42, 56, 152, 177 and 341 of the Kentucky Revised Statutes. All laws and portions of laws in conflict with any of the provisions of this Section, to the extent of such conflict, are hereby repealed.

5. No state agency, cabinet, department, office or program shall incur any obligation against the General Fund appropriations contained herein unless such obligation may be reasonably determined to have been contemplated in the Governor's budget proposal and is supported by appropriate work papers and other records pertaining thereto.

6. Any appropriation made herein by the General Fund in anticipation of a lack, loss or reduction of Federal grants shall lapse to the General Fund to the extent such Federal funds otherwise become available.

7. All funds received under the Federal Social Security Amendments of 1977, Public Law 95-216 (H.R. 9346, Sec. 401, 402, and 405) are hereby appropriated to the Department for Human Resources to be used to

implement Community Work Experience programs as established under Kentucky Revised Statutes 205.650—205.700. In enacting this section of this Appropriation Act, it is the deliberate intention of the General Assembly that these funds should be used, within federal law and regulation, for federal match whenever possible to maximize their statewide impact.

8. Whereas, inasmuch as the finances of the Commonwealth cannot be ascertained with absolute certainty at this time, and since the actual needs of each officer, cabinet, department, board, commission, institution, agency or other activity or subdivision of state government can only be anticipated and not finally determined by the General Assembly, and since the total amount of revenue accruing to the General Fund and to the Transportation Fund and accruing from various fees or from Federal funds from which appropriations are made can only be anticipated as being produced through existing laws and those that may hereafter be enacted, and recognizing the complex nature of the economy, it is the purpose and intention of this Act that the expenditures for each fiscal year shall not exceed the total financial resources accruing to any Fund, as defined in KRS Chapter 45, for the same fiscal year. As the conditions cannot be fully determined until after the adjournment of the 1978 General Assembly, and as the needs of each officer, cabinet, department, board, agency, commission, institution, subdivision or activity of state government, together with the total financial resources accruing to the General Fund and the Transportation Fund cannot be fully determined at this time, it is the intention and purpose of this General Assembly that the Secretary of the Executive Department for Finance and Administration, with the advice of the Commissioner of the Department of Revenue, upon approval of the Governor of the Commonwealth, is authorized, empowered and directed to ascertain and determine the needs of each officer, cabinet, department, board, commission, institution, subdivision, agency or other activity of state government and to ascertain the total financial resources anticipated to be accrued to the General Fund and the Transportation Fund of the Commonwealth, and upon the ascertainment and determination of said facts, he, the Secretary of the Executive Department for Finance and Administration, in the manner set forth as provided by general law, is authorized, empowered, and directed by the General Assembly to prevent an overdraft or deficit in any fiscal year for which appropriations are herein made, by equitably reducing, according to needs, without discrimination, the appropriations herein made from the General Fund and Transportation Fund to each officer, cabinet, department, board, commission, institution, subdivision, agency or other activity in state government, provided, however, that the power invested shall not permit any reduction of the appropriations of any officer, cabinet, department, board, commission, institution, subdivision, agency or other activity of state government that will actually impair the necessary constitutional functions of such agency or activity, the operations and functions of which are determined to be necessary constitutional functions of state government.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 158.150 is amended to read as follows:

(1) All pupils admitted to the common schools shall comply with the lawful regulations for the government of the schools. Wilful disobedience or defiance of the authority of the teachers *or administrators, use of* [habitual] profanity or vulgarity, *assault or battery or abuse of other students or school personnel, the threat or force of violence, the use or possession of alcohol or drugs, stealing or destruction or defacing of school property or personal property, the carrying or use of weapons or dangerous instruments,* or other *incorrigible bad conduct on school property as well as off school property at school sponsored activities* [gross violation of propriety or law] constitutes cause for suspension or expulsion from school.

(2) A pupil shall not be suspended from the common schools until after at least the following due process procedures have been provided:

(a) The pupil has been given oral or written notice of the charge or charges against him which constitute cause for suspension;

(b) The pupil has been given an explanation of the evidence of the charge or charges if the pupil denies them; and

(c) The pupil has been given an opportunity to present his own version of the facts relating to the charge or charges.

These due process procedures shall precede any suspension from the common schools unless immediate suspension is essential to protect persons or property or to avoid disruption of the ongoing academic process. In such cases, the due process procedures outlined above shall follow the suspension as soon as practicable, but no later than three (3) school days after the suspension.

(3) The superintendent, principal or head teacher of any school may suspend a pupil [for such misconduct,] but shall report such action in writing immediately to the superintendent *and to the parent, guardian or other person having legal custody or control of the pupil.* The board of education of any school district may expel any pupil for misconduct as defined in *subsection (1)* [this section], but such action shall not be taken until the parent, guardian or other person having legal custody or control of the pupil has had an opportunity to have a hearing before the board. The decision of the board shall be final.

(2) The various boards of education of the commonwealth of Kentucky, and the principals of the public schools, may use teacher's aides in supervisory capacities, such as playground supervision, hallway supervision, lunchroom and cafeteria supervision, and other like duties, including, but not limited to, recreational activities and athletic events, relating to the supervision and control of the conduct of the pupils;

and while so engaged, such teacher's aides shall have the same authority and responsibility as is granted to and imposed by law upon teachers in the performance of the same or similar duties.

SB 47, AN ACT relating to elementary and secondary education.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 157.200 is amended to read as follows:

(1) "Exceptional children" means persons under twenty-one (21) years of age who differ in one or more respects from average or normal children in physical, mental, learning, emotional or social characteristics and abilities to such a degree that they need special educational programs or services for them to benefit maximally from the regular or usual facilities or educational programs of the public schools in the districts in which they reside; or, those children who, because of their intellectual or creative abilities or potentialities, require special educational programs or services. These children include, but are not limited to, those children hereafter described in this section as well as the neurologically impaired, visually impaired, hearing impaired and the retarded. The department of education, through regulations endorsed by the state board *for elementary and secondary* [of] education, shall interpret the statutory definitions of exceptionality. An exceptionality is any trait so defined in KRS 157.200 or stipulated in the regulations of the state department of education. Requirements of average daily attendance for exceptional classes will be regulated by statute, or in the absence of such direction by departmental regulations endorsed by the state board *for elementary and secondary* [of] education. Categories of exceptionalities included within, but not limited by, this definition are as follows:

(a) "Physically handicapped children" means children who suffer from any physical disability making it impracticable or impossible for them to benefit from or participate on a full-time basis in the normal classroom program of the public schools in the school district in which they reside and whose intellectual development is such that they are capable of being educated through a modified educational program;

(b) "Children with communication disorders" means those children who evidence disorders in hearing, language, or speech;

(c) "Educable mentally handicapped children" means children who because of retarded intellectual development, as determined by recognized standardized tests, are incapable of being educated profitably and efficiently through ordinary classroom instruction but whose intellectual ability would indicate a degree of scholastic attainment with the benefit of special educational methods, materials, and facilities;

(d) "Trainable mentally handicapped children" are mentally handicapped children who, because of retarded intellectual development, are incapable of being educated properly and efficiently through ordinary classroom instruction or special education facilities for educable mentally handicapped children, but who may be expected to benefit from training in a group setting designed to further their social adjustment and economic usefulness;

(e) "Children with learning disabilities" are those children who have a disorder in one or more of the basic psychological processes involved in understanding or using language, spoken or written, which disorder may manifest itself in imperfect ability to listen, think, speak, read, write, spell, or do mathematical calculations. Such disorders include such conditions as perceptual handicaps, brain injury, minimal brain dysfunction, dyslexia, and developmental aphasia. Such term does not include children who have learning problems which are primarily the result of visual, hearing, or motor handicaps, of mental retardation, of emotional disturbance, or of environmental disadvantage;

(f) "Emotionally disturbed children" means those children who exhibit a variety of excessive chronic, deviant, inappropriate, persistent behaviors ranging from impulsive and aggressive to depressive and withdrawal acts which cause the child's placement to be detrimental to his educational progress, dangerous to his health or safety, or disruptive to the program for other children;

(g) "Multiple handicapped children" are those children who have a combination of two (2) or more moderate to profound handicaps which produce serious learning, developmental, or behavioral emotional problems. These handicaps prohibit or seriously limit progress in a regular or special education program designed to accommodate children with a single handicap;

(h) "Intellectually gifted or talented children" means children who possess demonstrated abilities or measured potential that provides evidence of high performance capability in areas such as intellectual or creative ability who need special education services in order to realize these potentialities.

(2) "Special educational facilities" means special schools, special classes, and special instruction.

(3) "Related services" means *such developmental, corrective and other supportive services as are required to assist a handicapped child to benefit from special education, and includes psychological services, physical and occupational therapy, physical education, early identification and assessment of disabilities in children, counseling services and medical services for diagnostic or evaluation purposes* [those educational

services for the exceptional child and his family that ordinarily cannot be delivered through the public educational system].

Section 2. KRS 157.220 is amended to read as follows:

(1) The state department of education is hereby designated as the agency for cooperation with the state and federal governments, the approved treatment centers and local schools of Kentucky in carrying out the provisions of KRS 157.200 to KRS 157.280. The state board *for elementary and secondary* [of] education shall make necessary rules and regulations in keeping with the provisions of KRS 157.200 to KRS 157.280 for their proper administration, including but not limited to establishment of classes, eligibility and admission of pupils, the curriculum, class size limitations, housing, special equipment and instructional supplies.

(2) The state department of education is authorized to receive contributions and donations that may be made to carry out the provisions and requirements of KRS 157.200 to KRS 157.280.

(3) Local supervision of special educational facilities for exceptional children shall be approved by the *bureau of education for exceptional children* [division of special education] according to rules and regulations approved by the state board *for elementary and secondary* [of] education.

(4) This bureau shall have an assistant superintendent of public instruction and necessary assistants appointed by the superintendent of public instruction. (1) The Commonwealth of Kentucky is committed to providing a comprehensive educational program for its exceptional school age children. The bureau of exceptional children, through KRS 157.221, coordinates, directs, and monitors that program. State direction and implementation of a statewide exceptional education program is manifested in the biennial appropriation of funds to finance a particular number of such classroom units. The rate at which new exceptional units are funded indicates the state's ability to assure a quality educational opportunity for appropriate students in existing, locally operated, exceptional class units.

(2) All county and independent boards of education shall operate special education programs to the extent required by, and pursuant to, a plan which has been approved by the state board *for elementary and secondary* [of] education. If any county or independent board of education fails to operate and implement special education programs in accordance with an aforesaid plan, the application of said county or independent board of education for minimum foundation payments may be considered insufficient.

(2) School boards of any school district may, subject to any limitations specified in KRS 157.200 to 157.280, establish and maintain special educational programs for exceptional children who are residents of their school district, and such children, residents of other school districts, as may be authorized by KRS 157.240 to 157.295.

(3)] School boards of any school district may admit on preapproval and certification any [physically handicapped] child into special education programs at any time after the child has attained the age of three (3) years.

[(4) School boards of any school district may admit on proper approval and certification any educable or trainable mentally handicapped child into special education programs at any time after the child has attained the age of six (6) years; Provided, however, That educable and trainable mentally handicapped children shall not be enrolled in the same special class.]

[(2) The director of special education, upon the approval of the superintendent of public instruction, shall prescribe rules, regulations and tests for determining what children shall be classified as educable mentally handicapped or trainable mentally handicapped, and questionable cases shall be decided by the director after adequate examination and consideration of specific case histories.]

Section 7. KRS 157.280 is amended to read as follows:

(1) If the number of children of compulsory school age in one (1) classification of exceptionality in a district is not sufficient to justify a special education program for that exceptionality in that district, or if a school district does not provide a special education program for that exceptionality, the board shall provide a program by contract with another county or independent district or private organization that maintains a special education program approved by the state board *for elementary and secondary* [of] education for that exceptionality, the amount not to exceed the amount designated by the state department of education for a child of that particular exceptionality. When a district or private organization undertakes, under operation of a tuition contract or of law, to provide in its classes for these pupils residing in another district, the district of residence of these pupils shall share the total cost of the special education program in proportion to the number of pupils or in accordance with contract agreement between the two (2) districts or district and private organization.

(2) The school board of the school district in which any child resides shall pay for his transportation to and from the program in the other school district or to the private organization. [However, if the school board of the other district or the private organization providing the program also provides transportation, the cost of transportation shall be included in the total cost.]

(3) If a child [of compulsory school age] is admitted for *resident* instruction at the Kentucky School for the Deaf or the Kentucky School for the Blind, under regulation of the state board *for elementary and secondary* [of] education and under provisions of KRS 167.015 to 167.150, the district in which the child resides shall provide transportation to and from the school on a regularly scheduled basis, at intervals of no less than once each month while the child is enrolled, either by individual district or in cooperation with other school districts on a regional basis, as approved by the state board *for elementary and secondary* [of] education upon recommendation of the superintendent of public instruction. *Children admitted for non-resident instruction shall have transportation as provided by subsection (2) of this section.*

(d) Who is enrolled and in regular attendance in state approved private or parochial school programs for exceptional children; or

(2) Before granting an exemption under paragraph (c) of subsection (1) of this section the board of education shall require satisfactory evidence, in the form of a signed statement of a licensed physician, psychologist or psychiatrist, or public health officer, that the condition of the child prevents or renders inadvisable attendance at school or application to study. On the basis of such evidence the board may *exempt* [exclude] any such child from *compulsory attendance* [school]. *Any child who is excused from school attendance more than six (6) months must have two (2) signed statements from a combination of the following professional persons: a licensed physician, psychologist, psychiatrist, and health officer. Exemptions of all*

children under the provisions of subsection (1)(c) of this section must be reviewed annually with the evidence required being updated.

(3) For any such child who is excluded under the provisions of subsection (1)(c), home, hospital, institutional or other regularly scheduled and suitable instruction meeting standards, rules and regulations of the state board *for elementary and secondary* [of] education shall be provided.

Section 10. KRS 167.170 is amended to read as follows:

Section 12. KRS 167.220 is amended to read as follows:

(1) The state department of education is hereby authorized to expend available funds for the purpose of sending children who are deaf-blind to any facility, school or institution, within or without the commonwealth, which provides a qualified program of education for such children. Such payments shall commence in the month following the date of death of the member and shall be payable to the beneficiaries, or to a legally appointed guardian or as directed by the board. *Benefits shall be payable under this subsection notwithstanding an election by a beneficiary to withdraw the deceased members' accumulated contributions as provided in KRS 61.625 or benefits under any other provisions of KRS 16.510 to 16.652.*

(4) *A beneficiary eligible for benefits under subsection (1) or (2) of this section who is also eligible for benefits under any other provisions of KRS 16.510 to 16.652 may elect benefits under this section or any other section of KRS 16.510 to 16.652 but cannot elect to receive both.* [Payments provided for in this section shall be made in lieu of any other benefits due under any of the provisions of KRS 16.510 to 16.652.]
